UNIVERSITY NEWS

Social Dates to be Taken Up Committee Will Meet Next Week to Decide Time for Parties.
The social committee at the state university will hold a meeting the latter part of next week for the purpose of setting the dates for different social functions to be given at the various organizations during the coming year. Each organization is entitled to a date for a party of one kind or another. Applications for dates will be received by the committee up to Friday, October 2.

East Grand Forks

ARRAIGN ALLEGED FORGER TUESDAY
Sam Weinstein Believed to Have Operated on Both Sides of the River.
Sam Weinstein, alias Carl Lundin, is being held by the local police and probably will be arraigned Tuesday on a charge of forgery.

E. G. F. SOCIAL NEWS

Miss Laura Sullivan returned home Saturday from Minneapolis and St. Paul, where she has been spending the past three weeks visiting relatives and friends.
The Royal Neighbors will give a dancing party this evening in Gies hall. An enjoyable time is assured all who attend.
Mrs. James Powers and children of North Second street are guests at the farm home of Mrs. Powers' mother, Mrs. A. L. Steele, north of the city.

DEDICATION OF CHURCH IS HELD

Congregationalists of Williston Have Excellent Structure.
Williston, N. D., Sept. 28.—Williston's new Congregational church, costing \$32,500, was formally dedicated yesterday. The dedicatory sermon was preached by Dr. W. W. Newell, western secretary of the Congregational church building society. The dedication marked the closing of the annual state conference of the Congregational church. Many of the visiting ministers and lay delegates remained over for the services. The local Congregationalists have expended \$40,000 in the building of their church and parsonage and in the improvement of their property. The formal dedication was made at the morning services, when Mr. Newell spoke. Special afternoon and evening services also were held. Dr. Wm. Ewing of Boston spoke at the afternoon meeting, and Pres. Hansel of Fargo college and Dr. W. Swartz of New York spoke at the evening services. At noon a basket-dinner was given for the benefit of the country parishioners. New members were received at the morning services.

OVER A MILLION STATE'S REVENUE

Estimate Based on new Levy Shows Goody Sum is Available.
Bismarck, N. D., Sept. 28.—North Dakota will raise the total of \$1,747,863 by direct taxation during the coming year, that being the estimate of revenue as made by the state board of equalization, based on its levy of 4.3 mills.
State Auditor Carl Jorgenson has just issued a statement covering the estimate as made by the board of equalization. Of the total revenue, \$935,000 is apportioned to the general fund, and from it the expenses of operating the state, the legislative appropriations, etc., must all be derived. The total assessed valuation of North Dakota is \$312,900,000, the greatest in the history of the state, there being a marked increase this year because of the addition of a large acreage of new land. Under the levy as agreed upon by the board of equalization, several funds will have restricted incomes, as compared with the past year. This has special reference to educational institutions, all of which suffer a reduction in their income, created by the so-called mill tax. The board of equalization maintains that it has had to reduce the mill tax levy. Effect on Funds. On the reduced income, the wolf bounty will get only \$10,811.10 during the coming year. The bovine tuberculosis fund will get \$10,611; the glander fund, \$21,222.20; the agricultural training schools will get \$4,244.44 instead of \$6,240, while the terminal elevator fund will get \$26,527.75 instead of \$39,000.

FIGURES ARE STILL CLIMBING

Enrollment at University Has Now Reached Total of 655, Fourteen Higher Than Last Friday.
New figures given out at the university registrar's office today, show that the total enrollment at the institution is now 655, an increase of fourteen students since last Friday. On October 11 last year the total registration was 640, so that it can be seen that the enrollment is somewhat larger this fall. There are still a number of old students who are planning to register during the next week or two.

FOUR BOYS ARE ARRAIGNED

Charged with Disturbing Peace, But Released on Probation—Supt. H. E. Wolfe Complains.
Four boys—John Sticklemyer, Jacob Plette, Theodore Plette and John Straka—were arraigned in municipal court this morning on a charge of creating a disturbance. They were released on probation. Supt. H. E. Wolfe of the city schools was the complaining witness. Mr. Wolfe charged them with disturbing the peace in his neighborhood Friday night. There were fifteen or more boys in the crowd, it is said, but only four were arrested. It is alleged that they were throwing cans, sticks and other missiles and using abusive language. Judge Wm. Rasmussen suspended sentence, after giving them a severe lecture. He warned them against a repetition of the performance. Attorney J. F. T. O'Connor of Grand Forks appeared for the defendants.

INDIANS FIRED TOWN OF SHIELDS

Believed They Applied the Torch After Drunken Celebration.
(Herald Special Service.)
Mandan, N. D., Sept. 28.—Drunken Indians are believed to be responsible for fire damage this morning which nearly destroyed the entire town of Shields. The till of the pool hall was robbed and a barrel of malt stolen. It is believed the Indians robbed other places and set fire to cover the crime. A posse of sheriff's deputies are on the search and it is believed the guilty parties have been spotted. The losses follow: John Tuttle, general store, loss \$5,000; insurance \$2,000. Fetsch Implement warehouse, loss \$10,000, insurance \$3,000. Jas. Bowell, meat market and grocery, loss \$6,000, insurance \$3,000.

WILL START PRACTICE SOON

Class Games to Be Held at State University Next Saturday Afternoon.
Members of the various class football teams at the state university will start practice early this week. Next Saturday has been set as the date for the preliminary contests and the two winning teams will play off the championship the following week. Selection of the team will be on the athletic field in uniform this afternoon. All varsity men will be ruled out of the class games, but the men who fail to make the squad will be eligible to play. The class games this year promise to be unusually interesting.

STORE ENTERED

Bordulac Institution Is Visited During Night by Marauders.
Carrington, N. D., Sept. 28.—The Shaw store at Bordulac was entered by burglars and loot to the value of \$150 taken. The burglars took a variety of stuff. They obtained from the blacksmith shop the tools with which to force an entrance into the store. Percy Leax, the manager of the store, got busy the next morning and traced a grip shipped out to Zephyrus and the grip has been secured and this would indicate that the burglars at Bordulac were in more than one deal of this kind. The burglars were located at Cavalier, a few miles this side of Bordulac and Sheriff Morgan went down and took them in custody. The two men, giving their names as John Kelly and Fred Call were given a hearing before Magistrate Pryor, and waived examination and were bound over to the district court under bonds of \$500 each.

LANGDON FINS ROBBED COMPANION

(Continued from Page 1.)
from the man's back. It had been shot from a .32 caliber revolver. The doctor probed the wound, but failed to locate the bullet. Four arrests have been made in connection with the case, the one alleged to have done the shooting being included. The three others were held as witnesses. No revolver was found on the man alleged to have committed the crime, but a number of .32 caliber cartridges were found in his pockets. The men were evidently looking for work as threshers. They stated that they had just arrived at Snowflake, giving their addresses as Langdon, N. D.

POTATO RATE CASE

Dates for Hearing Set by Interstate Commerce Commission.
Fargo, N. D., Sept. 28.—Potato rates from Minnesota to points in Illinois, Indiana and Ohio will be the subject of a hearing before Examiner Dowling of the interstate commerce commission October 14, in St. Paul. The tariffs on potatoes on all the roads of the northwest have been the cause of disputes with shippers for several years, complaints having been brought especially against the Great Northern and the St. Paul. Following this hearing, an effort will be made to have a final settlement which will include the charges made by the carriers for banded and heated cars in cold weather. Arguments before the commission on the complaint involving interstate rates from the lake states to Minnesota points will begin in Washington October 7. The point at issue is the right of the carriers to raise rates by interstate routes lower than those by intrastate routes.

WANTS DAMAGES

Files Claim Before Fargo City Commission After Shooting.
FARGO, N. D., Sept. 28.—At the call of President Emery, a special meeting of the commission was held yesterday morning. The chief matter of concern was the report of Dr. Scanlon on the health conditions of the city. There are only eight real typhoid cases, said Dr. Scanlon, and that is a very low ratio for this time of year. In my opinion there is absolutely no reason to believe that they are due to the city water, and that from personal investigation. It is far more reasonable to believe that eating unwashed fruit and drinking from contaminated wells in the country or using milk from uncertain sources is the cause of the difficulty. The case of the negro, George Clemens, who filed a claim against the city for damages sustained when he was shot in the leg by Officer Anderson in the recent brawl on Third street north, was again brought up by Attorney Crum. The matter had been referred to the action of Commissioner Jordan and Attorney Shure but when taken under consideration by the commission in regard to the whole, and will be acted upon today.

