## COUPONS

FOR

## Boosters and Patrons

This is the week when we are giving big bunches of coupons with every cash purchase, also for money paid on account. Patrons this is a great chance for you to get a strangle-hold on some of that silverware. Make your heavy purchases this week. It will help you wonderfully in your weekly contest, and it will be a big help to your Booster.

We have decided to reward the efforts of each Booster who collects at least 200,000 Booster Coupons. To do this we have arranged to give a \$100 certificate which may be applied as cash on one of the \$300.00 pianos. These certificates may be transferred and are as good as cash on one of the pianos for six months from the close of the Booster Club. Because the certificates are transferable, the Booster securing one may sell it to a friend who may wish to buy a piano. By using it or selling it each Booster will be awarded in a substantial way, as these pianos are sold for \$300.00 at retail. On the purchase of each piano only one certificate may be used.

The Word Contest closes on SATURDAY NIGHT. Have you handed in your list? Go after that set of dishes, and the reputation of being the best word-builder.

Our Patron Club special for next Wednesday is Flour, Sugar and Coffee.

5,000 coupons with every 25c invested in the above.
