

COMMISSIONERS INSPECT SCHOOL

Trail County Solons View Model Rural Building at Mayville Normal.

Mayville, N. D., May 14.—The annual junior reception to the seniors was the feature of last week. For some time there has been considerable mystery among the members of the upper classes as to what the juniors were preparing for the event mentioned and all was expectancy and the juniors met the expectations in a very creditable manner last Friday evening when they presented the three-act play "A Scrap of Paper." The guests were the members of the senior class and of the faculty with the local normal board member and the former member, Messrs. M. L. and G. L. Elgen with their wives.

The play was well presented and the several characters took their parts in a manner that was pleasing and that displayed excellent training by Miss Zichy who has charge of the department of expression. The piano music to the acts was a pleasant feature of the entertainment.

After the play the juniors tendered a very pleasant reception to the seniors and others present. Light refreshments were served and the juniors are to be commended for not having given one of the most pleasant receptions given by classes at the school.

The junior play was presented again in the auditorium on Saturday evening when an admission was charged. A large audience was present and it was a satisfied audience that left the hall at the close of the play.

Mr. and Mrs. F. G. Fox entertained at 7 o'clock dinner last Saturday evening.

The department of art under the direction of Miss Perry has planned an art exhibit for the school during this week that is of considerable educational value. The exhibit consists of art and construction materials and of graded work done in the public schools. The materials have been sent by the committee dealing particularly with this line of materials. The exhibit is placed in the art room and is being not only viewed but studied by the students and especially those who expect to go out to teach next year. The companies contributing are Atkinson and Mentzer, Scott Foreman and Fremont.

President Henry L. Southwick will appear at the normal school on the evening of May 25 and will give a recital of "The Rivals." President Southwick has been here before and delighted his hearers then. He will do the same this time. His fame as a reader is well known and at the Emerson school of oratory in Boston of which Mr. Southwick is president.

Mr. Woodruff, representing a Bismarck electrical company, presented a part of Tuesday at the normal school making an examination of the building with a view to making a bid on the re-wiring to be done during the coming summer.

John A. Olson, formerly state superintendent of public instruction in Minnesota and now representing the Northwestern School Supply company of Minneapolis, was a business caller at the school and expresses his pleasure in seeing the endeavor toward the solution of the rural school problem.

The commissioners of Traill county stopped to see the model rural school on Tuesday when they were in Mayville on a business trip. These men, too, were interested in the problem that the school is attempting to solve and as well in the other practical work of the normal school.

Dear Wick, a nursery man from Grand Forks, recently presented elms and other trees recently purchased from him by the school. These are in part to take the place of the cottonwoods recently cut down.

Calls for commencement speakers are coming in rapidly now. Mr. Hillier will go to Souris, Mr. Fox to Hatton and to Bismarck, Mr. Southwick to Cavalier, and it is noted that those who will go to each of some other places asking for speakers. All names will be recommended so far as possible yet not too many teachers must leave at the same time since then the work of the normal school would suffer too much.

Relieves Bladder Distress and Weakness. Irrregular, painful bladder weaknesses disappear when the kidneys are strong and healthfully active. Take Foley Kidney Pills for that burning, scalding sensation—irregular, painful action—weak, sore feeling and bladder distress. You will feel the tonic restorative effect—the relief from pain—quick good results. Contains no harmful drugs. Try them—McGrath's Pharmacy—Adv.

One kiss, more kisses: one Miss, then Mrs.

IN PHILADELPHIA. Cop—Stand back! Give the guy some fresh air! Bystander—Huh! That might kill him—'s from Pittsburgh!

DON'T SUFFER WITH ITCHING USE RESINOL

My, what relief!—The moment Resinol ointment touches any itching skin, the itching stops and healing begins. With the aid of Resinol Soap, it quickly removes all trace of eczema, redness, pimples, eruptions, and other skin troubles, leaving the skin clear and healthy. It is equally effective for sore, boils, dandruff, rough hands, dandruff and itching hair.

