On Hands, Went Up Arm to Shoulder, Then on Face. Awake Nights Scratching.

HEALED BY CUTICURA SOAP AND OINTMENT

"At first I noticed little red blotches on my hands, and then on my arm to my shoulder and then on my face. My hands were rough and inflamed and the itching was so intense that I had to scratch which made them bleed. I used to be awake nights scratching all the time. I was not able to put my hands in water or do my work because it was so painful. My hands were disfigured something terrible. Cuticura Soap and Ointment and I thought I would try them. Two boxes of Cuticura Ointment and two boxes of Cuticura Soap healed me entirely." (Signed) Miss Bertha Durkin, 2447 Ashura Ave., Chicago, Ill., July 14, 1915.
