A JOLLY COMEDIAN IN A JOLLY SHOW HERE SOON.

The past season has developed an entirely new form of theatrical entertainment. It is nothing else than a musical farce. Someone conceived the idea of taking a brisk farce, bringing it up to date and interpolating musical numbers, the idea proved an immediate success. It is in this style of entertainment that Billy (Single) Clifford will come to the Armory on Oct. 22nd.

The offering is called "The Girl, The Man and The Game" being a lively farce, with a laugh in every line and interspersed therein no less than eighteen tuneful songs added for good measure. Billy is seen to the best possible advantage and is surrounded by an excellent company and a chorus of remarkably pretty girls who sing and dance in a very acceptable manner.