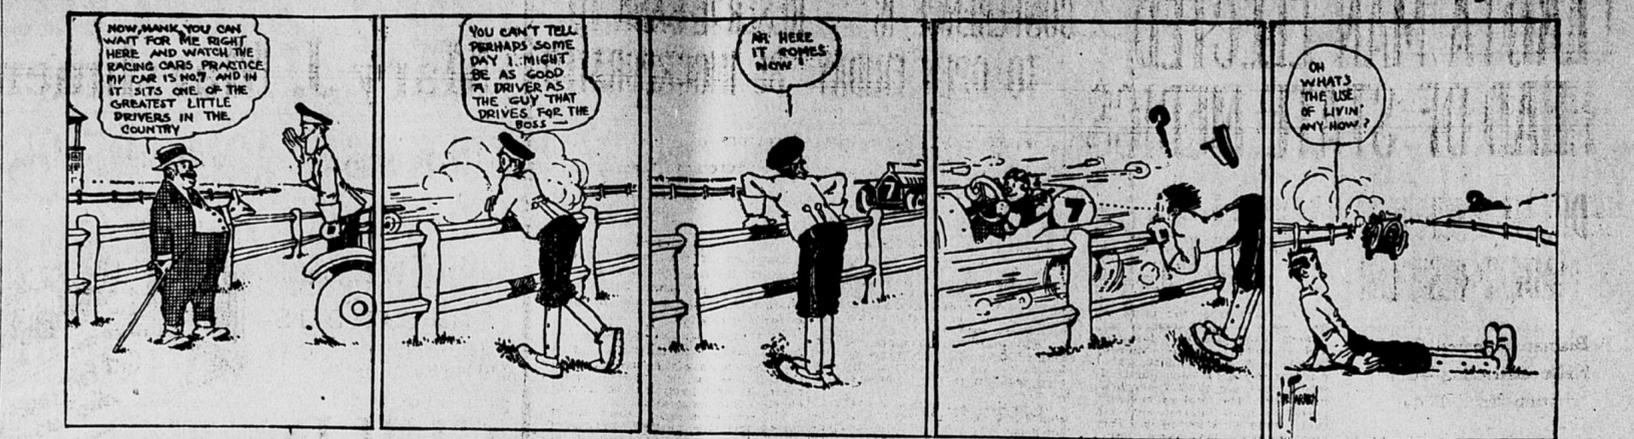

Resinol never penetrates to use Resinol. It is a doctor's prescription that has been used by other physicians for the relief of skin troubles. It is the only skin treatment that contains no harmful ingredients and that is safe for the most sensitive skin.

HANK AND KNOBS—Hank Had Hopes

GARDENED PART OF MANDAN SITE

Pioneer Resident Who Succumbs at Thief River Falls was Ft. Lincoln Attachee.

Mandan, N. D., May 14.—Alonzo G. Schaefer, aged 82 years, who at one time used the present townsite of Mandan as a garden, died at the home of his daughter in Thief River Falls, Minn.

The deceased was one of the earliest settlers in this section of the state, coming here in 1877 from Iowa. He was employed for a number of years at old Fort Lincoln, and working as a carpenter helped erect the old fort buildings and the officers' homes.

For a number of years he conducted a truck garden on the original townsite of the city, before the railroad came through here, and while the town was then located near the Bolet farm six miles north.

He was employed in the government mail service and drove the first mail stage between Mandan and Stanton.

He made his home here until about five years ago when he and his family moved to Bismarck. From there they moved to Thief River Falls, Minn., about a year and a half ago.

Mr. Schaefer suffered a stroke of paralysis about a week ago while working in his garden at the Thief River Falls home.

He leaves his wife, one son and three daughters, Adam J. Schaefer, who is a railroad conductor in Canada, Mrs. L. D. Wiley of St. Anthony, Mrs. Laura Adkins of Thief River Falls and Jessie of Thief River Falls.

Mrs. Schaefer is a sister of Mrs. George Harmon of Bismarck and Mrs. S. T. McVey of this city.

The funeral will be held at Thief River Falls tomorrow afternoon, interment taking place there.

DAKOTAN PROMOTED

Fargo Man is Made Assistant Naval Constructor.

Fargo, N. D., May 14.—The Army and Navy Register brings the information that Ensign Walter Webster, son of Mr. and Mrs. C. E. Webster of Fargo, has been promoted to the rank of lieutenant.

