VERMILYA REUNION AT BOWLING GREEN, OHIO

The following from the Daily-Sentinel Tribune of Bowling Green, Ohio, will be of interest to the friends of the Vermilya family here:

Yesterday was a gala day at the Vermilya home on Haskins street of this place. Mr. and Mrs. S. S. Vermilya completed fifty years of married life last October, but being in Florida a family reunion was not possible at the time. Wednesday night the members and some near relatives of the family began to gather to join in a celebration of the anniversary and a reunion and by noon Thursday the whole family with all grandchildren but one, were on the ground enjoying themselves as only a large and vigorous group can. At the noon hour a sumptuous feast was indulged in.

There are five sons and one daughter in the family, grouped two and two in three vocations, two are doc-

tors, two in Christian work and two farmers. The following is a list of the children in the order of their ages:

Dr. O. C. Vermilya, wife Verna and daughter Gladys, Fremont, O.; H. A. Vermilya, wife Anna and children Leo, John, Bertha, Harold and Ryo of Haskins, O.; W. B. Vermilya, wife Bary and children Ruth, Clarence and Carl of Belmore, O.; Rev. C. E. Vermilya, wife Golda and children Harold, Margerie and Mildren of Valley City, North Dakota; Dr. E. L. Vermilya, wife and children Donald Catherine and Ruby of Fremont, O.; Miss Mary Vermilya of Toledo, O.

Others in attendance were a sister Eliza Johnston of Athian, Ind., her daughter Mrs. Winnifred Randal of Fort Wayne, Ind.; Mrs. Vermilya's sister, Mrs. Mary Gordon of West Salem, O.; Quincy Elicker and wife of Homerville, O.; Victor and John Garden of West Salem, O.; and Mrs. Leo Vermilya, Hastings, O.

The Vermilya family was one of the first to settle in New York, coming to America from Holland. Like most of their early countrymen they were associated with the Dutch Reformed church. As higher heights have been climbed in the family tree, the family name has been found to hang on an Italian twig. Peter Hartyr, a Catholic Priest in Italy, having the good sense to believe that it was not good for man to be alone, married a sister and accepted rejection by his church and with his chosen wife, like Abraham of old, journeyed to a far country. Thus we have in our midst, a family closely akin to the Holland Dutch by blood and traditions, but indebted to the courage and good sense of an Italian for its name.

FREIER - EBERSOLD NUPTIALS OCCUR

CEREMONY PERFORMED AT HOME OF BRIDE'S FATHER, REV. J. D. VANNOY OFFICIATING.

The marriage Friday of Miss Ida Freier and Mr. Ralph Ebersold, which occurred at 9 o'clock at the home of the bride's father, H. P. Freier, 821 Franklin street, was witnessed by the immediate family circle and a few intimate friends. Rev. J. D. Vannoy, pastor of the Baptist church was the officiating clergyman and used the impressive ring service. During the ceremony the "Chant du Paysan" by Rendando, was softly played upon the piano by Walter Irwin, and immediately after the vows had been pledged, Henry Iblings sang, "I Love You Truly." The little ring bearer was Victor Lund, a nephew of the bride who bore the emblem in the petals of a rose. Little Evelyn Freier of Chicago, was the flower girl, both were clad in white and added beauty to the scene. Following the congratulations a three course rose breakfast was served and at 2 o'clock this afternoon Mr. and Mrs. Ebersold left via the Illinois Central for Chicago where they will remain for several weeks while he continues his studies in the summer school of Chicago University.

The latter part of August they will go to Valley City, N. D., where for the past two years Mr. Ebersold has been in charge of the manual training department in the public schools and will continue for the coming year. He has warm friends here where he grew to young manhood all of whom are sincere in their interests in his future and are offering congratulations to him today. The bride is an alumnus of the State Teachers College and is an accomplished young woman who has also made a splendid record as a teacher. Those present from away were Mr. and Mrs. Otto Freier and little daughter Evelyn, of Chicago—Cedar Falls (Iowa) Record.

FROM THURSDAY'S DAILY

THURSDAY, JULY 2, 1914.
Rev. D. Warden and party arrived yesterday to camp at Chautauqua park. Other camping parties arrived here yesterday from Hope, Minn., Wimbledon and Wyndmere.

