

# Townley's Page in the Leader!

[ A feature of tremendous importance ]  
[ In EVERY ISSUE from now on ]

**R**EAD Townley's first message from jail on page 5! It's the first adequate plan proposed to rescue grain farmers from bankruptcy. In the next issue of the Leader Townley will explain what to do NOW to help put this plan over. In every issue of the Leader he will have a page on which he will set forth important plans for the future of farmer organization in this country. Or he will have other equally important messages for farmers.

Townley will be out of jail next February. What will he do then? What is he planning to do? What is he thinking out while confined behind bars? Townley will gradually unfold his mind and purposes in the Leader. We can not tip off his plans in advance. But we assure you there will be something BIG—something EPOCH-MAKING—when he gets to work again! YOU will want to follow Townley's articles. They will appear SOLELY in the Leader.

Townley is the most feared man in America—by the interests which exploit and oppress agriculture. They spent a fortune and six years of energy to get him in jail. They wanted him to get life. But it's only for 90 days. He will be out soon and AT WORK. He is a young man, only about 40 years old. His future is before him. He has yet untapped reservoirs of energy and thought to give to the cause of farmer organization in America. That is his life work. YOU must be prepared for what he is going to do when he gets out. And you can be prepared only by reading the Leader.

Townley's page in every issue! Would you miss even ONE of these articles if you could PREVENT it? Farmers have traveled 50—yes, 100 or 200 miles—to get to a Townley meeting. Meet him now face to face in EVERY ISSUE of the Leader, RIGHT IN YOUR HOME! And for only \$1.50 a year! Subscribe NOW, if you have never gotten the Leader. Renew NOW if you have let your subscription EXPIRE, or if it is ABOUT TO EXPIRE.

Remember, Townley's epoch-making articles, written in jail, to appear in the Leader only!

NOTE: The numbers on the address label of your paper tell when your subscription expires. Thus, if the numbers on your address label are "12 19 21," it means that your subscription expires December 19, 1921. The "12" stands for the twelfth month of the year. The "19" stands for the nineteenth day of that month. The "21" stands for 1921. Most of our friends subscribe for TWO years and so do not have the trouble of renewing every year. Send \$3 for two years, if possible. A COST OFFER—Add only a dollar to your remittance, and get postpaid Russell's history of the Nonpartisan league.
