CHOKING CATARRH CURED

Your Money Back If Hyomel Does Not Cure You.
 "Use Hyomel and be cured of catarrh," is what all who have tried it for that disease say to their friends.
 It is the easiest thing in the world to cure catarrh at its beginning if you use Hyomel. It just breaks the healing giving, balsamic air for a few minutes and your catarrh will be cured.
 In this city and neighboring towns, there are hundreds who can testify to the remarkable powers of Hyomel to cure catarrh. Many of the staunchest friends of this remedy today began its use with little hope that they would be cured, but as A. E. Mossberg offered to refund the money if it did not cure, they decided to try it on that plan, and were soon restored to health.