Mr. Webster is a graduate of the United States naval academy and was third man in his class. He has been studying naval construction. It is making good again is shown by his latest promotion.

WILL BUILD MILL

Co-operative Company, With W. E. Breen President, Launched.

Bismarck, N. D., May 14.—When the stockholders of the Farmers' Union Warehouse, Milling and Mercantile company held their first meeting in Bismarck, W. E. Breen was chosen president, G. N. Varnum, vice president, H. E. Knapp, secretary, Charles Swenson, treasurer, W. Breen, George Gabel, Irvin Small, Martin Bourgeois and G. N. Varnum, directors.

When the charter was issued a short time ago the company was capitalized at \$10,000. Over half of that amount is on a strictly co-operative plan. The date was selected at a committee meeting held here yesterday.

Address will be given by Lewis J. Crawford of Bentley, Supt. J. E. Phelan of Bowman and J. E. McFadden of Fargo. Other speakers will be secured.

The arrangements for the group meetings are being made in the districts of the state prior to the annual meeting of the North Dakota bankers' association to be held in Williston, July 1, 2 and 3.

RECOMMENDATIONS ACCEPTED. Minot, N. D., May 14.—Recommendations of the city commissioners at the regular meeting a week ago by President Bidd, were taken up at the meeting of the North Dakota bankers' association to be held in Williston, July 1, 2 and 3.

TO LOCATE NEW ALASKAN RAILROADS

Lieut. Frederick Mearns (left) and William C. Edes. These two men have just been appointed by President Wilson as members of the Alaskan engineering commission, which is to have charge of the location of the new government railroads in Alaska. Lieutenant Mearns was the chief engineer of the Panama railroad and was suggested for this new work by Colonel Goethals. Mr. Edes was formerly the chief engineer for the Northwestern Pacific railroad in California.

Methodist Minister at Dunseith Is Man of Successful Methods In Building Community Spirit

Devils Lake, N. D., May 14.—When the history of Dunseith, N. D., is written, a paragraph or possibly two will be devoted to Rev. R. Montague Bickle, known to very few outside of the three parishes in which he served.

To one examining the conference records of the Methodist church of North Dakota, might naturally come the conclusion that Rev. Mr. Bickle is a failure. If securing members for the Methodist church were the criterion by which he were to be judged, there could be no mistake about it for in the eight years that he has served in Dunseith he has secured but eight members of the church.

And that's the way the word "failure" is repeated after the interrogator.

"Not on your life!" was the firm reply. "I endeavor to help Presbyterians to be better Presbyterians, Catholics to be better Catholics, Episcopalians to be better Episcopalians."

Dunseith "get along" the word creed and sect has been banished. That is how the spirit of comity is developed. Some time, after the new church has been dedicated and other parish needs looked after, the pleasant little preacher from the mountains hopes to take his wife back for a visit in England where they were raised. Before coming to the United States Rev. Bickle spent some time in Labrador, later coming to Boston from here from a school in Rapid, Minn. He was a member of the local G. A. R. and funeral services will in all probability be held under the auspices of the organization.

LET CONTRACT. Spiritwood District to Construct Modern Building. Jamestown, N. D., May 14.—A contract for the construction of the new school house at Spiritwood was awarded to L. W. Holder of Forman, N. D. for \$11,004. The heating and ventilating contract was awarded to the Valley City Heating & Plumbing company at \$1,583. The bonds voted for a new school house were for the sum of \$8,000 and, with \$3,000 on hand, a building worth \$11,000 was expected to be secured, complete for all purposes. The bids of contractors, however, show that the building will cost \$3,000 more than there is money provided and the question arises whether to raise more money for the purpose or keep within the limit assigned.

JEWES TO HONOR WERGELAND. Fargo, N. D., May 14.—On Sunday afternoon a novel service will be held in Fargo when Jewish residents will gather around the statue of Wergeland in Island park; appropriate addresses will be made. Wergeland, one of Norway's most famous writers, took up the question of permitting the entry of the Jews into Norway, which had been prohibited for years. His advocacy of the plan won the necessary permission and to show their appreciation, Jews of Fargo, on the hundredth anniversary of Norway's independence, will gather around the statue for the special service.

