PROMINENT MEN ON COMMITTEES

Commercial Club and Merchants Association Combine to Boost Event.

\$2,500.00 IN GOLD GOES TO WINNERS

Strongest Aggregation of Teams Ever Seen in Northwest.

A joint meeting of the directors of the Commercial club and the Merchants' association directors was held yesterday afternoon.

C. W. Graves, secretary of the Commercial club, will head the publicity committee and be assisted by W. E. Quigley.

The arbitration board, which will decide all controverted points, is composed of John D. Turner of the Turner cash and door factory; J. E. Sheehy of the Geo. E. Duiss company, and Hank Knudson of the Stanchfield store.

The general committee is made up of C. Sheehy, chairman; C. E. Garvin, W. H. Kelsey of the Kelsey Development company, J. E. Turner, J. R. Carley, D. V. Moore, secretary of the State Faded and the entries will be allowed. Twenty-one teams are now scheduled and it is thought this will be increased to twenty-five.

Secretary Graves is today mailing out the bonds and regular entry slip. Each team entering must put up a \$100 bond that the club will show on the grounds at the time specified or forfeit that amount.

Five More Teams Enter. Five more teams are now in the entry list. Fisher, Oslo, Bownmont, Perth and Aneta have been the latest to send word here and the entries will undoubtedly be closed at midnight tomorrow.

As soon as these bonds are returned the club will draw for the first preliminary games and all teams left in the hat after the 16 are drawn will draw a bye and be matched up with the winners in the first eight games. Then the winners of these games will play four games, and these four winners will draw a bye and be matched up with finally the championship contest will be played.

A player that starts with one team

cannot play with another. This of course is to prevent loading up as the beaten teams are put out of the running.

Big Purses. The purses are well worth coming after. The winner gets \$500, second place draws \$300; third \$200; the next four teams get \$100 each and all of the remainder of the clubs receive \$50 each. Every club entered is assured of \$50 at least. The promoters take all gate receipts and apply it on the purses and the deficit, if any, will be raised in Grand Forks.

INKSTER TOURNAMENT POSTPONED. Due to the weather the Inkster baseball tournament has again been postponed, this time until Friday, July 7th. Forville, Inkster and Larimore are in the tournament. Bigger arrangements are now being made for the new date. Besides the baseball games there will be a merry-go-round, shows and a big dance. Everybody is welcome to one of the cleanest little cities in the state.

Harry Sallee, \$10,000 Man, Quits Baseball; Tired of Game, Jumps St. Louis

St. Louis, Mo., June 30.—Harry Sallee, pitcher for the St. Louis national bank, has retired from the game, according to a statement issued by Schuyler Britten, president of the club yesterday. The statement of President Britten follows: "He simply said he has quit the game. I wanted to reinstate him, because we wanted him, but he came out in plain words and told me he was tired of the game."

"Sallee did not ask to be traded. When he told me that he did not want to play any more, I asked him if he wanted to move to another club. I had an offer of \$10,000 cash for him, and New York wanted to give me Tesreau for him but I turned down both propositions. "He simply said he was getting tired of the game. I hope he changes his mind. We can use him, but he informed me that he was not holding out for a more money or holding out for a deal that would take him away from the Cardinals."

Sallee was suspended two weeks after leaving the club in New York and failing to report at Cincinnati.

Cando and Brinsmade Lose to Starkweather

Starkweather, N. D., June 30.—Starkweather defeated Cando on the local diamond in a hotly contested pitchers' battle between Kernaghan for Cando and Brown for Starkweather. The score was 2 to 1. Brown for the local team was given errorless support and two of his four hits he allowed were scratches. Starkweather scored one in the first inning on an error, a passed ball and a sacrifice. Another was counted in the seventh on a hit, a sacrifice and an error. Cando sent a run across in the third inning on a hit batsman, a hit and a passed ball. The local club was handicapped by the absence of Catcher Day who is out of the game from injuries.

Starkweather, N. D., June 30.—After Brinsmade had beaten Cando by a score of 1 to 0 in the afternoon game at the big celebration at York, Starkweather won from Brinsmade by a score of 2 to 1. It was a well played game, featured by sensational fielding, chief of which was a wonderful running bare-handed catch by Harlie that prevented the score from being tied. Brinsmade scored its only run on a long home run drive by George Simpson, Chicago, who was hit by a pitch. Starkweather runs were the result of clean hitting.

