

The richest of the cream at the price of skimmed milk. Bargains for everybody. Prices will suit any man, woman or child

We have prepared this sale announcement with careful thought and deep consideration, and in presenting this bulletin to the public we do it with a feeling in our hearts that we have fairly outdone ourselves in value giving. North Dakota has never in her history experienced so warm and so fine a fall and with December almost gone we find ourselves with an enormous stock of goods on hand—in fact never in the history of our business were we so heavily overstocked at this time of the year. The coming sixteen days is when this avalanche of November goods must move. The methods we employ are a trifle different than most stores for here this is a sweeping event of the most extraordinary character in which we include all our merchandise at prices that are far lower than the prices we originally paid for the goods. Whatever your needs may be for now or the coming months you can save more money than you'll believe possible and with that understanding we announce broadcast

No matter how far you live from Valley City you will be fully paid for your trip if you attend this great sale