WAR "VET" DEAD. Nathan Abbot Passes Away at Fargo Home. Fargo, N. D., May 14.—Nathan A. Abbot, aged 54 years, a veteran of the Civil war, died at his home at 1433 First avenue south, last evening after a short illness. Surviving relatives are his wife, and four daughters, Mrs. Nellie Williams, living at Benton, Wash.; Mrs. W. G. Halliday of Bellevue, Wash.; Mrs. Stella Laird of Galt, Co., and Mrs. Ina Dunn of Watson, S. Dak. Funeral services will be announced later.

JAMESTOWN WANTS CARNIVAL. Jamestown, N. D., May 14.—Secretary Hans of the Commercial club is in correspondence with Rice & Dore, proprietors of a carnival company, with a view of securing an engagement here for the week beginning Monday, July 20 and extending over Saturday, July 4. A proposition was made to the city council by the Commercial club a short time ago, looking to securing a carnival company for the city, but no understanding was reached at that time. There is a prospect, however, that a contract with the company will yet be made for holding a carnival here.

You Can Save Money by buying Hunt's Perfect Baking Powder and Flavoring Extracts

They comply with all pure food laws and satisfaction is guaranteed or your money cheerfully refunded.

If you have not used them Why Not Now?

ENDERLIN PEDDLER HAD NO LICENSE

Harry Clark Arrested While Disposing of Carton of Tobacco.

Enderlin, N. D., May 14.—Excitement over the capture of a young man supposed to be a member of a box-car gang of robbers ran high, when Harry Clark was arrested for peddling without a license.

Clark pleaded guilty to the charge of peddling without a license. He was fined \$3 and costs by the magistrate. Not having the money he was set to work on the streets, but his labors lasted only a few minutes, for he made a quick getaway.

The question which has bothered the authorities since the escape of the young man is, "Where did he obtain the carton of tobacco which he was trying to sell?" Some believe he stole it from freight cars and others are as positive in their assertions that he was a fence for a number of bandits that have worked along the Soo line for some time. The officers are on the lookout for the erstwhile peddler.

GIVE UP TRIP

Railroad Commissioner Postpone Southern Trip.

Bismarck, N. D., May 14.—The railroad commissioner returned from their trip to the southern tier of counties Saturday night. The intention had been to make a more extended tour, considerable of it by auto from point to point where train connections were not good, but the condition of the roads make the trip out of the question until probably next week.

DISTRICT MEET

Federation of Five Counties Holds North at New Rockford.

New Rockford, N. D., May 14.—A district convention of the Federation of Five Counties was held in New Rockford, May 20 and 21. The counties to be represented are Eddy, Foster, Wells, DeWitt and Barnes. There are twenty-five clubs in the district and there will probably be seventy-five delegates present. The convention will be held at the Methodist church, and the program will be devoted to civic improvement. Prof. Ladd of the agricultural college and Mrs. White of Valley City are prominent among the public generally will be welcome at these meetings.

JOYRIDERS BURN AUTO

North Dakotan Loses Machine at Fargo—Found on Highway.

Fargo, N. D., May 14.—A five passenger Overland car belonging to Mr. Jondahl of Galesburg was taken from a barn on a farm near Vance, where Mr. Jondahl lives, and later was found partially burned beside a road near Vance.

Mr. Jondahl left the car at the farm because of the muddy roads, which prevented him running to the city. On Sunday someone took the car from the barn and got away with it. Last night Mr. Parker of the Carhins & Murphy garage got a telephone call to send someone out to tow in the car, and it was found at the place designated, though it was not known who telephoned. It was learned that the car belonged to Mr. Jondahl.

Something About Government Ownership

It was an epoch in the world's history when the Bell System opened a long distance line between New York and Chicago, in 1893, and demonstrated that speech could be transmitted 1,000 miles.

Today the business man in Denver sends his voice clear and distinct into the office of the New York merchant, 2,000 miles distant.

A small army of skilled telephone workmen in the Rockies are now building the home stretch

of the great Bell route from New York to San Francisco, and transcontinental conversations over the Bell System will be one of the wonders ushered in by the Panama-Pacific Exposition next spring.

