IS YOUR BLOOD RICH?

Poor Blood is the indirect cause of much winter sickness—it allows chills, invites colds and sickness.

NOURISHMENT alone makes blood—not drugs or liquors—and the nourishing food in **Scott's Emulsion** charges summer blood with winter richness and increases the red corpuscles.

Its **Cod Liver Oil** warms the body, fortifies the lungs, and alleviates rheumatic tendencies.

YOUR DRUGGIST HAS IT. 14-45 SHUN SUBSTITUTES.
