

Johnston Stock & Farming Company

MARION, NORTH DAKOTA, and SAINT PAUL, MINNESOTA

The Johnston Farms Breed Is the Best There Is in Holstein Cattle, Berkshire Hogs, Shropshire Sheep, and S. C. White Leghorn Chickens, and Pure Seeds

POULTRY

We have one of the best and largest flocks of pure bred S. C. White Leghorns in the United States. Next spring we will make a specialty of day-old chicks, and guarantee safe delivery. Also eggs for hatching at reasonable prices. Send for illustrated catalog to

GUSTAV WALTERS, Poultry Supt., Marion, N. D.

HOLSTEINS

We have a few bulls left of serviceable age, as good as the above illustration. If you want to double the milk production of your herd in a short time, get one of these young bulls. Write to

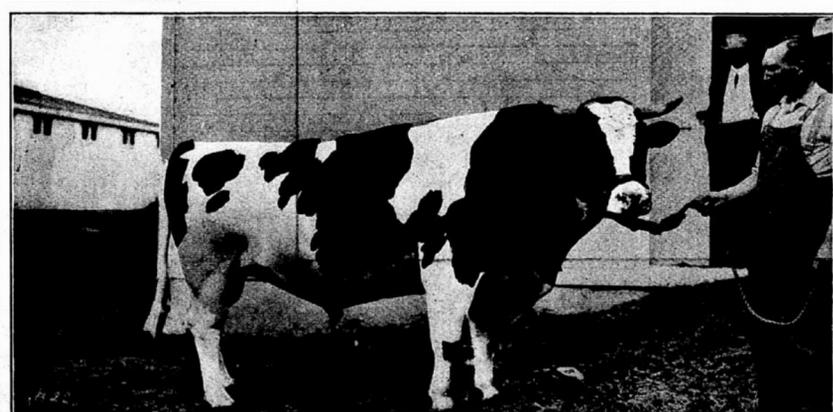

CARL GAUMNITZ, Gen. Mgr., Marion, N. D.

SEED DEPARTMENT

We have some of the finest flax ever raised in the Northwest. Off of new breaking and absolutely free from mustard and other foul seeds. In fact we have no mustard on any of our farms. We also have some exceptionally good barley, spring rye, and the finest Canadian oats you ever saw. We have been breeding these oats for three years. Early to mature and yields heavy. Address

L. M. BOND, Supt. Seed Department, Fargo, N. D.