R. H. E. Brinsmade..... 1 4 2 Starkweather..... 2 1 0 Batteries for Starkweather: Holmberg, Lantz and Day; for Brinsmade, Henry and Tester.

CHICK EVANS JR. IS A COMEBACK

The Former National Golf Champ Breaks Course Record at Minneapolis.

Minneapolis, June 30.—Charles (Chick) Evans, Jr., the amateur of Edgewater club of Chicago, who two years ago lost the national open golf championship, broke his bid fair to win that honor this year, in the opinion of close followers of the game. He gained a three-stroke lead yesterday in the annual tournament at the Minikahda club links here, and leads the field with a total of 139 for the first 36 holes.

Evans made 70 in the morning round and broke the course record in the afternoon when he turned in a card of 69. Wilfrid Reid, Wilmington, Del., professional, was second in today's play. Reid made 70 in the morning and was 33 strokes for the first nine holes in the afternoon. Then he started putting badly and took 22 for the second nine.

James Barnes of Whitewater club, Philadelphia, and Bob Peebles of Kansas City were tied with 145. Barnes was 71 in the morning and 74 in the afternoon, while Peebles was 73 and 72. Bob MacDonald of Buffalo and George Sargent of the Interlachen club of Minneapolis were tied for next honors with 146. Sargent had 75 and 71 and MacDonald's score was 74 and 72.

Evans played in excellent form all day. He was 32 out in the morning, taking 38 in, while in the afternoon he was 36 out and 33 in. His putting at all times was accurate. Many times he sunk the ball from the far edge of the green. A rain last night made the course rather heavy, but it was declared by experts to be in splendid condition for championship play.

If Evans retains his lead tomorrow it will be the third time in four years that an amateur has won the open championship. Francis Outmet won the title in 1913 and Jerome D. Travers was last year's champion. Tom MacNamara, Philadelphia, Fred McLeod, Alex. Ross and several other well-known players landed below 10th place.

TRAP SHOOTERS GATHERED HERE

Weather Yesterday Prevented any Extra Good Scores—World's Best Shot In.

With some of the best professional and amateur shooters in the country present, the 21st annual tournament of the Grand Forks Gun club opened at the fair grounds yesterday. The tournament is on today.

In the professional class, Geo. Trent of Brainerd, led the first five with 143, while H. C. Rinkie of Minneapolis was second with 140. O. N. Ford of San Jose, Cal., holder of the world's record in the amateur class with a straight run of 343, was first in the amateur event, his score being 136. Frank Holland of Devils Lake, familiarly known as "Holland's Oldest Son," and R. Czechik of Portal, N. D., were tied at 132 for second.

In yesterday's events, George Trent of Brainerd made the high run of the day, his count being 67 straight. Harry Stair of Crookston had 63 straight.

Mr. Ford's work is attracting unusual attention. He evidently had an off day yesterday, and with a high North Dakota wind to contend with could not get started.

Following are the scores made yesterday:

NATIONAL LEAGUE

Umps O'Day in Bad. Boston, June 30.—Smith held the Boston Nationals to four hits yesterday and Brooklyn won 2 to 1. The first run was scored by Burns poor throw to the plate by Evers. Neff forced in the other tally when he passed Outshaw with the bases full. Boston four was the result of a pass, a steal and Magee's double.

Much fault was found with Umpire O'Day's judgment on balls and strikes. Manager Don Gleason, however, thought Haughton of the local club conferred on the field and then the latter took a seat directly behind the plate, where he sat for several innings. The score: Boston..... 2 1 0 Brooklyn..... 1 4 2

Twenty-Seven Men Face Rixey. New York, June 30.—The Philadelphia champions checked their slump yesterday when after suffering five straight defeats, they won both scores of a double header from New York, 4 to 0 and 5 to 2. In the first game Rixey pitched remarkably, as only 27 Giants faced him. New York made four hits off him, but three were followed by double plays. In the second game the veteran, Chief Bender, hero of five world's series victories over the Giants, showed a flash of his oldtime form and held the Giants to seven scattered hits. Bancroft virtually won the game for the league champions in the second inning when he hit a home run with two on bases. Luderus made seven hits in seven official times at bat in the first game. Rixey pitched a masterly third inning of the second game. The scores: R. H. E. Boston..... 1 4 2 Brooklyn..... 2 8 8 Neff, Hughes and Truesser; Smith and Myers.
