

FARGO IS GIVEN NEXT CONVENTION

Auditors to Meet There in 1916—F. A. Burton is President.

SPLENDID SESSIONS FEATURE GATHERING

Hear George Bangs in Address on "Duties of the County Auditors."

At this morning's session of the North Dakota County Auditor's association, which opened its annual meeting here yesterday, Fargo was chosen as the next meeting place and the following officers were elected: President—F. A. Burton, Wahpeton, Vice President—Charles E. Fouts, Tower, Secretary—F. P. Vaughan, Fargo.

Aside from the election and the session of the next place, other important business was transacted this morning. Attorney Geo. A. Bangs of this city gave an interesting address on "Duties of the County Auditor," after which there was a discussion of laws pertaining to the county auditor's office.

At noon, the visiting auditors were guests at a luncheon given by Fred Bartholomew in honor of Hans Anderson, auditor of Grand Forks county. The dinner was given as a testimonial to Mr. Anderson's long and faithful service in the county. He has been a resident of Grand Forks county for the past thirty years, and for ten years has been county auditor. He was appointed in May, 1905, following the death of County Auditor Ackerman. Previous to that, he was commissioner from the First district. He was a commissioner for nine years. Have Question Box.

The convention adjourns this afternoon. The only thing of importance to be taken up is the answering of questions placed in the question box yesterday. County Attorney O. B. Burtness is to answer the questions. There are twenty-one questions represented at the convention.

The auditor's present and the counties they represent are: Walter E. Kelley, Adams; Geo. H. Hebert, Bottineau; Addison Leach, Cass; Ole J. Elde, Cavalier; C. C. Misfeldt, Deuel; Hans Anderson, Grand Forks; H. P. Duggan, Morton; Chas. E. Fouts, McHenry; Oscar Nelson, Nelson; E. V. Kiebert, Oliver; W. W. Felson, Pembina; O. A. Spillmuller, Pierce; J. A. Kramer, Ramsey; T. A. Burton, Richland; Jas. A. Brown, Rollette; Adolph Schlenker, Sheridan; G. J. Mustad, Steele; Andrew Blewett, Stutsman; Nelson O. Johnson, Towner; F. P. Vaughan, Towner; W. C. Treumann, Walsh.

Walter F. Kelley, who halls from Hettinger, is a baseball devotee. Mr. Kelley was at the game yesterday, and in tones that were heard, good-naturedly kidded the ump and the players.

Charles E. Fouts of Tower is well known to Grand Forks residents. He is one of McHenry county's best boosters and is known throughout the state. He attended the commissioners' meeting in this city last winter.

Walter Moen of Lakota is the new auditor of Nelson county. He formerly resided in Grand Forks and is well known to local people. He is one of the youngest auditors in the state, but already has made a record for himself.

F. A. Burton of Wahpeton, who was elected president for the ensuing year, is one of Richland county's foremost residents. During his residence in that county, he has been identified with all movements for the improvement and development of the county. He is accompanied by Mrs. Burton.

DISTRICT MEETS ARE PROPOSED

Series of Field and Track Events in Several Sections of the State.

ATHLETIC LEAGUE CONSIDERS PLAN

Committee Appointed Will Report Year Hence—Officers Elected.

District field and track meets, and district declamatory events, on the same basis as district basketball tournaments are now held, are proposed by the North Dakota High School Athletic league, which held its annual meeting here today.

A committee of five was appointed this noon by President P. S. Berg of the North Dakota High School Athletic league to consider the following subject and report at the next regular meeting, which will be held in connection with the regular meeting of the North Dakota Educational association in the fall.

The subjects to be considered follow: 1. The feasibility of securing officials for tournaments at less expense.

2. Some plan for eliminating teams before tournaments. 3. A plan for holding district and state field meets and declamatory contests under the management of the league.

4. A plan for securing a record of all athletic contestants in the league and having such a record filed and available in the office of the secretary of the league.

5. The adoption of the league eligibility rules by the management of the university field meet as requested a year ago.

The last, or fifth subject, was taken up at the meeting of the High School Athletic league a year ago. At that time the university was requested to adopt the eligibility rules as provided by the league. Up to the present time they have not been adopted, but officials of the league are confident that the university management will accept the rules in the near future.

At the meeting this morning Superintendent L. P. Linn of Kenmare was elected to succeed Vice President H. Wolfe of Minot, who recently resigned. The term for which he was elected is for one year.

The meeting this morning was presided over by P. S. Berg of Dickinson. Mr. Berg is superintendent of the city schools of Dickinson. Superintendent Nelson Sauvain of Casselton is secretary of the organization.

Members of the committee appointed at the meeting were: C. Root of Bismarck; L. P. Linn of Kenmare; Herdell of Hope; William Davenport of Park River and Coach Robbins of the Fargo high school. These men have had a great deal of experience in work of this kind and are well qualified for their positions.

