At the meeting it also decided that Lee Fohl will be retained as manager and that several new players will be given him to strengthen the club.

Associations for the sale of the Cleveland club have been in progress for several months, in fact ever since the close of the 1915 season.

LEGISLATION TO END THIS WEEK

American League and National Commission to Hold Sessions.

New York, Feb. 17.—With meetings of the American league and the national commission in this city today and tomorrow and a special session called by President Gilmore to wind up the affairs of the federal league at Chicago on Saturday, the annual winter season devoted to major league baseball legislation will probably close this week.

As was the case when the National league had its session here last week, the American league club owners will be called upon to welcome new representatives of two clubs.

President Ball, who recently purchased the St. Louis Browns, will make his formal entry to the major league club and the principal stock owner of the Cleveland club will be called upon to make a similar purpose.

The national commission soon promises to be a very busy one. Several tangled skeins of the Federal league yarn have to be unraveled, not the least being the Baltimore difficulty in which President Barrow of the International league is playing a leading part.

The merger recently promulgated by the National Association of Minor leagues which affects ten baseball centers in New England territory will be discussed so that the next session of the commission may extend over Sunday.

HE'S LIKE TY IN ONE RESPECT, ANYWAY

Dave Bancroft

David James Bancroft, youthful shortstop of the champion Phillies, might be called, without flaking, the Ty Cobb of the National league, since like the Georgian he ranked first in his organization in being stopped by the catchers when he tried to steal.

Unlike the great Ty, however, who was a 75 sack smasher, Bancroft had a low baserunning vernacular. He set out to pilfer on 42 occasions and was turned back without achieving his design twenty-seven times.

Tom Griffith of the Reds, an ex-Brave, had little success in outwitting Bancroft, for the backstops turned him back twenty-four times and he only got away with six successful burglaries, making him a .200 baserunner. George Catbush of the Yankees was frustrated twenty-three of his attempts at base burglary; El Myers, also a hireling of Charles Hercules Ebbets, in twenty-two, and Bob Fisher of the Cubs and George Burns of the Pirates, each in twenty. Max Carey of Pittsburgh, who topped the National in thefts, was nipped by the catchers on seventeen occasions, and Charles Herzog of Cincinnati, the second best baserunner in the Tenor community, on sixteen.

Only one National leaguer of 1915 who stole twenty-five or more bases got by without being kept from stealing ten or more times. He was Victor Sylvester Saier of the Cubs, and he was stopped on nine occasions.

BATBOY SIGNS TO PLAY WITH TIGERS

Philadelphia, Feb. 17.—Fred Moore, who stole twenty-five or more bases for the Athletics, has signed a contract with the Detroit Tigers. Moore, who is an infielder, is only 18 years old. He has played first base for the Athletics in a number of exhibition games. "Connie" Mack did not think he was ripe for major league baseball, but someone tipped off the Detroit manager that Moore was a try-out.

PICKS CHOICE OF THEM

Charles Z. Colson, former secretary of the Mobile club, did not accept the appointment of secretary of the Southern league as expected, but instead chose the position offered him as secretary of the Atlanta club, which pays about the same salary and is more to his liking.

A CHANCE TO GET EVEN

Charley Jackson, who has pitched for about every club in the Western league at one time or another, has been named chief of police of his home town of Scott's Bluff, Neb. He writes that his town henceforth will not be healthy for crooks, hoboes and some umpires he knows.

WISH HESS BEST OF LUCK

According to a news dispatch from Vernon, Nether Otto Hess has been "tutored" out of the Western league. Just who turned Otto over is not clear, since the understanding is that he has been a free agent for some time. However, he is hoping an acquaintance Schmitz makes good and grows young again in the California climate.

DYBERT APPLIES FOR JOB

Among the applicants for the job of managing the Fort Smith team of the Western association are Jimmy Dybert, once a pitcher with the Athletics, and Connie Walsh, who has successfully managed other minor league teams. Both, however, are pitchers, while the Fort Smith club desires an experienced catcher to lead its team.

PUT STOMACH IN FINE CONDITION

Says Indigestion Results From an Excess of Hydrochloric Acid.

Indigestion food delayed in the stomach, decays in the ferment, the same as food left in the open air, says a noted authority. He also tells that indigestion is caused by Hyper-acidity, meaning there is an excess of hydrochloric acid in the stomach which prevents complete digestion and starts food fermentation. Thus everything eaten sour in the stomach, much like garbage thrown in a can, forming acid fluids and gases which inflate the stomach like a toy balloon.

He tells us to lay aside all digestive aids and instead get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast and drink while it is effervescing and thereafter, to continue this for a week. While relief follows the first dose, it is important to neutralize the acidity, reduce the fermenting mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

WILLARD UNABLE TO START WORK

Cold Prevents Him From Training—Postponement Agreed Upon.

Chicago, Feb. 17.—Postponement of the Willard-Moran bout at Madison Square Garden, New York, to March 25 was agreed upon by all the principals involved except Moran and it was said he would offer no objection. A brief visit to the champion Lewis in Rogers Park convinced Dave Lewinsohn, representative of Tex Rickard, the promoter, that Willard could not get in shape by March 8, the original date, and over the telephone he obtained Mr. Rickard's consent to the delay.

