ROISE & QVALE'S

GREAT CLOTHING and FURNISHING GOODS ESTABLISHMENT.

NOW READY.

The past three weeks has seen us busy remodeling and fixing up that part of our store formerly occupied by Elfstrum & Co. as a drug store. We found that with our continually increasing business we needed more room, so that we could serve our customers to better advantage. The new addition gives us one-third more floor space than we had before, or an additional room of 20x85. This department will be used exclusively for

CLOTHING
AND
GENT'S
FURNISHING
GOODS.

TRUE to our aims and aspirations, we'll continue to sell our goods for less money than ever before sold in Willmar. Our rule in the future will be in marking goods not to see how much we can get, but what qualities we can sell and how popular we can make our store with the people of Kandiyohi and surrounding counties, who have no money to throw away. We don't remember a year when our Clothing and Gent's Furnishing Goods Stocks were more attractive, displays more tempting and the assortment more numerous than this season. We will promise you a series of surprises in our new Clothing and Furnishing Goods Department, and we are willing to leave it to you to say whether we keep our word or not. We gladly add and welcome you to the thousands of customers whom we have the good fortune to number among our patrons.

ROISE & QVALE,

WILLMAR, - - - MINNESOTA.

NEW LONDON ROLLER MILLS!

REBUILT! REMODELLED! ENLARGED!

The New London Milling Co., seeing the necessity for a modern, up-to-date mill in Kandiyohi County, have in the past 30 days completely remodelled, rebuilt and enlarged the capacity of their mill from 100 to 150 Barrels daily, and have put in a complete new bolting system, new rolls and all other necessary machinery to make it the best and most modern mill west of Minneapolis. The mill will start grinding Wednesday, May 5th, and solicits the patronage of the farmers and consumers of Kandiyohi County, assuring them the best quality of Flour made, and at the same time the most liberal and courteous treatment. We give 33 pounds of Flour, with the usual quantity of bran and shorts, per bushel of No. 1 Wheat.

Thanking the people for their past liberal patronage, and soliciting their support in the future,

Respectfully,

NEW LONDON MILLING CO.,

New London, Minnesota.