Members of the committee appointed at the meeting this morning were: Superintendent C. Root of Bismarck; L. P. Linn of Kenmare; Herdell of Hope; William Davenport of Park River and Coach Robbins of the Fargo high school.

PLANS FOR "Y" WORK PROGRESS

Active Steps Being Taken to Round Out Preliminaries of the Work.

BIG GATHERING SET FOR MAY 25

Every Committee Member Agrees to Devote Hard Work to the Plan.

Plans for the Y. M. C. A. campaign are progressing rapidly. The association proposes to raise \$40,000 by popular subscription. This money is to be used for the erection of additions to enable the association to do a very much larger work than heretofore.

For years the organization has been cramped for room. These new additions, which are contemplated, will provide special spaces for boys' work and also there will be a floor devoted entirely to the needs of railroad men of this community, providing social headquarters and also sleeping rooms for railroad men. Further, a part of this \$40,000 will be used to liquidate all indebtedness of the association.

E. J. Hockenbury of Harrisburg, Pa., who arrived in Grand Forks a few days ago and who will direct the campaign, expressed himself as highly pleased with the progress which is being attained. "There is no good reason why Grand Forks should not raise this money in quick order. The plan of campaign, which we will carry into effect here, has never failed; that is, it has never failed where the people of a community would give the plan any real or hearty support. By support, I mean showing a willingness to join in the organization on a team and by contributing what they are able to contribute. The plan does not exact anything unreasonable from any person. We ask that the citizens of a community will simply make an honest effort and where this honest effort has been made, no city has ever failed."

Plan of Organization. The plan of the campaign organization as being perfected here in Grand Forks is something as follows: There is a general chairman, the person of J. D. Bacon. Associated with Mr. Bacon is a campaign executive committee consisting of J. A. Dinnie, H. B. Finch, M. F. Murphy, O. S. Hanson, E. J. Lander, F. L. Goodman, A. E. Clifford and N. B. Black. In addition to this executive committee there is a large citizens committee which operates in three divisions. These division chairmen are C. E. Garvin, C. C. Bachelard and D. V. Moore, and associated with each of the division chairmen is a secretary. These secretaries are H. B. Crane, C. C. Carter and J. S. Hatcher. Each of the three division chairmen has an organization of fifteen captains, each of these captains has a team of twelve men. Thus, a complete organization of 180 men.

Sign Up for Work. Every man in the organization agrees over his signature to make an honest effort to put the campaign through to a successful conclusion. Business men will at once recognize the tremendous power of an organization such as this and it is the opinion of those who are close to the workings of the plan that the money will be raised in a surprisingly short time.

First Meeting May 25. The first meeting of the campaign organization will be on Tuesday evening, May 25, at 8 o'clock. It is a separate table for each team and a table for guests, the press and the executive committee. On this evening there will be addresses made, and the full plan of the campaign will be explained to the workers. Also, there will be made on Tuesday evening some very important special announcements. There will be a selection of names for work on Thursday. All solicitations will be done by assignment. In other words, no person will be allowed to ask for or receive a contribution unless that worker holds in his possession an assignment card for that prospect. In this way all duplication of effort will be avoided and it will give the organization an opportunity to solicit every man, woman and child in the entire city of Grand Forks and give them a chance to make their personal pledge toward this splendid object.

The campaign will last for six days, closing Wednesday evening, June 2. There will be a supper each evening during the entire campaign. The campaign manager promises that after the first evening, Tuesday, May 25, that the campaign reports will consume only one hour of time. That is, the supper will begin promptly at 8:30 each evening and the meeting will adjourn promptly at 7:30.

GOLF TOURNEY IS TOMORROW. Local Club Will Have First Event of Season—Compete for Prizes Offered by Lyons & Co.

The Grand Forks Golf club will hold its first tournament tomorrow afternoon, when the players will compete for prizes offered by Lyons & Co. It will be a handicap contest at medal play. The campaign prize will be eight golf balls and the second prize will be four golf balls.

The tournament begins at 2 o'clock.

FIX DATES FOR N. D. E. A. MEET

Executive Committee Also Has Excellent Speakers For the Meeting.

EXPECT 2,000 WILL BE ENROLLED

Propose Making the Grand Forks Gathering the Biggest Ever Held.

United States Commissioner of Education P. P. Claxton and Booker T. Washington of the Tuskegee Institute will be the principal speakers at the North Dakota Educational association in this city on November 3, 4 and 5.

In addition to these speakers a large number of other excellent speakers will be secured in the near future. The executive committee of the association met last evening with Secretary Graves of the Grand Forks Commercial club. Arrangements were made for halls, entertainments, and other details.

