## ROISE & QVALE,

COR. BENSON AVE. AND FIFTH ST.

**We Have Not Arrived at Our Present High Stage of Usefulness by Chance.**

THERE'S no luck or speculation about this business. It isn't the result of fortunate circumstances, but honest, hard work—work wherein our customers' interests have been carefully studied at every corner and turn. We are not here before you as strangers, but have spent the best years of our life in Willmar, and our business friends today number in the thousands. They know us and have confidence in our merchandise and our methods of doing business. We win appreciation and instill confidence, not by buying a lot of worthless trash, just to see how low we can quote prices, but everlastingly use our might to sell reliable, satisfactory merchandise at prices that force recognition as bargains. Our advertisements only begin in the newspapers—the strongest part of them is in their fulfillment in the store. Facts are what count, not promises. The test of time has proven our reliability, and that there is no such establishment west of the cities for genuine results as our store, the daily stream of shoppers proves. The people of this and neighboring counties have abundant reason to rejoice that there is a store where they can save 25 to 40 per cent. of their hard earned shekels. And yet, in the midst of this "Carnival of Delight," the growl of the unhappy snarler is heard. " 'Tis true, 'tis true, 'tis pity, and pity 'tis true." We quote Shakespeare here because Shakespeare's father kept a store, where young Bill drew his first inspiration of selling goods on the smallest margin of profit, and thereby doing the greatest good to the largest number of people.

### Firemen's Ball.

Foot Lake Fire Co., No. 2, gave their annual ball last night. Supper was served in the Odd Fellow block dining-room from 6 to 8 o'clock p. m., and a supper for the dancers was also served later in the evening. The boys did themselves much credit by the tasty manner in which they decorated the rink for the occasion. Two dummy firemen were placed on the stage, one holding a nozzle and the other one a trumpet. A transparency, with the name of the company, was placed in front of the stage. The decorations consisted of flags, evergreens and bunting most happily arranged. The numerous electric lights, which were cut into the building for the occasion, suffused a mellow light which added to the beauty of the scene. A most enjoyable occasion was enjoyed by those attending. The Willmar Orchestra furnished the musical inspiration.
