## NAME OFFICIALS FOR BIG EVENT

### Fargoans Ready for North Dakota Varsity Tomorrow Afternoon.

Fargo, N. D., Nov. 5.—Dr. Harmon of St. Paul, who officiated as referee in the Fargo college-agricultural game played at the stadium a week ago, will fill the same capacity in the "aggie" university game to be played at Dakota field tomorrow afternoon at 2:30 o'clock and which will decide the championship of the state. Announcement to this effect was made last night.

Dr. Geese of Pennsylvania and well known in football circles in the east, has been procured by the agricultural college to act as umpire. Chick Kirk of Iowa will be head linesman. Mr. Kirk officiated in this capacity at the Fargo college "aggie" game last week.

Interest in the coming conflict between the two elevens representing the largest educational institutions in the state is general. Requests for reservations are pouring in from all parts of the state. One of the largest attended games in the history of the state—if not a record breaker—is expected. There is no fear on the part of the agricultural officials in not being able to care for the crowds.

### No Report Last Night.

No report was forthcoming from the training quarters of the "aggie" camp last night. It is known that practice all week has been on the "t." From a week of such practice it can be expected that Coach Paul Davis is going to spring a few surprises and make the game as interesting as possible for the university elevens. The loss of Catlin and Bolsinger has seriously crippled the agricultural team. The varsity will probably be minus the service of one of its best men, Captain Lynch.

### The "Aggie" Backfield.

Speculation has been rife as to the makeup of the "aggie" backfield since the loss of Catlin and Bolsinger. It can be expected for certain, according to official advice last night, that Movold will be at his old position of quarterback; Nemsek will be at full; MacQuillan and Gasette, halfbacks; Crawford and Orndorf are sure, it is stated, of their positions at end.

## CHARTERS GRANTED STATE CONCERNS

Bismarck, N. D., Nov. 5.—Thomas Hall, secretary of state, reports the following new corporations organized in the state, for which charters have been granted out of his office from October 16 to October 30, inclusive:

Parkhurst, Dennison company, Kempton, Grand Forks county; incorporators, W. N. Parkhurst, Kasson, Minn.; O. W. Parkhurst and R. W. Dennison, both of Kempton; capital stock, \$5,000.

Saint Anthony Hotel company, Beach, Golden Valley county; incorporators, Peter S. Washer, Anna E. Washer and E. E. Reave, all of Beach; capital stock, \$50,000.

Farmers Union Elevator Warehouse and Consumers' Co-operative company of Fort Clark, local No. 27, Fort Clark, Oliver county; incorporators, L. E. Dresser, H. O. Monson and John Anderson, all of Fort Clark; capital stock, \$1,000.

The Equity Elevator and Trading company of Nortonville, Nortonville, LaMoure county; incorporators, Jas. Withnell and Chris Bingsley, both of Nortonville, and H. N. Jordan; capital stock, \$15,000.

Farmers State bank, Vashli, Stutsman county; incorporators, C. K. Wing and J. R. Lovell, both of Carleton, and O. J. Rued, Woodworth; capital stock, \$15,000.

St. Vincent's church of Stirum, Stirum, Sargent county; incorporators, James O'Reilly and John Baker, both of Fargo, and Matthew C. Hart, Stirum.

## WOMEN OF FARGO TO FIGHT RATS

Fargo, N. D., Nov. 5.—At the session of the city commission it was voted that a committee consisting of Mrs. M. A. Hildreth, Mrs. R. M. Pollock and Mrs. Kindred, should confer with Mayor Emerson and Commissioner Alex Stern on Saturday morning at 10 o'clock for the purpose of discussing the rat situation in Fargo.

## DISMISS CHARGE AGAINST F. R. JONES

Fargo, N. D., Nov. 5.—The criminal charge against Fred R. Jones, former night watchman at the Great Northern station here, who was charged with having made an assault with the intent to kill on the person of Harry Pierson, former Great Northern baggage man on Thursday morning at 1:30 o'clock, July 22, 1915, in front of the Ben Fubusing home, 554 Fourth avenue north, was dismissed in the district court on motion of the state's attorney. Jones was represented by Attorney V. E. Lovell.

William Schults, who was charged with grand larceny, was allowed to plead guilty to petit larceny, and was sentenced to thirty days in the county jail.

## BARNESVILLE HAS 25 LEPER CASES

Barnesville, Minn., Nov. 5.—Because alarmed mothers complained to the Minnesota state board of health that straggling officers forced their children to attend school when the city was in the throes of an epidemic of scarlet fever, Dr. Burns, head of the Minnesota board of health, personally visited the Barnesville public schools to make an investigation.

He learned that there were 25 cases of scarlet fever prevailing in that city. On visiting the city schools he found one case of tonsillitis, two cases of scarlet fever, and 15 pupils about ready to come down with the disease. He stated that the cases for the most part were mild and he advised the school authorities of Barnesville to secure the services of a school nurse for a month or more. He asserted that there was no need for the closing of the schools.

## TWO ACQUITTED OF LARCENY CHARGES

Fargo, N. D., Nov. 5.—When Judge Charles A. Pollock of the district court instructed the jury sitting in the case of Albert Rodenkirch, charged with grand larceny, that the testimony of the state's witness was sufficient to convict and advised the jury to convict, which was done. The state's attorney dropped the charges.

## ONE HURT IN AUTO SMASH UP

### Woman Thrown From Car in Collision on Street in Moorhead.

Fargo, N. D., Nov. 5.—When two Ford touring cars, one driven by Rev. F. M. Eckman, pastor of the Swedish Lutheran church of this city, and the other by an unknown Fargo youth, the car bearing the number of 21,749 N. D., met in a side collision in front of the Comstock hotel, Mrs. Lundgren of Wolverton was hurled from the Eckman automobile to the street, receiving several slight cuts about the head.

Mr. Eckman and party started from his home to the Great Northern depot with Mrs. Lundgren in the rear seat. She had been ill for the past few weeks and had been confined at a local hospital. When in front of the Comstock hotel the Fargo car rounded the corner with very dim lights and Mr. Eckman, not seeing the car in time, was unable to head off the crash which sent Mrs. Lundgren to the ground. She was at once picked up and taken to the Eckman home.

The Fargo youth stopped at the scene of the accident for several minutes but did not give their names. Officer Bergstrom arrived at the hotel in time to get the number as the car left for Fargo. Mr. Eckman's car was quite badly damaged and had to be hauled to a repair shop, the front

## W. F. BACHER NEW FARGO MINISTER

Fargo, N. D., Nov. 5.—Rev. W. F. Bacher, who arrived in Fargo from Duuth, will preach his initial sermon as pastor of St. Mark's English Lutheran church Sunday morning at 11 o'clock, and it is earnestly hoped that every member of the church and all friends will gather to welcome him to the church and Fargo.

When folks begin to believe everything a man says, he is getting too good for this world.—Norfolk Ledger-Dispatch.

## BANDITS MAKE RAID ON LINE

Fargo, N. D., Nov. 5.—Twenty dollars worth of women's clothing was stolen from the clothes line at the residence of Mrs. W. H. Grasse, Sixth street south, and so far no trace of the thieves has been found. The theft was reported to the police and a search was made but without the desired results.

In speaking of the incident Mrs. Grasse said that she heard an automobile stop for several minutes in front of her home. At the time she thought nothing of a car stopping there but in the morning when she noticed that all of the clothing that had been left on the line the night before was missing, she formed the opinion that the work had been done by auto bandits.

It is said that this is not the first time that clothing has been taken from lines during the night both in Moorhead and Fargo. There is no way of catching these thieves and the experience of Mrs. Grasse should be a warning to other housewives who leave their washing out on the line over night.

## SILK TRAIN MAKES NEW RECORD RUN

Jamestown, N. D., Nov. 5.—The Northern Pacific railway made a record run with a cargo of silk valued at \$3,000,000 from Seattle to Chicago. This special train consisting of 19 cars, arrived at St. Paul 105 minutes ahead of its schedule, October 28 and after a change of engines was rushed through to Chicago and New York.

