WILL HAVE GREEN CHRISTMAS

Plenty of Decorative Material in the Market—Holly of Good Quality—Mistletoe Alluring.

Without the Christmas tree and the holly and evergreen and the mistletoe, Yule season would be asked to thousands of people in the northwest, and so far as the market is concerned there is no scarcity of holly.

CONSUL RICHARDSON'S ARREST WHICH ALREADY HAD BEEN MADE PUBLIC.

Plenty of Trees. Notwithstanding a frequent cry that the Christmas tree must become a thing of the past, due to the cutting over of the pine lands, the supply this year is standard. From north middle Minnesota car loads of pine and spruce are being shipped in for

THE FESTAL OCCASION WHICH DEMANDS THEM.

"Like fireworks there is a certain amount of Christmas trees required every year, reports one big wholesale dealer. "Second growth pine is available for the purpose and trees are in the market to sell at from 25 cents to \$5. People have come in more than ever to sell us trees.

Big Trade Territory. "There is a large country trade from western Minnesota and the Dakotas and we have been getting orders for December 20's shipment for a month back. There is always some late call from churches and other sources."

Holly, evergreen wreathing, mistletoe and similar are plenty this year. The holly is reported as of unusually good quality. Prices are stationary and as low as last year.

Xmas Season

We would advise the buying of your Xmas groceries as early as possible. In doing this you will get better attention, better service and you will be better satisfied.

Make it a point to select your Xmas trees next week, as the delivery of Xmas trees with large loads of groceries makes it burdensome on the delivery men, and great care must be exercised in cold weather to make delivery without breaking the branches.

We will have a nice lot of turkeys for Xmas trade; you would do well to place your order now, and we will take care to see you have a nice turkey for your Xmas dinner.

We will cut the big cheese on Monday, Dec. 21st; let us have your order early, as it is nearly all sold.

Our Candy department is filled to overflowing with a nice lot of fresh made candies; also some of the finest hand dipped chocolates in fancy boxes. See our Candy Cans and Candy Breads.

Special orders for Bakery Goods should be given us as early as possible; plan your dinners in advance, and if you want anything in fancy delicate pastry, give us your order, and you need not worry any farther; we will take good care of you.

We have unlimited confidence in our ability to please every user of a Maytag Washer—either electric or power—so they are sold on 30 days' free trial. This is expected to be enough time to prove the real, actual, true worth of the Maytag Washer, that it will pay for itself in a few months and give buyers a chance to determine whether or not they have secured full value for their money. We want every purchaser to give the Maytag a rigid test. Do four washings with it—wash linens, lace, etc. If, after 30 days' trial, the buyer is perfectly willing to part with the washer because it hasn't lived up to your claims, can be returned.
