

# THE WEEKLY TIMES-RECORD

VOL. XLVI—NO. 30.

VALLEY CITY, NORTH DAKOTA, THURSDAY, JULY 6, 1922.

ESTABLISHED 1879.

## HI-LINERS TAKE TWO FROM JAMESTOWN

The rejuvenated Hi-Liners made themselves solid with the fans of the city and earned a lot of forgiveness for themselves by taking two straight games from the Jimkotsans on Monday and yesterday. The team is acting a lot different in the field under the management of Louis Bachant and surprised the visitors in the series. They are playing baseball for the first time this season and are fighting their way thru all the time.

In Monday's game Jamestown never had a chance. Enger was on the mound for the locals and pitched excellent ball. Contrary to previous performances the visitors were not spotted three runs in the first but were set down in one, two, three order. The Hi-Liners took three in the first, two of them being earned runs, the other being the only unearned run of the game. In the second frame the Hi-Liners batted clear around and ran up a total of five runs. Hart connected for a homerun in the seventh, parking the ball some place down on Fifth avenue. Gilbert was one of the hitting stars for the game in the number of safe blows, getting four singles in five times up. Menne starred in the hitting with two singles, a double and a triple for four times up. Several errors were charged during the game, there being considerable loose playing, but none of them costly.

In yesterday's game the visitors were lucky to get a run. Keegan, first man up for the Jimkotsans, clicked out a homerun that should have been an out. Whiting, in left field, misjudged the ball and ran in on it, the ball going over his head. He could still have held Keegan to three bags if he had shown signs of life but he trotted after the ball and by the time he got it back to the infield Keegan had chalked up the first counter for the visitors. Brindza was on the mound for the locals and made himself solid with the fans. He is a real pitcher and seemed able to send the visitors to the bench whenever he wanted to, the first five innings only letting sixteen men face him. The game was tight until the sixth with the visitors leading at 1 to 0 when Brindza hooked up for a single. Lane struck out and Dean flew out to center. Gilbert drew a pass and Hart came up with two men on and two down. He took a healthy swing at the ball and landed on third, scoring Brindza and Gilbert. Wenz followed with a double and scored Hart, making three runs for the Hi-Liners and putting the game on ice. Wenz was caught at third and the side retired. By previous arrangement the game was called at 3:00 o'clock to enable the players to get to Jamestown for the evening game.

The box score and summary:

## BIG CROWD AT JULY 4TH CELEBRATION

The crowd which attended the Fourth of July celebration at Chautauqua Park yesterday was estimated at over 5000 persons. During the program in the auditorium the grounds were filled with people. That this immense crowd was handled without the reporting of a single accident for the day speaks well for the efficiency of the police department. The members of the force are to be commended for their handling of the crowd and the courtesy exhibited at all times.

The day's program opened with the band concert on the street at about 10:00 o'clock by the Valley City Municipal Band. That we have a real band in the city is admitted by everyone but it takes expression of appreciation by an outsider to bring them to our notice some times. Mr. Ward of the Ward, Waters Co. stated that it was one of the best bands he had heard in a city of anywhere near this size and added that their performance and willingness to play at all times and the real high class band music which they rendered, showed them to be an exceptionally good organization.

The program of sports was started promptly at 1:00 o'clock. These sports were the usual foot races and freak races which add to the general hilarity of the occasion. All events were filled, not less than five persons entering for any event. D. S. Ritchie acted as starter for these events and L. E. Hedstrum, Archie DeLancy and Mr. Nybeck acted as judges.

The afternoon program consisted of several musical numbers by the Ward Waters Company and an address by Preston Bradley, of the Peoples Church of Chicago, Ill. His address was a very good one and was thoroughly enjoyed by everyone. At 5:00 o'clock the water sports were started consisting of canoe races, high diving, distance diving and men and women swimming races. These events were all filled and were decidedly interesting to the spectators. The boy's tub race was not held as the tubs persisted in sinking.

The Ward Waters Co., entertained the crowd in the evening. This company is very good but hardly had enough volume for such a large crowd. Yesterday's program concluded the 1922 session of chautauqua. The management states that the talent secured was very good and received less unfavorable criticism than had been accorded chautauqua talent for several years.