This shipment came from one of the Blue Funnel Line steamers at Seattle and was transferred to the special train which had been placed alongside of the ship.

## AGED MAN KILLED BY AN AUTOMOBILE

### On Returning to Home in Moorhead He Walks Against Moving Car.

Fargo, N. D., Nov. 5.—Daniel W. Dowd, about four score years, living on the eastern outskirts of Moorhead, was instantly killed in that city in the intersection of Ninth street and First avenue south while returning to his home by being hit by the big roadster owned by Dr. Marcus M. Fulton, veterinarian, 508 Ninth street south, Moorhead, who with Mrs. Fulton, was returning from a professional call.

Wife Sees Man at Crossing.

According to the story told by the veterinarian at his home, he had turned south from Front street onto Ninth street. When he approached the Northern Pacific tracks he slackened speed and slowly made the crossing. He then steered his machine into the middle of the road. First avenue lies but a short distance beyond the tracks. After crossing the tracks, Mrs. Fulton noticed a small man on the south side of the avenue. A second later he was lost in a shadow.

Hears Body Strike Against Car.

When in the center of First avenue, the veterinarian stated that he heard something strike against the right side of his machine. He stopped quickly, probably within 50 inches, he said. He then got down from the right side of his car and almost stepped upon the form of a man, the head and a portion of the trunk being under the car and the limbs to the west. The hind wheel was about to cross over the abdomen. The doctor stated he pushed the car himself which permitted the removal of the body from the grip the hind wheel had on it.

Carried Body to Side of Car.

He then carried the body to the left side of the car and placed it on the fender. Life was extinct. There was only one mark on the body and that was a rather large gash on the left cheek. Chris Schill, a Moorhead plumber, arrived on the scene, and in his machine took the man to the Northwestern hospital. Dr. Fulton in the meantime going for Dr. Humphreys, who arrived at the hospital five minutes later. It was plain the victim was killed instantly. Later the body was taken to the undertaking establishment of Beck & Morrow.

Seemed to Walk Into Car.

According to the story told by Dr. and Mrs. Fulton, Dowd walked right against the moving car, which was traveling at a very slow rate after just crossing the tracks. He neither appeared in the front of the glaring lights of the doctor's car nor was run over by the front right wheel. The first knowledge that Dr. Fulton had that something was wrong was when he heard something strike the car and he stopped to investigate and about stepped upon the body. Not a sound was uttered by the man when he fell.

Dowd, it was stated, was small of stature—about four feet and was considerably stoop shouldered. It was evident that he was walking east to his home at 110 Twelfth street south. He wore a heavy cap with a long visor. This was still on his head when he was taken from under the machine.

Topped Over Against Car.

It is the belief of both Dr. and Mrs.

Hears Body Strike Against Car.

When in the center of First avenue, the veterinarian stated that he heard something strike against the right side of his machine. He stopped quickly, probably within 50 inches,

Fulton that the aged gentleman was talking blindly along and that because of his old age, when he realized his closeness to the machine, he toppled over, falling beneath the car, the rear right wheel being about to pass over him. In falling, the impact he received on the left cheek from some under part of the car, is thought to have resulted in his death.

Persistent efforts to learn something about the victim were futile. It was said that he has been living alone on the eastern outskirts of Moorhead for years, and that he was between 75 and 80 years of age. Two of his sons are said to be railroad men. Their addresses could not be learned.

## STEERS FROM STATE BRING FANCY PRICE

Fargo, N. D., Nov. 5.—A. Wells of Sanford recently sold nineteen fat Hereford steers in Chicago for what is said to be the highest price ever paid for beef cattle raised in this state. The steers were three years old, prime, and averaged in weight more than 1,600 pounds each. They were born in North Dakota, grazed here and finished on corn and alfalfa grown in this state, so they were strictly North Dakota cattle. They brought \$10.25 a hundred, an average of \$170.15 for each steer.

Envy has torpedoed many a friendship.
