TO WRITE WANT ADS THAT PULL

OBSERVE THESE SIMPLE RULES AND YOU WILL INCREASE THE VALUE OF YOUR WANT ADS

- RULE 1.—Classify Correctly. Readers of Herald Want Ads usually know before hand what they want to find, and a certain percentage of readers will want something every day. The Herald will classify your ad correctly.
RULE 2.—Describe Sufficiently. And use simple language. The more clearly an ad is worded and described, the more easily will it be understood and acted upon.
RULE 3.—Consider the Reader's Time. Use the topic of your ad as the first word—not this way: FOR SALE—ONE BAY MARE. But this way: ONE BAY MARE FOR SALE.
RULE 4.—Advertise Every Day. Until the thing is sold or secured. If very often happens that people see your ad and do not act immediately, but will return to the page afterwards. Besides, if what you advertise is not in demand one day, it may be the next.

HOW TO ANSWER BLIND ADS

All ads signed with numbers, care of Herald, must be answered by letter addressed to the number given in the ad. Herald employees are not permitted to tell who the advertiser is. Mail or send your answer to Herald No. —, and we will forward it to the advertiser.

A Penny a Word a Day Will Publish Your Want Ad.

IN BOTH THE MORNING AND EVENING EDITIONS OF THE GRAND FORKS DAILY HERALD. Cash Must Accompany the Order.
