PULFORD AND LAIRD PLANNING FOR FIGHT AGAINST JOHN BURMEISTER

MERRY TIME IS NOW DEVELOPING

It is Said Definite Charges Will be Made Against League Head.

been pushed out of the league entirely with nothing to say in the matter whatsoever. The directors will make a fight to retain their franchise and have the old Northern reinstated to its former position. It is probable also that Burmeister's crown may be lifted before the trouble has been settled."

A Few Side Lights Enroute
By Ben

Duluth, Minn., Oct. 21.—A. H. Pulford, ousted magnate of Winnipeg, is in Winona planning with Scott Laird of the Winona club and other officials of that club for the fight that will be made against President John Burmeister at Omaha, November 10, when the case of the Northern league "mystery" meeting will be laid before the national commission.

From Winona comes the report that Pulford is gathering facts and details with which to fight the head of the Northern league and those associated with him in the movement that resulted in the "canning" of Pulford and the dropping of the Winona club. It is stated that Pulford will make direct charges of a deliberate and well-planned attempt to secure valuable baseball holdings for nothing and to secure them in the most brazen and unsportmanlike manner possible.

The Fight Grows Warm. From what has leaked out of the meeting of the "little two" at Winona, the hearing before the national body at Omaha promises to be sulphuric in its nature. It is said that definite charges will be brought against John Burmeister and several of the magnates of the league in an effort to cause their expulsion from organized baseball.

Winona is not a fight, it is said, and possibly believing that in union there is strength, Mr. Pulford is gathering facts, preparing data and in general shaping the campaign. The City Beautiful officials will place before the consideration of the tribunal of the great national game.

So far it is the "Big Four," Burmeister, Blume, Cantillon and Sommer, against the "Little Two," Pulford and Laird. Horace Webb can be counted in with the regulars or irregulars as yet, as the high arbitrators of baseball must fix the status of Mr. Webb. Just where the support of Grand Forks is placed in this controversy, is difficult to state. And another consideration—perhaps Grand Forks is not right now a member of the league.

The whole procedure, dating from the merry meeting in that city to the now quite famous "mystery" meeting held behind the doors of John Burmeister's office, has many angles of jutting interest.

Civil law and baseball law have been clashing in ragged and oft times raging lines of controversy during the last year. Pulford has threatened to "have the law on" Herr Burmeister in this case, and the Northern league may be tied up in a tangle, should Pulford fail to get satisfaction at Omaha.

Winona View. Here is what the Winona Republican-Herald says in its editorial presence in the City Beautiful: "Owner A. H. Pulford, Winnipeg magnate of the Northern league, who was ousted by President Burmeister and his 'mystery' meeting some few weeks ago, was in Winona yesterday, in conference with local baseball directors. President Pulford of Winnipeg met with the Winona magnates for the purpose of arranging a definite fight against the league head.

"The final chapter of the Northern league squabble will be written into record next month when the case is presented before the national baseball commission at its session in Omaha, Neb., November 10. Mr. Pulford received the news that his case against the Northern league would be heard at that time. Mr. Pulford will be present himself and will fight to the finish for the protection of his rights in the Canadian city.

FARGO ROOTERS COMING TO CITY

Many Will Accompany the Team here Saturday—O'Keefe Drives Men Hard

Practice for the Fargo game to be played at university field next Saturday was continued Tuesday afternoon by the Maroon and Silver scoring machine, under the direction of Coach "Hurry Up Heine."

The boys have completely recovered from the fatigue incidental to the Minot game, and were put through a stiff signal drill and scrimmage. Dispatches from Fargo indicate that the Purple and White bunch are not coming to Grand Forks with any expectation of winning an easy victory. The record made by Grand Forks in the early games this year has shown that they must play high quality football if they are even to hold the score down.

The work of "Jack Rabbit" Jacobi appears to have been especially efficacious in throwing the fear of God into the up river aggregation, and it is probable that the Purple bunch will be developed especially with a view to stopping his charges. The game Saturday will begin at 3 o'clock. If the weather continues fair a large delegation of Fargo rooters are expected to be present. Many of them will make the trip in automobiles.

LEAGUE MAGNATES ARE TO CONTINUE

Wisconsin-Illinois Organization Will be in Field Next Year.

Oshkosh, Wis., Oct. 21.—The make up of the W. I. league for the season of 1915 will be the same as this year, according to a decision made yesterday afternoon at the annual meeting here for the presidents and other magnates of the league.