With Tom Jones, Willard's manager, Lewinsohn interviewed Jess and found him suffering from a cold that interfered too much with his breathing to allow him to train consistently. Jones agreed to stay with Willard until he recovered sufficiently to begin work and then to take him to New York, where all his rounding into shape is to take place. Physicians were not sure when Willard would be able to start work, but it is expected it will be in two weeks or less.

FRAT SUSTAINS JIMMY JOHNSTON

New York, Feb. 17.—Refusal of Jimmy Johnston of the Newark Federal league club to sign a contract with the Brooklyn Nationals to which he was sold, has been sustained by the baseball players' fraternity, according to a statement issued last night by President David A. Fultz. It is contended that Johnston signed a contract with the Newark Feds for 1916 and 1917 in which his salary was guaranteed for that period.

INDOOR TENNIS MEET PROGRESSES

New York, Feb. 17.—Victories of R. Lindley Murray of California and Ward Starbuck, former Harvard star, by which the national indoor tennis championship were the features of yesterday's play. Each won in straight sets.

Murray wasted little time in lifting his game to its fastest pace against Dr. A. W. Walte, the Dublin university star, who lost in two straight sets. The national indoor tennis championship was held at the Metropolitan Club in New York City. The champion, R. Lindley Murray, was defeated by A. Walker, Jr. of Washington and Murray are coupled for the final round.

MAHAN TO COACH CALIFORNIA

Cambridge, Mass., Feb. 17.—Eddie Mahan, captain of last year's Harvard football team, will coach the University of California backfield in the fall. Mahan has not signed a contract with California, but has assured the manager of the team that he will accept the position.

SMITH GOES TO MONTREAL

The Pittsburgh Pirates have returned Outfielder Paul Smith to the Montreal Royals. Smith was taken on in the draft last fall, but Manager Callahan decided he would be of no use to the Pirates.

TEMPERAMENT IN BUNCHES

Rufe Gilbert, manager of the Terre Haute team, is a colorful character in the baseball world. He has Joe Vetter, a brother, already on his player list. Now he is after Paul Cobb, brother of the famous Ty. He plans to use both sons of noted families in the outfield.

The Phi Delta Theta and Commons teams of the University "Gym" basketball league were the winners last night in the final game of the season.

POWER PLANS NEGRO LEAGUE.

Rube Foster, the colored impresario of the national game, plans to organize a "major league" of his own, to be composed of dinge teams in Chicago, St. Louis, Evansville, Indianapolis, Kansas City and so on. Such a league has long been talked of and if Rube can put it through he will have climaxed a long record as a manager, manager and player. Doubtless there are thousands of negro fans in the larger cities that would support an organization of the kind and Rube would not interfere with the league using only white players. There is only one possible drawback—there will be no federal league now, and it is doubtful if the establishment of such a league is possible.

Physical Director F. D. Thompson of the university last night announced the football schedule for the 1916 season. It follows:

LITTLE CHANGE IN BOWLING TOURNEY

Minneapolis, Minn., Feb. 17.—Interest in last night's play in the international bowling association tournament centered about the Nienstad and El Rantan teams of Chicago who were expected to roll into a place among the leaders in the five men team event.

The only change in the positions of the leaders yesterday was made when A. Mystrom and J. Miller, St. Paul, bowled into first place in the doubles event with a score of 1234.

The high score of 638 in the singles, held by F. Vanna, Minneapolis, was not endangered, and the Centrals, from Minneapolis, still headed the list of five men team leaders with a total of 2,880.

CHICAGO ATHLETE WINS "V" EVENT

Chicago, Feb. 17.—Paul J. McGary of the Chicago Central Young Men's Christian association, Chicago, won the international amateur athletic federation track meet, it was announced yesterday. His score was 365.6 points and he was thirty points ahead of his nearest competitor.

McGary headed a field of athletes numbering thousands. The competitors were from all parts of the civilized world now embraced in the zone of war. The scores were kept in accordance with a uniform chart, arranged two years ago, for athletic competitions around the world.

Scores from all over the world where competition took place were forwarded to Chicago for tabulation, and the result of that tabulation was announced yesterday.

McGary has shown that he has all-around athletic ability by making 114 points on a certain point for the Y. M. C. A. medal tests. He is 19 years old, started his career in athletics when 13, and was captain of the north district high school basketball team in 1915.

COYOTES TEAR HIS CLOTHES OFF

Washburn, N. D., Feb. 17.—This is not exactly the land of the woolly west but Brakeman Shaw of the Soo thought it was when he was on his way when ten coyotes attacked him and tore his clothes. He had been sent out to put torpedoes on the track ahead of the freight. When he was in the middle of the track the coyotes started toward him. He kept them off for a while with the torpedoes. When they were gone he called the freight train and they stayed by their prey until the freight came.

PNEUMONIA IS CAUSE OF DEATH

Sheldon, N. D., Feb. 17.—Lewis Svigum, aged twenty years, a son of Mr. and Mrs. A. Svigum, residing a short distance southwest of Leonard, died at a Fargo hospital following an attack of typhoid-pneumonia. The boy contracted the disease nearly two weeks ago and was taken to Fargo for hospital treatment. His parents were at the bedside when the boy came to his end. The body was shipped to Leonard where the funeral will be held and interment made.

He encountered great difficulty in stopping the flow of blood but finally managed to get his leg straight and stop the bleeding before any serious accident was encountered. John Bloomdale and family at one time were residents of Fairmount.
