

From Monday's Daily

Louise Schaffer, Alma Young and Stella Benzinger were Jamestown visitors yesterday.

S. A. Olsness, state commissioner of agriculture, was a Valley City visitor Sunday.

The rain which fell yesterday caused the suspension of the usual Sunday band concert in the park.

Mr. and Mrs. I. N. Jobe and daughter, Miss Mertice, returned from Minneapolis Sunday night. They had been down visiting Harold. Harold is reported as feeling fine but is very weak.

Mrs. Rees of Hamburg, Iowa, and Mrs. Dyke and little daughter, of Des Moines, Iowa, arrived last evening for a visit with Mr. and Mrs. J. E. Jones. Mrs. Rees is the mother of Mrs. Jones and Mrs. Dyke is a sister.

E. Pfeifer, who has been assisting Rev. Bohnhoff this summer in his work, left last evening for St. Paul to resume his studies. Mr. Pfeifer has been assisting Mr. Bohnhoff for the past three months.

Rev. J. F. L. Bohnhoff and Lawrence, were at Jamestown yesterday helping to officiate at a mission festival given at that place. They went up in Steve Bush's car and were accompanied by Mr. Bush, Mrs. Feldman and Mrs. Charley Maier.

Young men, the schools need you and will pay you well if you will make teaching a profession. The Valley City Normal school invites you to enroll for the fall term September 28. Write for catalog. 2-1tw

Vaughn Cowell and family autoed down from the farm near Cooperstown yesterday, and visited at the home of his parents, Mr. and Mrs. Lee Cowell. They returned home in the afternoon and we expect found the trip a muddy one.

John Fenstad, who farms north of town, reports a yield of 18 bushels of Marquis wheat to the acre, weighing 58 pounds to the bushel. Pretty good crops are reported in the Eckelson and Spiritwood neighborhoods.

Dr. E. R. Roberts is telling that he made the trip to Fargo and back recently with his Willys-Knight car using only five gallons of gas to make the round trip. The trip was made on a wager and Doc claims to have won the money. We will tell the world that is going some.

The North Dakota Bankers Association is offering a reward of five hundred dollars for the capture of any bank burglar dead or alive. The deader the better. No questions will be asked by the authorities as to the mode of killing bank burglars if you will only bring them in dead and claim the reward.

Heavy rains are reported in various localities yesterday afternoon and last night. At Valley City we had a couple of heavy showers but they did not last long enough to soak down very much. Threshing has been delayed for a day or two, which is the first time the machines have had to shut down since they started on account of wet weather.

The Westernman Brothers Carnival Co. and Toyland Shows arrived in the city late Sunday afternoon from Fargo. They have pitched their tents north of the Catholic school. The shows will open up this evening. The company will be here for several days.

George E. Spears, world's champion straight rail billiard player, will give an exhibition at the Club Billiard Hall soon. Spears offers odds of 100 or no count to all comers and will meet the best local stars in 200 point games. He holds the world's record high run of 5,041 points at straight rail billiards, made at Jackson, Mich.

Mr. and Mrs. G. L. Isensee and children who have been residents of Valley City for a long time, leave this evening for their new home at Fargo, where Mr. Isensee is connected with the Security National Bank of that city. The many friends of the family regret their departure but wish them unbounded success and happiness in their new home.

Following a home talent entertainment at the village of Wells, Minn., a straw vote was called for from the audience on Harding and Cox. Both men and women were present. The gathering was wholly nonpartisan and the intention to take the vote had not been announced previously. Of the 600 ballots cast two were for Cox and 598 for Harding.

John Holzman passed away at six o'clock Saturday night after suffering for some time from the effects of injuries received through an automobile accident. Mr. Holzman some two or three weeks ago went out to crank up his automobile and met with the injuries that ultimately caused his death. The car had been left in gear, and when he cranked it it started up and he got caught by his clothing and was dragged around and severely hurt. From these injuries he never recovered. The deceased was about 58 years old and leaves a family of three besides his wife, two daughters, and one son. The funeral was held at the Catholic church at ten o'clock this morning. The family have the sympathy of their friends in this bereavement that has befallen them.

Up to Saturday afternoon, Charles Pettibone, who is taking the census of the city, reported 4,932, or 246 more than the January count. He had the Shyenne flats and Elmwood and Crescent avenues left to take. He estimates that the final count will give Valley City between 5,100 and 5,200 population, an increase of 400 over the federal census taken in January. This is quite a nice gain.