While the attendance this season was very poor, it was decided that this was an off year and considerable optimism was felt for next year. It was voted to continue the league provided the meeting of the major leagues at Omaha next November indicated that the minor leagues would receive proper treatment. President Weeks and Vice President Moll will attend the Omaha meeting. The formalities of presenting the pennant to Oshkosh for the third consecutive season was gone through with.

Oshkosh, Green Bay and the Twin Cities were the only three teams that came up to the 25,000 attendance limit required. The guarantee given at the beginning of the season was refunded in proportion to the attendance, computed on that basis.

MACALESTER PLAYS AGGIES SATURDAY

Fargo, N. D., Oct. 21.—Coach Wood is hard at work with the aggie football team, ready to shape to meet the fast Macalester team Saturday on Dacotah field. The defeat in last Saturday's game is going to go harder, and the fact that St. Thomas game brought out so many weaknesses and crude performance in part of the aggie defense, giving the coach as well as the individual, an ample opportunity to work in the right direction.

On Monday night the regular talk in connection with the Saturday game by the coach before the whole squad. The boys were brought face to face with facts, like the following: St. Thomas averaged 16 yards around the A. C. right end and 8 1-2 yards around left end. Through the line the Catholics averaged 4 1-2 yards through the A. C. right, and through the A. C. left. These are some of the facts that the coach made the team face in the evening discussion.

Macalester has the strongest football team this year known to the institution and they are out to make a clean-up all along the schedule. McGovern, the greatest player Minnesota ever developed, is coaching the Macs and he has fighting team that will make a showing anywhere. Last Saturday the Macs defeated the Hamline team 14 to 0, demonstrating that they are a team of no little ability.

JIM SCOTT PITCHES FOR PRISON TEAM

Chicago, Oct. 21.—Pitcher Jim Scott of the Chicago American league club probably is the first major league pitcher to be sent to prison with a team composed of convicts. Scott's friends learned yesterday that while he was visiting the state reformatory here Saturday he went to the rescue of the prison pitcher in the third inning and finished the game, allowing one hit and no scores. The convicts gave Scott an ovation after the game.

CAUTIOUSLY CONSIDERING

Madison, Wis., Oct. 21.—Full of confidence after their victory over Purdue on Saturday, Coach Juneau's championship aspirants returned to secret practice at Camp Randall yesterday afternoon. With the exception of Schmidt, whose collar bone was broken in the game with Chicago, Minnesota and Illinois. Next Saturday's game with Ohio State is not expected to develop into a hard game, as Coach White is believed to have a weak team this year.

Pittsburgh, Oct. 21.—In the opening game of the Interstate Three-Cushion Billiard league here last night, Charles McCourt of Pittsburgh defeated John Kling of Kansas City, 69 to 21, in eighty innings. Each had a high run of four. The game was very close for the first forty innings.

Punch this pipe and cigarette news under your hood!

Here's case-cards with the full deck right on the mahogany: The reason why men smoke Prince Albert in their jimmy pipes or rolled into job makin' cigarettes is simply because Prince Albert can't bite tongues, can't parch throats; it is always delightful in flavor and fragrance; it is made by a wonderful patented process that puts it into a class by itself! And P. A. is exactly as good as THAT listens!

Smoke P. A. if you want to get first-hand news about what's good for your smokappetite! Why, there never was, and there can't be today, any pipe or cigarette tobacco in the same class with P. A.

MORE LEAN YEARS SAYS C.COMISKEY

Feds Have Forced Majors to Sign Useless Players to Long Contracts.

Chicago, Oct. 21.—"There will be three or four years more of hard luck at the box office if the baseball game continues," Charles A. Comiskey, the White Sox magnate, made the remark in the course of a discussion of a year's disaster in the national game. He is one of the few big league magnates supposed to have been during the late and most lamented baseball season.

Commy Stands to Lose Money. But right now Comiskey stands to lose every dollar he made last year, for he has signed his name to the most remarkable collection of one-sided baseball contracts in the history of the game. To avert a raid by the Federal, he has hired for a period of years, players whom he cannot possibly use next year, but who are signed and sealed to receive salaries they cannot earn.

What is Comiskey going to do with this excess baggage? Most of it will be sold to the minors, provided the minors are in condition to buy anything this winter. The difference between the salary figures called for in their contracts and the scale the minors can afford to pay will have come out of Comiskey's pocket.