## I. V. A. RETAINS PLURALITY IN STATE SENATE

Fargo, July 3. — "We have the senate," I. V. A. headquarters declared at 2 o'clock to the United Press. "We do not concede the lower house. We are sure of Hyland for lieutenant governor, altho in some doubt as to the nomination of George Shafer for Attorney General. Olness and Kitchen for commissioner of agriculture and labor, we do not concede them. We do not concede the railroad commissioners."

Bismarck, N. D., July 3.—W. B. Denault, manager of the farm loan department of the Bank of North Dakota under the Nestos administration severed his connection with the department with the end of June and will return to his private business at Jamestown. He will be succeeded in the active management of the farm loan department by C. R. Green, director of the bank and A. H. Lindeman, who has been Mr. Denault's first assistant.

Mr. Denault was drafted to do the organization work in the department and is leaving what he considered an efficient machine for the continuance of the work.

Jamestown	AB	R	H	P	O	A	E

Jamestown 100 000 00—1

## LOCALS DROP THREE GAMES TO WATERTOWN

The Hi-Liners dropped all three games, the one Saturday afternoon and the double header yesterday, to the Watertown Cubs. The first two games the Cubs took easily but the final game yesterday afternoon the Cubs can feel thankful for.

In Saturday's game Bell took the mound for the locals and was clouted heavily until the sixth when he was relieved by Ross. Ross didn't hold the visitors any better and they had things pretty much their own way for the afternoon. In the fifth frame Mokate, Cubs manager, argued a first base decision and as a consequence was relieved of \$20.00 and chased out of the park. Higgins took his place in left field. Standaert was the batting star in this game, getting two singles, a double and a triple in five trips to the plate.

The first game yesterday afternoon was a sore disappointment for the fans. Michaelson started the game but was wild and ineffective, the visitors getting seven passes off his delivery and fattening their averages to the extent of ten hits, but only one of them for an extra base. He was relieved in the fifth by Delman who held the Cubs down in fine style. After Delman got on the rubber the scoring ended for the visitors and the locals put three men over the pan but were unable to overcome the lead Michaelson had presented them with.

Brindza went in for the final game yesterday and pitched mighty good ball, striking out seven men in the six innings. The Hi-Liners led the way for the first five innings and at the start of the sixth had the visitors at 3 to 0. In the sixth two doubles, two singles and two errors allowed 4 runs for the Cubs. The Hi-Liners went to bat but were unable to score and the game was called with the score at 4 to 3 at the end of the inning, the state law requiring baseball to stop at 6:00 o'clock on Sunday.

Bachant worked behind the bat for the first time and Whiting, former manager for the Fargo Athletics, held down the left garden yesterday.

## HI-LINERS WIN THIRTEENTH GAME

The Hi-Liners boosted their percentage a little yesterday by clouting Hering, of the Watertown Cubs, out of the box, making things uncomfortable for Anderson, and piling up a total of 10 runs while the Cubs were chalking up 5. Enger was on the mound for the locals and pitched good ball after he got mad in the second. He was a little wild in the first and the Cubs collected the customary three runs in that frame when Trimmer drew a pass and Knybel tripled. Standaert drew the second pass for the frame, Conway sacrificed and Purpura and Makate both singled, putting Knybel and Standaert over. The Hi-Liners didn't get going in the first but tallied one in the second with their only unearned run of the game. A pass to Wenz, an error by Standaert and a single by Carlson put the run across the pan.

The gang got going in the third when Lane drew free transportation and Dean got life on a fielders choice. Gilbert singled and Hart died on a short bunt. Lane died at home. Wenz clicked out a double and put Dean and Gilbert over and Menne followed with a triple, scoring Wenz. In the sixth the Hi-Liners batted around. H looking as though the fire department would have to be called but Mokate sent Anderson to the rubber and he stopped the fun. Carlson, first man up, singled and Enger whiffed. Lane singled, Dean and Gilbert both doubled and Hart, Wenz and Menne each singled. During that frame Menne broke the record by swiping second. The inning netted five runs. In the seventh Enger singled. Lane was hit by a pitched ball and Dean and Gilbert each singled, putting Enger in the score column. That frame netted two to the visitors thru two singles and a double.

The boys certainly fattened their batting averages yesterday, everyone clicking the ball at least once. The fielding was featured by three double plays by the visitors. Lane made a few snappy throws to Menne and Dean got a one handed spear in short center that he had no business going after. Enger whiffed six men, made one wild pitch and issued three passes.

The box score and summary:
