Who was halfback two years ago, and Malcom, substitute halfback last fall, with "Bey" Thompson, Bingham and Hutchinson, halfbacks of the freshman eleven last fall, are other candidates.

Where Captain Wilson will be played this season is uncertain. One of the greatest problems will be to develop fast heavy ends. Wilson has reported for practice, tipping the scales at 192 pounds. He was used at end during considerable of the spring practice.

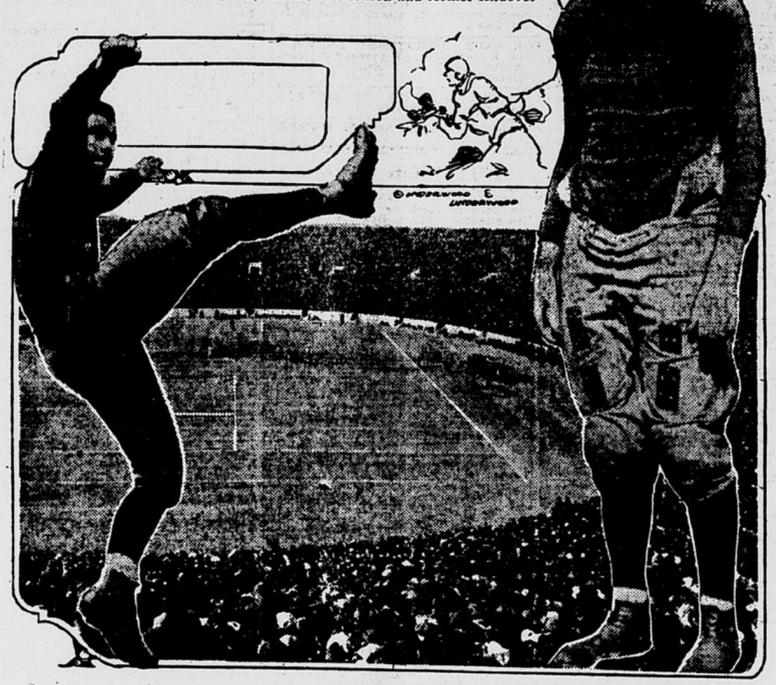

Another heavy linesman who will end for trial is Carl Betts. He played the big games for Yale last fall at tackle, but is very fast, and is more likely to be used at end than at tackle this season. Yale has for end material Higginbotham, Wiedmann, Potter, Church

and Nichols of last year's squad. Wiedmann and Church were originally tackles. Moseley and Allen, ends of the freshman team last year, are a pair of excellent novices.

Yale has a wealth of tackle to tackle material. Big Dick Kent, who made a splendid reputation while at Stevens college; Chub Sheldon, and Herman von Holt, varsity substitutes last year, and Baldrige, freshman tackle last season and former Andover

FOOTBALL PROSPECTS ARE BRIGHTER THAN USUAL AT YALE

New Haven, Conn., Sept. 11.—Yale coaches regard the outlook on the gridiron this fall as the most encouraging which any captain has faced since Yale last defeated both Harvard and Princeton. This was in the season of 1909, under Ted Coy. There is remarkable backfield material in the veterans, Captain Aleck Wilson, Harry Le Gore, Otis Guernsey, Mal Scovill, Billy Easton, and "Ehke" Waite. "Bunny" Burgess, the hockey team captain,

star, are satisfactory varsity material from the start. Had it not been for injuries Von Holt and Sheldon would have been regulars on the eleven last year. The two runs were scored in the middle of the line Carl White, regular center last fall; Miller and Wiley, who played in several games last season, and Vorys, the freshman center, are the most prominent candidates.

Yale's coaching staff will, this year, be the largest ever gathered to drill an eleven. Hinkey, Bull, "Red" Dunbar and Billy Marting are

TOMMY MURPHY STAR OF MEET

Has Another Big Day in the Grand Circuit Races at Hartford.

Hartford, Conn., Sept. 11.—Tommy Murphy had another big day in the final afternoon's card of racing at the grand circuit meeting at Charter Oak park. He captured two firsts and one second in three races.

For the first time since Murphy bought the bay mare, Lulu Lumine, at a reported price of \$12,000 almost two years ago, he managed to pilot her to a win, capturing the 2:11 trot in straight heats, with Earl Wood second in each instance.

Despite the fact that all three races went in straight heats the larger fields, so different from the earlier days of the week, made all of the races interesting, as there were numerous challengers for the lead in each heat.

CHAMPION WILLIAMS FOULS ERTLIE-STRONG PROTESTS ARE MADE

St. Paul, Sept. 11.—Johnny Ertlie, of St. Paul, was fouled by "Kid" Williams of Baltimore, world's champion, in the middle of the eighth inning, when he scheduled ten-run no-decision fight here last night, and Williams was disqualified by Referee George Barton, who announced from the ring that Ertlie had won on a foul.

In the fourth round, Williams was fouled for hitting low. Near the middle of the eighth round, Williams stabbed a short left-hand jab to the local boy's groin. Ertlie staggered back a few steps, then crumpled in a heap on the floor. He soon regained his feet, however, and during the pandemonium the promoters, referee, managers and seconds engaged in a vigorous argument. Then the referee announced that Ertlie had won on a foul.

During the first four rounds, the fighters fought viciously, both taking and giving an abundance of heavy blows. Each displayed flashes of wonderful ability and up to the time of the foul the fight was about even. Williams and his manager entered strong protests against the decision, declaring Ertlie had not been hit low and that the blow was too light to do damage even had it been low.

MISS STIRLING IS ELIMINATED

But Not Before She Takes Mrs. Vanderbeck to the Twenty-Second Hole.

Chicago, Sept. 11.—Setting a record for long distance golf, Miss Stella Stirling of Atlanta, southern champion, yesterday took Mrs. C. H. Vanderbeck, the Philadelphia expert, to the twenty-second hole before accounting for a semi-final of the women's national golf tournament at Onwentsis club yesterday.

The steadiness and excellent style of the southern girl won the support of the large gallery which followed the match to the far side of the links, only to see her lose on the fourth extra hole. To overcome Miss Stirling, Mrs. Vanderbeck had to play fifteen of the twenty-two holes in woman's par, the southern champion making twelve holes in par. The younger player had the better of the long strokes, but the Philadelphia was usually better in the short game.

COACH ANDY GILL IS IN CITY PREPARING FOR FOOTBALL WORK

Andy Gill, University of North Dakota football coach, arrived in the city last night to prepare for the 1915 season. He has ordered his candidates to report on September 16, a week before the university opens.

Gill has kept in touch with his football candidates throughout the summer. He is very optimistic over the outlook and expects a big squad of exceptionally good men. He believes a week will be long enough to get them in condition, as most of them have been keeping in form during the summer.

The football mentor expects a number of changes in the lineup. Murray, star backfield man, probably will be tried out at an end position, and Heimkey will be tried at the other.

NATIONAL LEAGUE

Make Clean Sweep. Philadelphia, Sept. 11.—One of the longest hits ever made in the history of Philadelphia park—a drive over the deep center field wall—by Cravath with the bases full in the eighth inning, gave Philadelphia a 7 to 3 victory over New York yesterday and a clean sweep of the series of four games. Teague and two new players, McQuillen for six innings, and also sent in all of New York's runs with a single, which scored two runs, and a home run. Teague began to weaken in the seventh, when the score was tied on doubles by Luderus and Whitte. Niehoff's sacrifice and an out. Stock's single and two passes, then came Cravath's remarkable drive.

Philadelphia, Sept. 10.—R. H. E. Philadelphia . . . 7 7 1 Boston . . . 3 4 0 New York . . . 3 7 1 McQuillen and Burns; Teague and Meyers.

Boston Wins and Loses. Pittsburgh, Sept. 11.—Boston lost the first game of yesterday's double-header to Pittsburgh, 8 to 1, but evened up by taking the second game, 10 to 0. Adams was effective in the first game, while Nehf and Barnes were both hit hard. In the second critical times, but this opponent, Kantner, was wild, which practically lost the game for the home team. Scores:

Pittsburgh . . . R. H. E. Boston . . . 8 2 2 Pittsburgh . . . 10 0 0 Cantelner and Burns; Rudolph and Gowdy (10 innings).

St. Louis Wins. St. Louis, Sept. 11.—Cincinnati finished the season with St. Louis here by taking yesterday's game 7 to 1, making a clean sweep of the series. Lear was in great form and allowed but three hits, while the visitors took advantage of Meadows' wildness, which, combined with a series of singles, gave them a lead of seven runs. With this handicap, Manager Huggins sent in Lalime, a recruit from the three Eye league, who finished in good style. Score:

St. Louis . . . R. H. E. Cincinnati . . . 3 2 0 Meadows, Lamline and Gonzales; Lear and Wingo.

REACHED THE LIMIT. The Manager.—You've jumped over the cliff all right and you faced the lions and tigers in a fine shape. Now in the next second, you capture a live mouse with your bare hands and the movie actress—Not for a million. Here's my resignation. Judge.

LEAGUE LEADERS STRENGTHEN HOLDS

Contenders for Title Fail to Help Standings in Yesterday's Play.