Other Magnates Hard Hit. It is a case of paying the odder with a vengeance. The "Old Roman" has kept the Federal off his reservation, but in the long run, when the books are balanced, the Federal will have the laugh on Commy. And that is the condition of practically every big league magnate who has nerve enough to fight back against the encroachment of the "outlaw" organization.

BADGERS ARE CONFIDENT

Madison, Wis., Oct. 21.—Full of confidence after their victory over Purdue on Saturday, Coach Juneau's championship aspirants returned to secret practice at Camp Randall yesterday afternoon. With the exception of Schmidt, whose collar bone was broken in the game with Chicago, Minnesota and Illinois. Next Saturday's game with Ohio State is not expected to develop into a hard game, as Coach White is believed to have a weak team this year.

LINE PLUNGING MAY FEATURE THE IOWA ATTACK ON GOPHERS

Iowa City, Oct. 21.—That Iowa will abandon its wide shift and depend on line smashing ability to win over the Gophers is the belief of local rooters following the practice last night in preparation for the Minnesota game. Two heavy backs replaced lighter ones in the workout and this is taken as an indication that line plunging tactics will play a large part in Iowa's offense. Kerwick and Garretson played at left half and fullback, respectively, in place of Donnelly and Wills.

Carberry, who appears to be developing into a reliable punter, spent a long time last night in practicing getting off kicks. A short signal practice without scrimmage topped off the program. Assistant Coach Maurice Kent, who saw the Gophers practice in their last two games, says the Minnesota team is even more formidable than the Chicago eleven.

GOPHERS GIVEN HARD SCRIMMAGE

Minneapolis, Oct. 21.—University of Minnesota football players had a hard scrimmage yesterday afternoon, preparing for their coming contest with Iowa. A scout who saw the Chicago-Iowa game last Saturday convinced the local athletes that had a difficult problem ahead of them, and they practiced with a will, the defense they expect to put up against the Hawkeyes. The team will leave for Iowa City Thursday night, but expect to get a light work in foreign territory.

"Malachi," said a prospective home-stealer to a lawyer, "you know all about this law. Tell me what I am to do."

"Well," said the other, "I don't remember the exact wording of the law, but I can give you the meaning of it. It's this: The government is willing to let you ten acres of land against \$14 that you can't live on it five years without starving to death."

Former Champion Will Box Chicago Boy at Streator Oct. 26. Streator, Ill., Oct. 21.—Ad Wolgast, former champion lightweight, and Tommy Gary, a Chicago boy, have been matched for a ten-round "go" at Streator Monday, Oct. 26. Ed Smith will referee the contest. Also on the card are bouts between Freddie Enock of Aurora and Teddie Oster of Streator, 124 pounds, ten rounds, and an eight-round mill between "Mint" Snyder of Marselles and Young Pearson of Bloomington.

PAT. J. MORAN TO SUCCEED DOOIN

Acting Coach of Phillies is Chosen to Manage Club Next Year.

Fitchburg, Mass., Oct. 21.—Patrick J. Moran, who has been acting as coach for the Philadelphia National league baseball team, was elected manager of the club yesterday to succeed Charles S. Dooin, according to a telegram Moran received from President William S. Baker of the Philadelphia club last night.

Moran has been a catcher in professional baseball for twenty years and played first with the Lyons club of the New York State league and subsequently with the Boston, Chicago and Philadelphia teams in the National league. He was with the old Chicago Cubs when they won two world championships, and is 37 years old.

STALLING, LURED BY CASH, IS TO APPEAR ON VAUDEVILLE STAGE

New York, Oct. 21.—George T. Stallings, manager of the world's champion Boston Braves, finally has succumbed to the siren call of vaudeville cash. The "Big Chief" yesterday signed a contract to appear in vaudeville and will make his debut at the Palace theater next week.

Stallings is preparing for himself a monologue dealing with the comedies, tragedies and melodramas of the diamond. The salary, which caused Stallings to sign, is the largest ever given a diamond celebrity for stage work.

DENVER GOLFER IS CHOSEN PRESIDENT

New York, Oct. 21.—Frank L. Woodward of Denver, has been selected as the next president of the United States Golf association, it was announced here last night by the nominating committee. Mr. Woodward, vice president this year and in 1913, will succeed Robert C. Watson of this city.

Other selections which will be submitted by the committee include Howard W. Ferrin of Philadelphia, for vice president; Howard F. Whitney of the Nassau country club, secretary; Percy R. Pyne, second, Princeton, to succeed himself as treasurer.