Mr. Frank Sanford who is attending the Bankers' convention in Williston at this time, was one of the principal speakers on July 1st, when he talked on the subject of live stock and farm accounting, before a large audience.

Mr. Chas. Paulson and family of Rogers were visitors at the Chautauqua yesterday.

Barney Gray and Fay Ross who autoed to Minot to attend the Elks convention, returned home this morning.

Miss Bjor of the Platon hospital left last evening for Battle Lake, Minn., for a short visit. She will take a position at the Bismarck hospital on her return.

Friends in the city of Mrs. Ray Rasmussen of Regina, Sask., Canada, will be glad to know that she has left the hospital for her home and is getting along very well. Mrs. Ole Knudson who is visiting with her daughter now, will probably not return home for several months.

SIX INCHES OF RAIN FALL

DURING THE MONTH OF JUNE— ONLY 11 DAYS SUNSHINE— TEMPERATURE MILD.

The month of June will go down in the history of statistics as unusually wet. The precipitation for the month was practically six inches—5.7 inches—filling the ground with an abundant store of moisture later to be drawn upon by the growing crops.

The month was also unusual for the small amount of sunshine, there being but 11 clear days while there were 19 cloudy and part cloudy days.

The temperature during the month was delightful, as the following record of Observer Pettigrew at the state hospital for the insane will show:

JEALOUS INDIAN KILLS WHITE GIRL

DRAGS HER FROM FIANCE AT YANKTON, S. D., AND SHOOTS HER TO DEATH.

Yankton, S. D., July 6.—Nellie Brewer, 17 years old, a school girl and daughter of Riley Brewer, was shot and killed last night in the Milwaukee stockyards here by Charles Bowman of Wagner, a quarterblood Yankton Sioux Indian.

Bowman met the girl as she was going to a circus with Ralph Ford, to whom she was to be married this month. Bowman dragged her away from Ford, although her parents and a brother and sister were near by. It was dark and the couple was lost to view until shots brought officers to the spot to find the girl dead with two bullet wounds in her heart. Bowman was lying near by and supposed to be dead at first.

Mystery surrounds the Indians condition, but as he was not shot, it is supposed he was set upon and beaten by the girl's father and Ralph Ford, who left him for dead and are keeping the story back.

Bowman had served time in the state penitentiary and otherwise had a bad record. He is recovering and will be charged with murder. A coroner's inquest is in progress.

The Indian had been drinking all day and had been heard to make threats he would "get" Ford. The saloons of Yankton have been closed for four months and the tragedy wrought by a drunken man within two days of their reopening has furnished the "drys"

LOCAL ELKS HONORED AT ANNUAL CONVENTION AT MINOT LAST WEEK

ANTI-SUFFRAGIST COMING.

Miss Marjorie Dorman of New York, representing the National Association Opposed to Woman Suffrage, is in Fargo, at the invitation of the state Anti-Suffrage association, and will probably remain in North Dakota the greater part of July.

For the past several weeks Miss Dorman has been in Montana, and she is intensely indignant at the mis-statements which have followed her out of the West. "It is pure libel, she says, 'for anyone to say I left Butte, Mont., because I was afraid to debate the suffrage question with Miss Rankins. The only reason I did not debate with her was because she and I had agreed to accede to the governor's request that all public meetings be cancelled because of the labor troubles."

"Secondly, I did not interrupt Senator Dixon when he was making an address at Kalispel. He invited me onto the platform. And as to his request for information concerning the source of my salary; if it will please him any to know, the mother of Rosalie Jones is one of those who contribute; so is Mrs. William H. Taft, and Mrs. Grover Cleveland, and a sister of Ex-president Roosevelt."

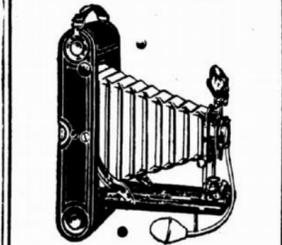

Miss Dorman is anxious that the public be informed as to the real attitude of the anti-suffragists. The anti-suffragists, according to Miss Dorman, will not oppose the movement when every woman wants to vote, and even if it is gained now they will to their best to keep the trust given them.

