A FEAST OF GOOD THINGS.

The Kandiyohi-Meeker District C. E. Convention, June 21, 22 and 23.

At the Presbyterian Church in Willmar, Minn.

The Rev. Wayland Hoyt, D. D. pastor of the First Baptist Church of Minneapolis, will deliver the Convention address on Friday evening. You cannot afford to miss hearing this noted divine. Dr. Hoyt speaks but once during the convention and that is Friday evening, June 21. Lawyer Evangelist Charles N. Hunt, of Minneapolis, president of the State C. E. Association, will address the convention Saturday evening; preach the Convention sermon Sabbath morning, and conduct the closing consecration meeting Sabbath evening.

Other noted C. E. workers to give addresses are Miss Carrie A. Holbrook, of St. Paul, secretary of the State C. E. Association; Mrs. J. Carrie Clark, of St. Cloud, editor of The Minnesota Endeavor; Miss Lucy C. Fowble, superintendent of Junior Endeavor work in Minneapolis; Rev. Geo. C. Pollock, D. D. of Litchfield; Rev. J. Handyside, of Atwater; Rev. Chas. S. Blackburn, of Kerkhoven; and Rev. W. H. Sinclair, of New London.

The above list of speakers ought to be an inducement for everyone to attend all the sessions of the convention. What a rare treat for the small price of -NOTHING! Yes it is ALL FREE! Dear reader, will you not come and enjoy the feast?

Very truly yours,
J. T. Oros,
District President.

The Keeley picnic will take place on Thursday of this week sure unless the elements forbid. Everybody is invited. Tickets for round trip on steamer will be sold at the low price of 25 cents per capita. Row boats at reasonable prices. Those who cannot bring baskets will find something to satisfy their appetites at low figures. Round trip railroad tickets will cost only forty cents. It is expected that a match game of base ball between the Willmar and Burbank clubs will come off in the afternoon.

A Chance For a Fine Trip.

The annual meeting of the National Educational Association occurs July 9th to 12th, 1895, at Denver, Col. A fine trip has been provided by the Great Northern Railway for persons who wish to attend it. The route is from St. Paul and Minneapolis through the Minnesota Park Region and Red River Valley, by Devils Lake, Great Falls, with its wonderful water power, industries and scenery, Helena, capitol of Montana, with its hot springs, Butte, America's famous mining city, and then by the way of Ogden and Salt Lake to Denver, and return via Omaha or Sioux City. Tickets on sale June 10th, 17th and 24th, good 30 days, with stop off privileges going. Tickets are sold July 4th, 5th and 6th direct to Denver via Sioux City, and return by Salt Lake, Ogden, Butte, Helena and Great Falls. Regular summer Montana and Pacific Coast excursion rates are now in effect and round trip tickets can be bought any day. For further information see Walter De La Hunt, agent, or address F. I. Whitney, G. P. & T. A., St. Paul, Minn.

The county auditor left on his wheel for Arctander yesterday morning. A meeting was held in the Town hall of that town yesterday to discuss a drainage project. It seems that our people in all sections are alive on the drainage question.

The Cornet band has made arrangements to go to Willmar on the Fourth, the committee on arrangements there having made the organization a very fair offer. The members of the band as well as a majority of our citizens would have preferred going to Appleton, but that town has a band and expects to hire only one to furnish music; consequently the crowd will undoubtedly go to Willmar. The latter town also has a band, but expects to engage two or three to play and appearances would indicate that arrangements are being made for a celebration of unusual magnitude. Our Willmar friends appear to be anxious to get a crowd from Benson and have taken the right steps to attain that object. —[Benson Monitor.

Farmers, Attention!

We have opened up in the Olson store building at SPICER an exchange store, where we will exchange Flour, Bran and Shorts for Wheat, giving just as much as either the Atwater or Willmar mills. We will also keep on hand at all times Flour, Rye Meal, Corn Meal, Graham, Bran, Shorts and Ground Feed for sale. Every pound of Flour warranted, and satisfaction guaranteed. Bring along your grists and give us a trial.

ELFSRUM & WEEDALL.

Peter Larson, of New London, stopped at the Cental Saturday.

Some of the boys in company with their best girls "biked" it to Atwater Sunday.

Miss Halvorson, of Norway Lake attended the Commencement exercises at the Seminary, Friday evening.

Rev. D. C. Jordahl, of Norway Lake, did business in town last Friday. The TRIBUNE acknowledges a pleasant call.

Conrad Olson, J. Emil Nelson and Rogulie Bros. drove out to the picnic at Sunburgh Sunday. They report a glorious time.

