MISS ANNA CARLIN

Loses Arm in Corn Shredder.

The corn shredder is again responsible for an accident, and another victim is added to the long list of unfortunates who have become maimed in the use of the machine.

The unfortunate young man in this instance is Ben Glarum, son of O. B. Glarum, of this city.

Ben was at work feeding the machine and was being assisted by an employe on the farm, Ed. Garstad, who was doing the corn pitching. In some manner the glove on his left hand became caught, and unfortunately his entire fore-arm was dragged into the machine. Before he could be extricated from his perilous position that member was so badly ground that it was found impossible to save it.

His cries for help attracted his father, who was some distance away, and who with the help of the young man's fellow laborer, came to his relief. The unfortunate victim was given the care that could be had under the circumstances and immediately taken to the Frost hospital, where it was found necessary to perform an amputation about five inches below the elbow.

First reports regarding the accident were to the effect that Ben had lost his right arm, but when it was later learned that it was his left, there was a considerably relieved feeling in knowing that he had not been obliged to part with the better member.

Are Again County Guests.

John Thompson and Im Dahl Simonson are certainly given plenty of "time" at the expense of the county in which to meditate and repent of their evil ways along the line of breaking the liquor laws.

Thursday morning they were due to leave Hotel Lundquist after serving fifty days each—thirty days original sentence and an additional twenty days for inability to pay fines of \$100.

They were released only to meet the same fate as their fellow guests who had been rearrested on charges bought by the city, but who in most of the cases were able to pay the fines imposed and bid goodbye to the institution which had so long sheltered them from the public gaze.

Thompson and Simonson were brought before His Honor, Judge Cramer, to answer to one charge each for violating the city ordinance. They pleaded guilty and the Judge meted out sentences of \$50 and costs or 30 days in jail.

Not having enough of the world's possessions to enrich the city treasury they are again guests of the familiar institution of which Sheriff Lundquist has been the accommodating and obliging landlord to the guests furnished by the grand jury. Plain prison fare for 80 days is not at all enviable.

Republican City Convention.

The republican city convention met at the city hall last Thursday morning at ten o'clock.

J. S. Robbins was elected chairman and C. H. Johnson, secretary. The following delegates were found entitled to a seat in convention.

First ward—D. N. Tallman, I. T. Cramer, L. A. Wold and C. Hennings.

Second ward—Chas. Carlson, L. A. Vik, C. H. Johnson, H. E. Frost, C. H. Hanson, H. E. Crawford.

Fourth ward—O. H. Ekdahl, J. A. Hedin and Chas. S. Johnson.

D. N. Tallman placed the name of Geo. W. Tyler for the nomination of mayor and J. A. Hedin placed the name of Hon. A. E. Rice for the nomination. The ballot resulted as follows: Tyler, 12; Rice, 8.

The following were nomination for Alderman: M. T. Sandbo, First ward; C. A. Nelson, Second ward; A. J. Ekander, Third ward; and C. C. Selvig, Fourth.

Samuel Osmundson was nominated for city clerk.

Solon L. Benton was nominated for justice in the Third ward.

O. P. Rice was nominated for city assessor.

Claim was Adjusted. F. A. Seaman, claim agent of the Great Northern railroad was in Raymond the latter part of last week and adjusted the claim with W. F. Reif, the young man who sprained his ankle in the wreck at Russel two weeks ago. He was allowed \$154.00 and his medical expenses.—Raymond News.

A meeting of the congregation of the First Presbyterian church was held last Wednesday evening, when it was unanimously decided to extend a call to Rev. Henry C. Buell, of Chicago, to succeed the late pastor, Rev. C. Harmon Johnson.

Rev. Buell has been pastor of the Ridgeway avenue Presbyterian church at Chicago for the past six years, and the members of the Willmar church feel that they have extended the call to a pastor who will give them excellent satisfaction in the field here.