President A. G. Crane of the association stated this afternoon that he expected an enrollment of at least 2,000 teachers. He stated that indications pointed to the largest meeting in the history of the organization.

Members of the executive committee met last evening at A. G. Crane of Minot, Superintendent of Public Instruction E. J. Taylor, P. S. Berg of Dickinson, J. Nelson Kelly of Grand Forks, Minnie Nelson of Valley City and Superintendent Wolfe of Minot.

MISS KILLILE LAID TO REST

Services for Woman Who Died Last Saturday at Galveston, Texas, Held Here This Morning.

Funeral services for Miss Katherine Killile, who died of heart disease last Saturday evening at Galveston, Texas, were held at 8 o'clock this morning at St. Michael's Catholic pro-cathedral.

Mgr. J. A. Lemieux officiated at the requiem high mass, and Rev. Father Robert Fletcher preached the funeral sermon.

The pall bearers were Richard Money, M. Moran, Phil McLoughlin, J. Lynch, Thomas Grey and W. P. McDonald.

Miss Killile is survived by two nephews, George and Charles Tierney of this city and five nieces, Misses Gertrude, Mary, Elizabeth, Margaret and

Grand Forks, North Dakota

OPEN SATURDAY EVENINGS

PRELIMINARIES ARE UNDER WAY

One State Record Beaten During Early Events at University.

One state record was beaten this afternoon in the preliminaries of the North Dakota interscholastic track and field meet. Booker of Pembina won the first heat of the half-mile race in 2:10, beating the record of 2:15.5, held by Russell Wallace of Drayton.

The Grand Forks athletes are making an exceptionally good showing in the preliminaries. Jacob and Duggan qualified in the 220-yard hurdles; Collins, Flynn and Elton got in the 100-yard dash, and the indications are that Loden and Loughlin will qualify in the pole vault.

The track is in excellent condition, but the weather is not conducive to good track or field work. The pole vault preliminaries were not completed at 3:15 o'clock, but there was every indication that Loden and Loughlin would qualify. In the half-mile event, only one heat had been run at that time. The results of this heat are:

Booker, Pembina, first; Dryden, Drayton, second; Smith, Langdon, third. Time 2:10.

Finch of Grand Forks finished fourth in this event, but would have made a better showing had he not got a cinder in his eye on the way around the track.

The results of the other preliminaries, so far as run, are:

220-Yard Hurdles. First heat—Jacob, Grand Forks, second. Time, 2:15.5. Second heat—Donnelly, Grafton, first; Fraser, Grafton, second. Time, 2:15.5.

Third heat—McKay, Pembina, first; Dryden, Drayton, second. Time, 2:15.5. Shot Put. Fisher, Cavalier, first; Nelson, Grafton, second; Murray, Fargo, third; Campbell, Cavalier, fourth. Time, 14-4.5.

Third heat—Elton, Grand Forks, first; Johnson, Inkster, second. Time, 11:2.5.

MICHIGAN CROP IS DAMAGED

Father of H. E. Mumford Says That Frost Has Killed Four-Fifths of Fruit Crop.

C. L. Mumford, of Tawpaw, Mich., father of H. E. Mumford of this city, writes to his son that the fruit crop in southern Michigan has been damaged by late frosts. The weather during the past couple of weeks has been very bad, and during that time there have been several killing frosts.

Mr. Mumford also writes that The Herald, copies of which he has received, is a better paper than he can secure in his territory, which includes Kalamazoo. Both as to local and foreign news, he says, it is better than the papers he comes in contact with daily.

BECKER TAKES FINAL EXAMS

University Man Completes Studies at University of Illinois This Week.

A. J. Becker, professor of applied mathematics and mechanical drawing at the University of North Dakota, was given his final examination for the degree of doctor of philosophy on Tuesday, May 18, at the University of Illinois. Professor Becker has been absent from the university during the present year and will return this summer to resume his duties at the college of mechanical engineering.

The thesis which Professor Becker has been preparing has dealt with the strength and stiffness of steel under bi-axial loading. His major subject in preparation of the thesis has been engineering mechanics. His first minor subject was mechanical engineering. The second minor subject was mathematics.

TO PLAY BRAHAM'S WALTZ

Composition by Local Man Will Be Played at Session of Philharmonic Society.

Among the compositions of local musicians which the Philharmonic society will play in the Sunday program is a Valse Lente by Edmund Braham. The name is "The Lure of the Night." Mr. Braham has published over five hundred original compositions and his music is played wherever commercial music is in use.

Mr. Braham came to Grand Forks during the winter from New York, where he has been located for several years. He has given piano recitals throughout Europe, but of recent years has devoted most of his time to composing. Among the best known of his compositions is "The Jolly Blacksmith." Mr. Braham finds that he can compose just as easily in North Dakota as in New York city, and has decided to locate here permanently.
