HAD A LIVELY RUNAWAY

A farm team belonging to John Salzer indulged in a lively runaway Tuesday morning about 10 o'clock. The start was made from in front of the Carpenter-Neumann Co.'s office. They came up Third street turning up Fifth avenue, and again turning the corner at the Siegfried Pharmacy on Fourth street. After running about five blocks they were stopped without material damage. The streets were crowded with people and rigs at the time and it is almost a miracle that somebody didn't get hurt.

TWO FARMERS' SOCIETIES MEET HERE WEDNESDAY

FAREWELL ORDERS

(Communicated)

It has now been definitely decided that Ensign and Mrs. Charles Nelson, who have been in charge of the local Salvation Army since last October, are to farewell from Valley City July 18. The ensign, having special ability as a revivalist, will have charge of a traveling revival brigade, which will conduct revival campaigns in smaller cities and towns under the auspices of the Army, the spiritual results to accrue to the local churches.

The ensign and his dear wife have done a good work while in our city. The local corps is in better condition than it has been for years. The ensign as social worker for the Associated Charities fully filled the bill and many commendations of his good work are heard.

Unfortunately the financial side of Army work has suffered a severe setback during the spring and summer months, partly due to inclement weather and hard times. Thus there is an indebtedness of about \$100 against the work, which the ensign is anxious to liquidate before leaving, thus leaving his successors with free hands when they arrive. The ensign is calling upon all the friends of the Army to come to his assistance in this matter. The item being small, if everyone will put their shoulder to the wheel the effort will not be so taxing. The lifting of this debt is one way in which we can show our appreciation of the good work done by these godly consecrated workers. Shall we not give them the joy they ask at our hands?

T. G. Boughton and daughter, Barbara, of Fargo, are spending the week end with Mr. and Mrs. W. O. Boughton.

Mr. and Mrs. T. Henriksen were over from Nome Wednesday.

Wednesday 150 delegates representing the North Dakota Association of Managers of Farmers' Co-operative Elevators opened a three-day session at the city hall. J. H. S. Thomson, of Valley City, is president; A. A. Lane, of Sherwood, vice president, and N. R. Tacklind, of Drayton, secretary.

At the fair grounds, the Farmers' Elevator Association commenced their convention with 75 delegates present. C. B. May, of Harwood, is president, J. W. Wasson, of Velva, vice president, and A. M. Baker, of Fargo, secretary. In the afternoon the convention was addressed by Charles Edward Russell, the noted writer, George S. Loftus, Judge M. J. Munn and Benjamin Drake.

Besides these conventions, the State Abstractors' Association and the Chiropractors' society are holding their annual meetings.

Ideal weather has made it possible for the attendance to be very large and the city is crowded. Extensive preparations have been made by the citizens to care for the great crowds present. Every convention has been provided with a meeting place and the citizens have thrown open their homes to care for the crowds.

The consolidated band under the leadership of Prof. Perfect gave a concert on the streets about 1 o'clock before going out to the Chautauqua grounds. The band numbered nearly 100 players.

A seven and a half pound baby boy was born to Mr. and Mrs. F. R. Green last week. Baby and mother are reported to be doing very nicely at the Platau hospital.

Mr. and Mrs. A. P. Hanson and Mr. and Mrs. J. E. Nelson, of Litchville, spent the day in the city Monday.