But when the ballot in the hands of women will do no good, and get nothing that cannot be secured from men alone, she fails to see the need of it. As proof of this last, Miss Dorman claims that, while many states have gone prohibition during the last several years, the anti-suffragists do not believe they should double the expense of the electorate, by doubling the number of voters.

The National Association opposed to Woman Suffrage, Miss Dorman says, now as auxiliary bodies in 23 states, and others are rapidly organizing. Among the latest to form state organizations are Montana, North Dakota, and Georgia.

Red Bluff, Cal., July 1.—Lassen peak exploded in its thirteenth eruption since May 30, and a dense column of black smoke shot up 3,000 feet and drifted northward. Steam issued from the peak after the smoke had ceased.

President and Secretary Were Named From Valley City — Donation Made to N. D. Silver Service.

FRIDAY, JULY 3, 1914

Local Elks were greatly honored at the annual convention of the lodge, held in Minot last week.

Darby O'Malley, for years a prominent member of the Valley City lodge, and Past Exalted Ruler, was elected president of the association for the coming year, and R. W. Bassett was named secretary. Mr. O'Malley's selection was not only a compliment to him, but to the local lodge. Mr. O'Malley's experience in the work of the local lodge, and his natural abilities as an executive, made the choice exceptionally appropriate. R. W. Bassett's selection also, was pleasing to his friends here.

Speaking today of the business of the convention, Mr. O'Malley stated that the Elks of North Dakota have made arrangements to help see that the deficit in the silver service for the battleship North Dakota, which has never been entirely paid for, is made up. The lodge, at the Minot meeting decided to assess the various lodges of the state \$500 to help meet the debt. This, with what has already been raised from various sources will bring the amount to within about \$1,000 of completion he says, and plans have been made to raise the balance in other ways.

WISHEK 8, BURDICK 18, AND HANNA 24

THAT IS THE WAY THE COUNTIES OF STATE WENT FOR GOVERNOR.

The official canvass of votes cast in the primary election of last week will be made by the boards of count commissioners in the several counties next week, and at that time the official figures will become available.

The present total shows Governor Hanna leading U. L. Burdick by just 3,000. The figures follow:

Hanna	23,934
Burdick	20,934
Wishek	11,355

There are some interesting features in the returns as received. Morton county is one of the most remarkable. Governor Hanna was given a majority over Burdick in the county of 1,076, while Wishek, the re-submission candidate, was high man by ten more votes than Hanna.

The tabulation shows that the several candidates carried the following counties:

Hanna — Barnes, Burke, Billings, Cass, Dunn, Eddy, Emmons, Foster, Golden Valley, Grand Forks, Griggs, Hettinger, Kidder, La Moure, McHenry, Nelson, Pembina, Ransom, Richland, Rolette, Sargent, Stutsman Walsh, Wells.

Burdick — Adams, Benson, Bottineau, Bowman, Cavalier, Divide, Dickey, Mountrail, McKenzie, McLean, Pierce, Ramsey, Renville, Steele, Traill, Towner, Ward, Williams.

Wishek—Burleigh, Morton, Mercer, Logan, McIntosh, Oliver, Stark, Sheridan.

A House Is Only As Good As Its Roof

No matter what care you use in building your foundation—no matter whether you back-plaster or paper your side walls, no matter whether you use wooden siding, cement or brick—Your house will be but little better than the cheapest, most carelessly-built shack, if the roof is not all right.

Select Vulcanite Roofing
and your roof will come through all tests in as good shape as the rest of the structure, however much care and expense you may have used in choice of material.

VULCANITE ROOFING is built to withstand any temperature—any atmosphere—its crushed granite coating over a wool felt base makes it impervious to heat or cold or water—it lays Flat—does not Warp, Crack or Fade.

The original cast of **VULCANITE** is the only expense—it is more Lasting, more Attractive and much more Durable than wooden shingles.

10 Styles and Finishes to select from!
Your local dealer, named below, will show you samples—give you full information and supply you with our book of suggestions, "Vulcanite Ornamental Roofing."