Last year the first 900-mile telephone line was built in Europe, where practically all telephone systems are government owned, two decades after a thousand-mile line had been in successful operation in the United States.

Bell Telephone Service Has Set the Standard for the Rest of the World.

NORTHWESTERN TELEPHONE EXCHANGE COMPANY

PERSONAL ATTORNEY FOR ROCKEFELLERS

Starr J. Murphy. Starr J. Murphy is the personal counsel of the Rockefeller family and it is he, with John D. Rockefeller, Jr., who prepared the statement that the Colorado Fuel & Iron company had voluntarily met all the points covered in the demands of the striking miners long before the strike was called or even thought of, with the exception of untangling the mines. Mr. Murphy was the personal attorney for the elder Rockefeller long before the younger entered the business world and probably knows more about the oil king's business than any other man.

MEN DIDN'T BURGLE

Scared Away from A. D. Grant Block Before Making a Haul.

Jamestown, N. D., May 14.—Burglars entered the A. D. Grant block and the T. E. Rhoads jewelry store Tuesday night, but were scared off before they had accomplished their purpose. The men entered the building from the rear, where an addition is being built, entering the basement. They then made their way up stairs to the store where their movements attracted the attention of Mr. and Mrs. Rhoads.

While Mrs. Rhoads was telephoning for the police and Mr. Grant was hunting up some shells to use in his ten gauge shot gun, the men were seen to emerge from the rear of the block and disappear over a fence into the darkness of the night.

Their identity has not yet been secured.

CONTINUE HEARING

Contempt Case at Mandan to Be Heard Friday.

Mandan, N. D., May 14.—The hearing in the case of Tex Thompson, arrested on the charge of contempt of court, was continued until Friday by request of his attorneys, Hanley and Sullivan.

Thompson was released yesterday afternoon under a \$1,000 bond.

LAKE REGIONITES ARE OPTIMISTIC

Development Boosters Have Successful Meeting at Minnewaukan.

Devils Lake, N. D., May 14.—Col. J. M. Kelly, accompanied by C. C. Connolly, attended a very enthusiastic meeting of the Lake Region Development association at Minnewaukan, where the citizens have taken a keen interest in boosting, along material, organized lines, for a greater north central North Dakota.

Other so distinguished development advocates present at the meeting were C. J. Lord of Cando, president of the association; Secretary Williams of Cando; T. J. Baird of Lakota and others. Fine addresses on the possibilities and needs of the Lake Region were given. The people of Minnewaukan were painted an optimistic picture of the future by the speakers.

In every part of the Lake Region great interest has been displayed in the work that is being undertaken by the association of which C. J. Lord is president. Colonel Kelly looks for great things along this line during the current year.

PARALYSIS STOPS SPEECH

Jud. N. D., May 14.—Mrs. A. L. Ravelly received word that her mother, living at Little Falls, Minn., had sustained a stroke of paralysis, the right side of the body being affected. Her power of speech has also been impaired so that it is difficult to understand what she says. The latest news received says that she is resting nicely and is getting along quite well, although she is still helpless and unable to move.

ANAMOOSE TO HAVE MARKET DAY

Anamoose, N. D., May 14.—Anamoose is going to have a market day this year, the date having been decided for June 2, falling on Tuesday. A market day in Anamoose usually means something that is talked about for miles around both before and after the occasion. The business men usually get together with a vim and energy that can only spell success and this year will no doubt be an exception. A full program is under process of printing and unless plans are changed, large page posters and a page German and one page in English will be printed.

You'll Crow Over "GETS-IT" for Corns!

It Will Startle You How "Gets-It" Gets Corns Every Time.

"One, two, three!" that's about as long as it takes you to apply "Gets-It," the new-plan, simplest, surest corn cure the world has ever seen. Corn fusing is all over. Corns, corn pains and calluses are absolutely done for, from the instant you apply "Gets-It." Forget the bother of useless plasters, greasy salves that spread and make toes sore and the nuisance of doughnut cotton rings that press on corns, for "Gets-It" never hurts the flesh, never falls.

"Gets-It" is sold by all druggists, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago.

"Gets-It" is sold in Grand Forks by the Lion Drug Store, Adv.