CRUSHED

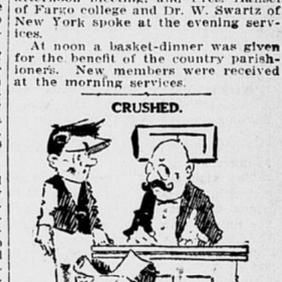

Mr. and Mrs. N. J. Nelson and Misses Estelle Hennemuth and Lucy Hunt, autoed over to Crookston Saturday afternoon. Miss Hennemuth remained at her home there over Sunday. The rest of the party went on to Red Lake Falls where they remained over night at Miss Hunt's home. Mr. and Mrs. Nelson and Miss Hunt motored back to the city Sunday.

RESCUE SURVIVORS

Large Number of Revenue Cutter's Crew Saved.
Seattle, Sept. 28.—The steamship Cordova reports by wireless she has picked up, off Agattu Island, fifty-eight officers and men of the wrecked revenue cutter, Tahoma, which struck a reef September 29.

At noon a basket-dinner was given for the benefit of the country parishioners. New members were received at the morning services.

Clerk—I can't live on \$10 a week, sir! Employer—Booh! If you got the earth every week you'd say you couldn't live on it!

The New Favorite The Sheaffer Self-Filling Fountain Pen is the result of many years' experimenting on the part of the inventor, who has at last overcome every objection in Fountain Pens and now offers to the public a pen in which is found the merits of all and the faults of none. EXPLANATION OF CUTS A is the air-tight chamber. B illustrates the end of the feed section, fitting tightly against the shoulder of the cap, forming the air-tight chamber. C is the elastic ink reservoir filled. D is the "Lever-Filler" closed. E is the "Lever-Filler" open. F is the elastic ink reservoir compressed ready for filling. We will gladly show you this perfect fountain pen. E. A. Arhart & Co. Jewelers and Opticians. 15 North 3rd St. Grand Forks

OFFICERS NAMED FOR NEW COUNTY

Officials For Sioux Have Been Appointed by Governor Hanna.
Pt. Yates, N. D., Sept. 28.—Sioux county is practically organized and ready for business. The officers have all been appointed by Governor Hanna and have assumed the responsibilities of their offices. The board of county commissioners has organized, electing John Stiles as chairman. A newly erected lumber office is being used as a temporary court house until the new one is completed. The new court house has been located just south of the old parade grounds. Editor by Christianson of the Shields Herald has established a newspaper, various business enterprises have entered the field and the town is beginning to show signs of the effect of becoming a county seat. Following are the officers appointed by Governor Hanna: County Commissioners—W. W. Britolph, John C. Leach and John A. Stiles. Sheriff—Chas. Gavton. Judge—A. McG. Heede. County Clerk—C. J. Leach. Superintendent of Schools—L. E. Hyde. Coroner—Dr. Paul F. Rice. Clerk of Court—James Wells. Treasurer—Louis Endrea. Constables—Jas. Mentz, Wayne B. Howe and William Clark. Surveyor—Benjamin White. Constables—Samuel Goodreau and Thomas Trasted.

LEG CRUSHED

Thresher Has Narrow Escape From Death Near St. Thomas.
Bathgate, N. D., Sept. 28.—A threshing machine accident occurred at the farm of Alexander Wynne near St. Thomas. A young man named Lewis Rhodes, whose home is at Roosevelt, Minn., while oiling the separator stepped on a loose board over the cylinder, and his leg was drawn in. The engineer saw the accident and immediately reversed the engine and probably saved the life of the victim, as the leg was being gradually drawn farther in. Medical attention was given by the local doctor and the patient removed to the Grafton hospital where his leg was amputated below the knee. And too much learning is also a dangerous thing.
