DECIDE FOR YOURSELF.
The Opportunity is Here, Backed By Valley City Testimony.

Don't take our word for it. Don't depend on a stranger's statement.

Read Valley City endorsements. Read the statements of Valley City citizens.

And decide for yourself. Here is one case of it.

James McCully, Fifth St. and Second Ave., Valley City, N. D., says: "I was bothered for six or eight months by a constant, dull ache in the small of my back. Sharp twinges at times crippled me so that I could scarcely move. The kidney secretions were irregular in passage and contained sediment, resembling brick-dust. At night I was obliged to get up several times to pass them. Having every reason to believe that my kidneys were causing these troubles, I got Doan's Kidney Pills. They proved to be the remedy I needed and soon the backache, languor and other symptoms of kidney trouble left."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. McCully had. Foster-Milburn Co., Props., Buffalo, N. Y.
