Attempt to Drive Allies' Left Wing Into the North Sea Indicated.

CANADIAN CONTINGENT REPORTED AT SEAPORT

Official war news is brief today, but war office statements are not needed to make plain that momentous results that stretches from Alsace through grain were burned. northern France to within 25 miles of the Straits of Dover.

The heaviest fighting has been on the line of Lassigny and Lens. Todays official report from Paris says that the allies repulsed German attacks between Arras and the Oise, and that

brouck. about two-thirds of the British forces lows: that escaped from Antwerp. It is believed that the Germans are pushing forward to attack the city with the hopeps of capturing and using the port in operations against England.

A terrific struggle to keep the Germans from the coast is inevitable. Reports indicate that the German cavalry advance is about thirty miles from Ostend.

The strength of the allies at Ostena is not known. It is possible that British reinforcements which were unable to reach Antwerp in time to help in \$:00 Formal opening of Convention. the defense of that city are now in

Still less is known of the situation in the eastern war zone. Petrograd Addresses of Welcome. is silent on recent developments. The Russian war office explains this silence on the grounds of strategy.

Vienne reports that the Russian attack of Przemsyl, the strong fortress of Jamestown. in Austrian Galicia, has failed. Berlin asserts that the Russian advance on rington. the East Prussian frontier has been checked, while the Germans are steadily working eastward in Russian Po- Nielson, Valley City.