L. L. Stair, warden of the state penitentiary, and Geo. A. Totten chairman of the state board of administration, were here Saturday. They came down to purchase for the penitentiary the Normal school herd of Holstein cattle. President C. E. Allen informs the Times-Record that seven registered cows were sold, one registered heifer, and a registered bull, purchased from the herd of Schroeder, of Minnesota, famous for Holstein prize cattle. The animals are to be shipped today to Bismarck to become part of the property of the state at that point. Mr. Allen says it has been hard work getting these cows milked and looked after, on account of the shortage of help.

Dr. E. A. Pray has been signally honored by being elected a member of the American College of Surgeons, one of the most coveted honors that can be bestowed on a member of the medical fraternity. Dr. Pray received official notice of his appointment this morning. The convocation of this body will meet in Montreal on October 15, this year, and at that time the doctor is expected to be present to receive the right hand of fellowship into that body. You may safely bet that if all goes well Dr. Pray will be there. It is a very distinguished honor that has been conferred upon him and he appreciates it very highly. The Times-Record takes great pleasure in offering its congratulations to a very worthy citizen.

A. L. Green's baseball team suffered a crushing defeat Sunday afternoon, when the Allison team of Fargo defeated them 8 to 2. The Fargo boys were a team that worked together, which was noticeably lacking in the Valley City team, which might be reasonably expected since they have not played together, except to practice, more than a couple of times this year. McGarry pitched for Valley City. The rain spoiled the prospects for a good game, and a good many fans did not suppose a game would be played. However, the sprinkle which fell seemed to put the diamond in first class shape, thereby eliminating the dust which might have arisen and caused some discussion in close plays. Mr. Green has not decided whether he will challenge any more of the teams about the country or not.

From Wednesday's Daily

"Jack" Healy is up from Fargo looking after business matters in the city today.

B. D. Williams and wife, of Cedar Falls, Iowa, were Valley City visitors yesterday.

Fred Olsen, of Fargo, was here yesterday greeting his many friends in the city.

H. C. Aamoth and family spent Sunday in the city, making the trip by automobile.

Floyd F. Tenney is up from Fargo and spent last night in the city. Floyd has to come back to the old town every so often.

Lynn Cowell and family are moving into their own house on First street, known as the former E. T. Burke home.

W. M. Goodwater and family, of Minneapolis, Minn., spent last night in Valley City, and continued on their way west today.

Mrs. E. W. Simpson, who has been spending a month or more in Minnesota and other points, returned home yesterday.

Miss Gertrude Bergen has gone to Seattle, Wash., where she has secured a position in the public schools of that city.

Mrs. C. F. Mudgett and children, who have been spending the summer months at Shoreham, Minn., returned to the city yesterday, making the trip home by automobile.

Our Saviors Lutheran Aid meets Thursday, Sept. 2, in the church parlors. Circle No. 4 entertains. All are welcome. Sunday school next Sunday at 12.

The funeral of the late Hans Thompson will take place tomorrow afternoon, Thursday, Sept. 2, at 2 p. m. Services at Our Savior's Lutheran church.

Mrs. Sam Hall and little daughter Helen, will arrive from Chicago today to visit Mrs. Herman Stern and Mrs. P. J. Hyland for a few days. Friends of Mrs. Hall will no doubt be pleased to greet her.

Miss Edna Hackett has returned to Seattle, Wash., after spending her vacation with Mr. and Mrs. D. S. Ritchie. Miss Hackett is now starting on her second year as a teacher in the Seattle schools.

Miss Dorothy Hoster left Sunday night for Buffalo, N. D., where she will teach school the coming year. Miss Hoster is a graduate of our state normal school. We wish for her success at Buffalo, her first year of teaching.

Mr. and Mrs. A. S. Sigurdson were Valley City visitors yesterday. They were busy getting their household goods ready to move to Fargo where they expect to make their permanent home.

George Isensee and family have moved to Fargo to reside. We hate to see all these good people moving down there but Fargo is to be congratulated upon getting some live wires in the town.

Dr. Palmer and family have returned from a vacation trip spent at the Minnesota lakes. They returned Monday evening. Mrs. Lees of Minneapolis, Mrs. Palmer's mother, re-

turned with them and will spend some time here visiting with the family.

E. L. Foulks, assistant cashier at the Security National Bank, has got out of the regiment of house renters and has purchased the home formerly occupied by George L. Isensee, who recently moved to Fargo. He was moving his household goods into the new home Tuesday.

P. J. Connolly, of the Valley City Plumbing and Heating Company, is the proud father of a fine son born to the Connolly family on August 30. P. J. is recovering rapidly from the shock while the boy and his mother are getting along fine.

"Probably light frost" was the weather prediction for North Dakota yesterday. However, we believe that it failed to materialize, although it was rather chilly. Let's hope that frost will not hit us for a few weeks yet.

