Platau has again located here, with office room above the First State bank and has already begun to practice. Dr. Platau has been away taking a year's post graduate work at Chicago and Iowa City, and last week was admitted to practice in North Dakota by the state board. Mrs. Platau will go east to spend several months in Brooklyn with her parents, and Dr. and Mrs. Platau will not go to housekeeping until late in the fall. Mrs. H. C. Frogen, a sister of Mrs. L. H. Frogen, died at her parental home at Montevideo, Minn., Sunday after a lingering illness from tuberculosis. Ostrander Sunday afternoon. A deal was closed the first of the week whereby Wm. Hulet became owner of the meat market formerly owned by F. B. King. Mr. Hulet expects to open the shop soon and it is expected that Mr. King will continue the management of it. C. K. Myhre was a business visitor for a few days the first of the week at Fargo. The family of F. B. King is under quarantine for diphtheria. The oldest boy is the only one as yet who has the disease. James Nelson, Peter Swenson and Morris Brorby autored to Valley City last Saturday morning and returned with two new Ford cars which Jim had sold. Ludvig and Arthur Jacobson bought a fine half-section near Ellsbery from Henry A. Wilberg last week. The last trip with land seekers that Henry A. Wilberg made to Townwer county he sold farms to Tom Longrud, Olaf Faarseth and Ing. Johnson, all of Kathryn. The farms that they bought are located near Rock Lake. Carl Field, of Joice, Ia., Swen Huso and Mr. Sand, of Lake Mills, Ia., were guests the latter part of last week at the home of Mr. and Mrs. A. L. Suby, Ed. Onstad and Sever Fjeld. Miss Selma Suby visited at the home of her parents, Mr. and Mrs. A. L. Suby, over Sunday. Prof. J. F. Taylor made a business trip to Valley City Wednesday afternoon. At the end of 11 innings the score was 5 to 8 in favor of the local boys. Tuesday afternoon the boys journeyed to Litchville and handed the boys there a defeat of 6 to 8. Yesterday afternoon the Litchville boys came here and defeated this team by a score of 15 to 17. The game was a merry-go-round from start to finish, both teams playing loose ball. Mrs. L. C. Miller left this morning on the special for Fargo for a days visit at friends. Mrs. Christ and Miss Carrie Christ, of Leal, are guests of Prof. and Mrs. J. F. Taylor this week. Mr. and Mrs. L. C. Miller and Mrs. Anderson autored to Valley City Sunday, where they visited with friends and attended Chautauqua that afternoon and evening. Druggist and Mrs. Olson, of Fingal, attended the dedication exercises here yesterday. Mrs. John O. Lee was among those that attended the picnic at Eastedge last Friday afternoon. There were a large number left this morning on the special train for Fargo to attend the state fair there today. Agent Herzog informed us that there were 75 tickets sold here, and this probably sets the record for the number of tickets sold at any one point on this line, as the reports from points west of here indicate that at this point there were more than two to one tickets sold than at any of the other stations.

Diarrhoea Quickly Cured
"About two years ago I had a severe attack of diarrhoea which lasted for over a week," writes W. C. Jones, Buford, N. D. "I became so weak that I could not stand upright. A druggist recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. The first dose relieved me and within two days I was as well as ever." Obtainable everywhere.

A GOOD FRIEND

A good friend stands by you when in need. Valley City people tell how Doan's Kidney Pills have stood the test. Mr. Sollen endorsed Doan's over five years ago and again confirms the story. Could you ask for more convincing testimony? C. A. Sollen, 617 Elizabeth St., Valley City, says, "A sharp pain in my back changed into a steady, dull ache. The kidney secretions became irregular in passage, causing me much annoyance. I doctored and used various kidney medicines, but nothing gave me any permanent relief until I used Doan's Kidney Pills, procured at the Dakota Drug Co. They removed all symptoms of kidney trouble." (Statement given October 15, 1910.) OVER TWO YEARS LATER, Mr. Sollen said: "I have had no need of a kidney medicine since Doan's Kidney Pills cured me some years ago." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Sollen has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

The party who took the casings from C. L. Jones' car, last Wednesday night, please return and that will settle the matter, otherwise a warrant will be issued. 21-24-1w

LUCCA

Nome Tribune, July 22.—Mrs. Fred Anderson left Friday for Horace on an extended visit. Mrs. W. F. Tritchler accompanied her husband on his trips for a couple of days this week. On Tuesday to Alice, Embden, Casselton and Buffalo, on Wednesday to Fingal, Oriska and Valley City. She returned by train Wednesday evening while he worked on west. Supt. S. C. Huntington, of Dilworth, was here Monday and met with the town board. He agreed that the company would fill in the slough between the N. P. track and business street. This is indeed gratifying and now we shall have room for a number of new business enterprises. A drug store, hardware and another big general store are three things that would do fine here. J. M. Beattie, superintendent of the Atlantic Elevator company, was transacting business here Monday. Mr. and Mrs. Fred Dahl returned Sunday from New Rockford. Mrs. Dahl has been spending some time visiting relatives there. Mr. and Mrs. Buhrman returned Saturday from a visit at Wheaton, Minn. Mr. and Mrs. Fred Meili and children, for some time guests of Mr. and Mrs. Casper Meili, left Thursday for Cochran, Wis. Mrs. H. R. Tendick and children left for Fargo Monday to attend the fair. Mr. and Mrs. C. F. Ellsbery and Mr. and Mrs. D. G. Ellsbery left by auto for Elgin, Minn., to be gone for several weeks. Mrs. James Conlon, Will Conlon, Mr. and Mrs. Chas. Meyer and Miss Martha Krantz, all of Enderlin, called on friends here Monday night. Mr. and Mrs. Carl Lindermann and son, Rex., of Enderlin, passed through Lucca Thursday en route to Valley City. Mr. and Mrs. P. T. Tendick, Miss Ertha and Emma Tendick, who for the past ten days have been guests at the home of H. R. Tendick, left by auto for Fargo Wednesday. On account of the great amount of water

between here and Fargo they were forced to stay over night in Mapleton and resumed their journey the next day. Miss Anna Reck, who was operated on a few weeks ago at St. John's hospital, returned Tuesday to her home, her brother, Henry, having gone down to assist her in making the trip. Rev. R. C. Mueller went to Nome Friday and brought back a Ford touring car. This is surely an age of progress. Years ago when a son and heir was born into a family a go cart was purchased. It is a good thing to be reconciled with the adage that anticipation is better than realization, especially when you and your wife have been ready for two weeks to take a vacation of a month or two and the auditor simply does not put in his appearance. But Mr. Pitts is optimistic and says he'll surely be here now any day. The relief agent, Mr. Thoreson, of Bluff, Minn., came Thursday. Mrs. D. G. Ellsbery received a wire that her sister, who resides at Elgin, Minn., was very ill with pleurisy and other complications. She left Thursday night on 106. A later report was to the effect that the sister was some better. Mr. and Mrs. Wm. Portiss autored to Valley City Saturday and from there on to visit relatives in Montana. Our Lucca band furnished music for the big day at Eastedge Friday. We are glad that Eastedge is such a good judge of good music. Our band is surely a credit to our town.
