Child Adoption by Wealthy People Is on Thoroughly Scientific Basis. New York Times. Child adoption is no longer a haphazard business. The good, old way of the "John Doe" and "Johnnie" is fast disappearing. There are no signs of a return to the old-fashioned method of adoption. It is a thoroughly scientific process. The child is adopted on the basis of a thorough investigation of the child's background and the parents' ability to care for the child.