The Valley City Normal School receives federal aid for its new department of Hygiene and Physical Education. Only about 30 schools in the United States receive this recognition. Fall term opens September 28. Write for catalog. 2-1tw

W. A. Jarvis and Miss Alice Taylor, a student at the Normal school during the last year, were married at Aberdeen, S. D., on August 26, and have returned from their honeymoon trip. They expect to make their home in Valley City. Congratulations are extended.

Silas Zwright, formerly engineer on the N. P. pusher at Valley City, and known to a number of our people, has received a deserved promotion. He has been appointed mechanical superintendent of lines east of Paradise, Montana. The position is a very good one.

During the fibre mill fire Chief Swanson lost a very fine gold coated star that he values very highly. A reward of \$25 is offered for the return of this star. Here is a great opportunity for the boys and girls of the town to go there and hunt for the missing star and earn \$25. It was lost somewhere around the buildings.

Although we have heard of no arrests in the locality for hunting before the season is open, the game wardens are on the job just the same, and have run in a few offenders in different parts of the state. The best policy is to wait until the season opens up. Then you have to be careful and not get more than the bag limit or you will suffer the consequences if the crafty eye of the warden spots you.

There is to be a meeting of the Commercial Club tomorrow night at 8 o'clock. Mr. Wenzel, of Fargo, is to speak to the business men on matters of importance and a big attendance is requested at this meeting. All members of the club are urged to be present and show that gentleman that we have a live club. Remember it is tomorrow night at the club rooms in the city hall.

Will Lewzader and his partner Mr. Anderson, have been busy for some time painting the exterior of St. Catherine's Catholic church which greatly improves the looks of this edifice. The job of painting the tower and especially the cross at the top was some job as the boys had to build a scaffold to get to the top. The boys should practice steeple chasing and then they could shin up the steeple like a cat.

Heiling Bros., who recently purchased the Sampson Billiard Parlors from J. H. Sampson, took possession this morning, the first of September, Mr. Sampson turning over the keys to these gentlemen. In this connection we might state that A. L. Green, who runs a lunch counter in the same building, states that the transfer will in no way effect his business and will go right on, serving meals to the public.

Attorney Lee Combs returned to the city this morning from St. Louis, Mo., where he had been attending the American Bar Association gathering as a delegate from the state of North Dakota. Mr. Combs was elected general councillor for this state, one member from each state being elected for this body. Mr. Combs is very much impressed by his visit to St. Louis and the big gathering where he was fortunate in meeting some great men, including Sir Eric Geddes. Many lawyers of note in the country were present at this gathering.

Civil war has broken out in town. The Valley City Grocery Co. employees, after witnessing the drubbing administered to A. L. Green's baseball team last Sunday have decided that their company boasts enough players to at least even up the score, and have challenged the management to a game for next Sunday. If the challenge is accepted, and it no doubt will be, there will be fur flying when the two teams clash, as each one is out after the others "blood." If any more harrowing details come forth, they will be announced.

The management of the baseball association wants it understood that the dance that will be given the coming Saturday evening (Sept. 4) is not being given by individuals. It is being put on for the purpose of wiping the slate clean, as far as finances goes, of the baseball association which is still a few hundred dollars short. This will perhaps be the last big dance of the season on the city bowery and the opportunity should be taken to enjoy yourselves next Saturday evening. Malchow's Orchestra of Fargo will furnish the music for this occasion.

Attorney John F. Sullivan, of Mandan, N. D., accompanied by Mrs. Sullivan and their little son, passed through the city last night en route home. They had been down in the eastern states visiting since July 12,

making the trip by automobile. Mr. Sullivan is the attorney who made such a splendid fight for the rights of the newspaper boys before the supreme court of the state and won a victory in the fact that the court failed to say that the present obnoxious law was constitutional. The court's verdict was one that you have to guess at.

The Times-Record received a call this morning from Rev. C. G. Fox, the new rector of All Saints Episcopal church. Mr. Fox and family arrived here Monday and are now getting settled in the rectory mansion. Mr. Fox comes from Glenwood, Minn. He is very much pleased with Valley City and likes the looks of the country around here. Mr. Fox for many years was in missionary work in western Canada, where he labored among the Indians and lumber-jacks. He has a very broad view of human nature and his experience among these men in the wilds of western Canada has given him a broader humanitarian view of these men whom we are led to believe are roughnecks. He saw for eleven months and a week of each year the good side of these men who only came to town once a year and then for three weeks had a hot time—the rest of the year he says these men were real fine fellows. Mr. Fox was overseas during the war and served three years as a chaplain. He has a wife and two children. He impresses us as being a live wire. We certainly wish for him success in his work here and welcome himself and family to Valley City.