O. S. Reishus, clerk of court of Yellow Medicine county, was in town Wednesday of last week. The Tribune acknowledges a pleasant call.

Remember Dr. Hoyt, of Minneapolis, speaks at the Presbyterian church next Friday evening. No charge for admission to hear this gifted speaker.

Belgrade and Paynesville nines played a very interesting game of ball at Belgrade last Saturday. The score stood 7 to 13 in favor of Paynesville.

The ladies of the Swedish Lutheran church gave an ice cream social last Friday evening at the residence of Rev. Nelson. Ice cream, coffee and cake were served abundantly from 6 o'clock until late in the evening.

They had a great hailstorm up around Fergus Fall last Thursday. Ex-Congressman Boen was out in it and was knocked down by the hail. Henry Clews says that Wall Street rules the world. We wonder if it also rules the elements and meant to kill the noted populist.

The time for the Young People's picnic of the Tripolis Lutheran church has again been changed—this time on account of the Nelson-Moline wedding. It will be held Thursday, June 20th, at Magnuson's grove in town of Pablu. The exercises will begin at 10 o'clock a. m. The ladies will serve dinner at the low prices of 25 and 10 cts., the proceeds to go for the benefit of the church. All are invited.

Hon. Ignatius Donnelly, the author and statesman, took dinner at the Merchants Saturday. He was en route for some point further west.

Messrs. M. D. Manning, S. E. Stansberry, H. J. Ramsett and Hans Peterson attended the meeting of the Grand Lodge of the I. O. O. F. at Minneapolis last week, as representatives of the local branch of that order.

Invitations are out for the wedding of Miss Tilda Hanson, daughter of Peter Hanson, of Willmar, to Mr. Ole Sunquist, of Sacred Heart. The wedding will take place at the groom's home, near Sacred Heart, on Wednesday, June 19th.—[Gazette.

Remember the Brownie entertainments Friday and Saturday this week. The songs, choruses, etc., of about 80 children is alone worth the price of admission. You will enjoy the entertainment from beginning to end. St. Paul Pioneer Press speaks of it as follows: "It is the prettiest thing in the world. It is so much above the average affair of this nature that not only children and all lovers of children go to see it, but all who enjoy a pretty thing for its own sake should allow themselves a glimpse into this enchanted realm." Farmers, bring in your wives and children to the Saturday afternoon matinee and enjoy a visit to Fairyland, with its beautifully dressed fairies and comical horde of Brownies.

Last Sunday the enterprising people of Norway Lake had arranged for a picnic at Sunburgh, and a picnic they did have. The grove where the picnic was held literally swarmed with people, all the neighboring towns having representatives there. The program consisted of music by the Norway Lake Cornet Band, songs by the Norway Lake choir and quartette, speeches by Dr. Johnson, Carl Erickson from Pope county, A. O. Forsberg and several others. In the afternoon a very interesting game of ball was played by the Sunburgh 1st and 2nd nines, the score standing 2 to 3 in favor of the 2nd. The crowd broke up very late, and we believe everybody felt that they had spent the day very profitably as well as pleasantly.

The Graduating class of the Willmar Seminary had their Graduation picture taken at G. A. Carlson's gallery last Saturday, with their decorations.

The ladies of the Baptist church give a picnic next Monday in the grove of O. H. Ekdahl, south of Willmar. There will be singing, speaking, dinner, and a general good time. All invited to come.

The county auditor left on his wheel for Arctander yesterday morning. A meeting was held in the Town hall of that town yesterday to discuss a drainage project. It seems that our people in all sections are alive on the drainage question.

Gudmund P. Karwand has for sale the only Ball and Roller bearing Harvesters, Binders and Mowers in the world. Come and see the Deering Pony Binders. They are just what you want. At Sperry's old stand.

The following is an unsolicited testimonial of the first Pony Binder in use in the county last year:

There have been quite a number from all parts of the county inquiring about how the Deering Pony Binder works. I will in a few words state what I know about it. Nearly at the close of harvest last year I took a Pony out on trial and used it some over two days and it worked fine. We tried it in very heavy edged grain, but it did not clog once. It is very easily handled, both for driver and horses. One ordinary good team will handle it nicely all day if the field is not too hilly. I really think that it runs just as easy in the grain as the other Deering does out of gear. For gathering and making fine bundles of short grain I don't think it can be beat.

To tell it short, the fact is that a person can't help but being satisfied with the Pony.
Respectfully,
J. B. NYGAARD.

I respectfully solicit a continuation of the patronage which has been granted me in the past.
