Good looks are impossible for the wearers of the old-fashioned double vision glasses with their conspicuous, disfiguring seams and shoulders.

Wear **KRYPTOKS**. They add a touch of distinctiveness to your appearance. Combining near and far vision in one solid, crystal-clear lens, **KRYPTOK GLASSES** cannot be detected from single-vision lenses. Let us show you how tasteful they are.

**BACKACHE IS A WARNING.**

Valley City People Should not Neglect Their Kidneys.

Backache is often nature's most frequent signal of weakened kidneys. To cure the pains and aches, to remove the lameness when it arises from weakened kidneys, you must reach the cause—the kidneys. If you have pain through the small of your back, urinary disorders, headaches, dizzy spells, or are nervous and depressed, start treating the kidneys with a tested kidney remedy.

Doan's Kidney Pills have been proved good and are especially for weak kidneys. Doan's have been used in kidney trouble for over 50 years. Read Valley City testimony.

Mrs. A. McFadgen, 726 Elm Ave., Valley City, N. D., says: "I often had sharp twinges of pain in the small of my back. These pains were worse when I was doing any sweeping. As Doan's Kidney Pills had been used by several of my family with good results, I gave them a trial and they cured me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. McFadgen had. Foster-Milburn Co., Props., Buffalo, N. Y.
