

Another Stutsman County Pioneer Passes Away

Jamestown, April 17.—The family of George Severn learned today of the death of Wm. T. Melvin, father of Mrs. Severn. Mr. Melvin was one of the pioneer residents of Stutsman county and lived for many years on a farm southwest of the city in the Sharlow neighborhood. He came to Stutsman county direct from England in 1881, taking up a homestead and tree claim now known as the Lenton farm. His wife still survives him at their home in Everett, Wash., where Mr. Melvin died Sunday, April 16. There are also ten children surviving, one of whom is Joseph Melvin, the youngest, born in Jamestown. Melvin township was named after the deceased. The funeral was announced for Tuesday with burial at Everett, Wash.

Mr. Melvin and wife left Jamestown in 1893 and had resided near a number of their children who are now living on the Pacific coast, including Mrs. Oldfield and Mrs. Mary Robinson, Mrs. Frank Trubshaw, Mrs. Maggie Keith and Miss Belle Melvin. Of the ten children there were four sons and six daughters. Three of the sons are living in New York at present and one in California. The Melvin family were well and widely known in Stutsman county. The deceased was 76 years of age.

The Frank Trubshaw mentioned above is a brother of P. R. Trubshaw, of the Courier.

Miss Josie Isenhood, of Fargo, is visiting relatives and friends in the city for a week.

Dr. A. A. Lang, who has been in the hospital for a couple of weeks suffering with blood-poisoning, returned to his home in Sanborn Saturday night.

Mr. and Mrs. Hans Peterson, living on First street, are the proud parents of a baby girl, who came to make her home with them Saturday morning.

Aaron Dennstedt, the real estate dealer of Wimbledon, who was brought to a local hospital last week for treatment, was able to leave it Sunday.

Mrs. Robert Joos and little son came down from Wimbledon to attend the funeral of Mrs. John Goven. She was the guest of Miss Mary G. Deem while in the city.

Mrs. Lee Combs entertained a few ladies Saturday afternoon at two tables of bridge. Light refreshments were served later. A very pleasant time is reported.

New Instruments and New Uniforms Will Deck Out Municipal Band for Big Concert

The new uniforms for the Municipal band arrived Tuesday morning from Columbus, Ohio. They were manufactured by M. C. Lilly & Co., the greatest builders of high grade uniforms in the United States. These are of the regulation blue trimmed in black and are no doubt the most substantial as well as the most attractive uniforms ever brought into the state. They were presented to the band through the efforts of the Anderson Clothing Co., in general, and Matt Krogh in particular, by the business men of the city as a matter of appreciation for the splendid work the band has been doing towards its betterment during the long winter months just passed.

These uniforms will be worn for the first time at their concert to be given

at the Armory, Friday evening, April 28. This will be the first concert given by the band and it is to be hoped will receive most hearty support.

Under the direction of Bandmaster L. W. Hubbard the band had made rapid progress towards perfection during the winter and the concert to be given April 28 will be classic as well as popular.

A good band is a splendid asset to any city and Valley City surely has reason to be proud of its Municipal band. Tickets have been placed in the hands of the members, who are now offering them for sale. The Times-Record predicts a great sale and urges all approached to purchase as many tickets as possible. This is a good cause and we should support it liberally.

phone company and will extend the line throughout Anderson township. Perhaps some of the Stewart farmers would like to go in also.
