There's No Better Place

For you to make money than right here in this best trading place at

The Boston One Price Bargain House.

We have been so long keeping such all-around values at such all-the-way-down prices, that it seems superfluous to advertise special bargains.

We have the largest line of Mens, Boys and Children's Suits and Overcoats that has ever been in this city.

Remember that we are the only Exclusive Mens' Outfitting House in Willmar and Kandiyohi County. Come in and see our stock of Clothing, Furnishings, Hats, Caps and Shoes, and you will be convinced of what we say.

The Boston One Price Bargain House,

J. D. Wolpert, Prop'r.

FRONT STREET, WILLMAR, MINN.

The work of excavating the basement for A. N. Lewis' brick block was commenced to-day.

Rodlun & Johnson are fixing up the show-windows in the front of their store in order to be able to display a few samples of their magnificent stock of fall goods.

A drizzling fall rain fell during Sunday and two nights, netting the rain catcher about two inches of water. As a result Monday was a holiday for the threshermen and a good many of them paid a visit to town.

The threshermen south and east of here are having their hands full this year in knocking out the grain. Farmers are all clamoring for their grain and the machines cannot handle the work in time to suit all of them.

The time remaining before the electric plant is supposed to be in running order is exceedingly short. A crew of men are planting poles and hanging wires, but there will evidently have to be more rushing done if the "magic light" shall beam in our city by next Tuesday, which is the limit set in the contract.

Marriage licenses have been issued at the court house as follows: Sept. 20th, Martin Sorenson to Miss Lizzie Brown. Chas. C. Olson to Miss A. J. Olson. Sept. 23rd, Martin Sanderson to Miss Ida Thygeson.

The school-house in Dist. No. 32, Town of Genesee was destroyed by fire last Saturday night, supposed to have been caused by lightning. All the text books and furnishings were consumed with the building, and are said to have been among the best in the county. The building was an old one, having been built 25 years ago, but was in good repair. The property was insured.

Bogart and Carruthers, the convicted strikers, were discharged from the employ of the Great Northern last Tuesday evening. A number of our prominent citizens waited upon the officials of the road and registered their remonstrance, but were coldly received and plainly told that the men were discharged for good. A petition direct to President Hill has been circulated and will be forwarded to-day.

GREAT "LOG-JAM."

Minnesota Woodmen Enjoyed a Grand Chopping Bee at Willmar last Friday.

Last Friday afternoon Willmar was seen to be putting on her holiday attire, and after the trains came in at noon, many strangers with Woodmen's badges were seen on our streets. It was the great red letter day for Camp No. 2423 of the Modern Woodmen of America at Willmar. There was all told between 95 and 100 candidates to be initiated in Woodcraft, the greatest achievement in that line of enterprise perhaps ever achieved. At 8 o'clock p. m. the visitors already in tow, and the old members of Willmar Camp, as well as the candidates to be initiated met at the rink and formed in torchlight procession to march to the depot to meet the Neighbors on the incoming train from the east. The weather was fine and the procession brought out large numbers of spectators, especially on Pacific avenue. The 8:50 train from the east was simply loaded down with neighbors. The "awkward squad" from Atwater was the first to alight and form in line and present with their awe-inspiring chopping axes. But all at once by measured tread and swinging step the uniformed team of Foresters of Flour City Camp No. 630, of Minneapolis, marched to the front to head the procession back to the rink. This well drilled team of Foresters, in their beautiful lumbermen's uniforms, and with chopping axes shouldered in regular military style, made quite an imposing appearance. Large delegations from each of the following places also alighted: Litchfield, Dassel, Kokato, Howard Lake and Annandale. Granite Falls was also well represented. So was Montevideo, besides smaller delegations from Hancock, Morris, Graceville, Benson, Kerkhoven, Amboy, Slayton, Marshall, Pipestone, Sacred Heart, Kingston, Clinton and Little Falls. Twenty-two towns were represented by about 300 visitors.

The procession marched back to the rink which, with Willmar people among which were many ladies, it filled up pretty well. Here a very elaborate and excellent program was rendered as follows:

- 1st. Piano Solo, Camilla Kornerrup.
- 2nd. "Welcome To-night," Howard Lake M. W. A. Glee Club.
- 3rd. Address of Welcome, Dr. C. Johnson.
- 4th. Response to Address of Welcome, M. P. Satterlee.
- 5th. Vocal Solo, "My Pretty Pearl," Miss Ella Mossberg.
- 6th. Address, W. H. Dawson, H. E. and S. D. H. C.
- 7th. "Old Farmer John's Violin," Howard Lake M. W. A. Glee Club.
- 8th. Address, Dr. C. A. McCook, lorn, Head Physician.
- 9th. Violin Solo, Prof. S. J. Rognlie.
- 10th. Address, W. H. Hastings, V. C., Flour City Camp No. 630, Minneapolis.
- 11th. Medley, Howard Lake M. W. A. Glee Club.
- 12th. Address, W. H. Kemper, Clerk, Flour City Camp No. 630, Minneapolis.
- 13th. The Chimes, Howard Lake M. W. A. Glee Club.
- 14th. Vocal Solo, "The Sweetest Story Ever Told," Miss Susan Wilcox.

The vocal and instrumental music was especially fine, and Misses Wilcox and Mossberg were encored time and again. It was 11 o'clock and the candidates were ordered to the Odd Fellows Hall for initiation.

It was 3 o'clock before the ceremonies were over, and then the four hundred hungry Woodchoppers repaired to the rink again and enjoyed the banquet prepared by the M. E. Society. After supper the members chatted and enjoyed a general hand-shaking until 5:30 a. m. for the train going east.

Altogether it was a most enjoyable and grand affair. The Woodmen of Minnesota are certainly a lusty and jolly crowd. Woodmen call each other Neighbors, and their aim is to be good neighbors and to help aid and assist one another to battle with the rough trials of life. Willmar Camp is now one of the leading in the State outside the cities. It has the material in it now to be a powerful and exceedingly useful body, not only to the members thereof, but to the advancement of the interests of Willmar. This meeting was in itself a big advertisement for our town.

Rodlun & Johnson CLOTHING CO.

Reasons for Our Success:

And not a day passes but what we are told of it by keen, level-headed business men. Yet to us it very simple, a mere matter of fact thing that has been reached and kept pre-eminent this way: We keep a modern growing clothing store. We search the four corners of the world with untiring energy to procure the best on earth. We believe in a big business and great big sales rather than small business and big profits. We are masters of our business and continually extend, broaden and improve our respective lines. We have the public's confidence and by true merit mean to keep it (and if possible, to extend it.) We believe in a broad, liberal business policy both for our help or for the public at large. We buy and sell for cash as cheap as any house in America. These are some of the reasons, we think, that helped us to our success and with pleasure do we hope this open declaration will be of benefit to hundreds that are not successful.