New York, Sept. 11.—The leaders in both American and National league races stepped ahead of their rivals by winning their games yesterday while the other contenders failed to help their standings. The Philadelphia Nationals by defeating the now tail-end New York Giants and thereby making a clean sweep of the series, gained half a game on both Brooklyn, which had an open date, and Boston, which won and lost in a double-header with Pittsburgh.

The Boston Americans made their lead over Detroit more secure by winning from Philadelphia while Detroit was losing to Cleveland. This victory placed the Sox three games ahead of the Tigers. The Tigers move eastward today and begin a long series with the Yankees at New York, when they then go to Boston for what may be the decisive series of the race. Pending the arrival of the Tigers, the Red Sox will entertain Chicago, which made a valiant fight for the lead, but which is now nearly, if not completely, eliminated.

The Philadelphia Nationals, whom baseball critics have been expecting to "crack" since they started off with a string of victories at the very beginning of the season, have failed to develop the forecasted slump and now find themselves three and a half games ahead of Brooklyn and four and a half ahead of Philadelphia. The team, which Manager Moran considers his most formidable opponent. This lead has been gained largely at the expense of the Giants, who for the first season in five years find themselves not only out of the race, but in undisputed possession of last place. What the Phillies will be able to show against the somewhat stronger western clubs is the question that is now interesting followers of the game.

Brooklyn Wins Easily. Boston, Sept. 11.—The Boston Americans gained their battling eyes yesterday and easily from Philadelphia, 7 to 2. Ruth was batting except in two innings, the fifth, when McEinn's single, Oldring's double and a wild pitch scored the Philadelphia runs, and the ninth, when he let up for several moments, but regained control. Score:

Boston . . . R. H. E. Philadelphia . . . 7 2 0 Ruth and Chalmers; Wycoff and McAvoy.

Postponed Game. New York, Sept. 11.—New York and St. Louis played off a postponed game here yesterday which was won by the visitors, 3 to 1. Vance, a recruit from St. Joseph, Mo., started his first game for New York and made a good impression, but New York could not hit Hamilton. Score:

New York . . . R. H. E. St. Louis . . . 3 6 0 Vance and Kreuger; Hamilton and Seaver.

DETROIT DEFEATED

Cleveland, Ohio, Sept. 11.—Ineffective pitching by James and Coveleskie allowed Cleveland to defeat Detroit, 6 to 2. Kieffer kept Detroit's seven hits well scattered. Smith's hits and sacrifice flies accounted for four of Cleveland's runs. Score:

Cleveland . . . R. H. E. Detroit . . . 6 2 2 Kieffer and O'Neil; James, Coveleskie, Oldham and Stange, Baker.

Washington-Chicago game not scheduled.

FEDERAL

Brookfield Wins. Brooklyn, Sept. 11.—Brooklyn continued its winning streak yesterday by defeating the leading Pittsburgh, 2 to 0. Bluejacket held the visitors to three hits. The two runs were scored in the third inning. With two down, Myers singled and Magee walked. Myers stole third and scored on Kautf's single. Magee taking third. Barger then threw to first to catch Kautf napping and on the run-up, Magee stole home, Kautf taking second. Score:

Brooklyn . . . R. H. E. Pittsburgh . . . 2 0 0 Bluejacket and Land; Barker and O'Connor.

St. Louis Wins. St. Louis, Mo., Sept. 11.—Davenport yesterday pitched a two-hit game against Newark and enabled St. Louis to win from the visitors, 3 to 0. Campbell's two scratches robbed Davenport of a no-hit game. Only one did a visitor get by first base. Scheer, the only man passed by Davenport, stole to second but was retired there. Score:

St. Louis . . . R. H. E. Davenport and Chapman; Seaton and Rariden.

Buffets Win. Kansas City, Sept. 11.—Bunched hits of Main gave the opening game of the series to Buffalo, 3 to 1. Doubles by Hoffman and Chase with a pass to Meyer in the first inning brought in two runs for Buffalo and another was counted in the sixth, when Lou den walked, stole second and scored on Engle's single. Lou den suffered a dislocated left arm when in the seventh he reached for a throw ball. Johnson finished the inning and Henning then took the mound. Kenworthy scored the only Kansas City run on a home run in the fourth. Score:

Kansas City . . . R. H. E. Buffalo . . . 1 7 0 Kenworthy and Johnson; Johnson and Zenroth; Bedient and Allan.

TROUBLE BREWING FOR BAN JOHNSON

New York, Sept. 9.—The grand sport of trying to buy a pennant, so lately instituted by the American league, is in for a drastic bit of legislation when the magnates congregate around the hot stove this coming winter, unless something goes awry. Several clubowners, particularly in Washington and New York, are going to present some mighty strong arguments against a few magnates with a lot of money being permitted to operate all the stars in the league and make a one, two or three-sided affair of the race.
