STATE MONEY FOR SCHOOLS

State Aid for Rural, Semi-Graded and High Schools Now in Hands of the County Treasurer.

According to the law of 1905 the special state aid for rural, semigraded and high schools is now sent to the county treasurer, instead of being sent directly to the schools. The money for this year and past years is now in the hands of the county treasurer and can be drawn by the district treasurers on a warrant from the county auditor.

The last legislature appropriated money to pay deficiencies in the appropriations for 1903 and 1904. The deficiency for the former year was \$17, and for the latter \$5,000. The appropriation for 1905 was, however, too small, and the rural schools of the first class will receive for this year only \$92, leaving a deficiency of \$33. The high schools receive this year \$1,200; graded schools, \$225, and second class rural schools \$37. The amounts received by each district, including past deficiencies, is as follows:

High Schools—Atwater, \$1,375; Willmar, \$1,495. Graded Schools—New London, \$235; Raymond, \$225. Semi-Graded Schools—Spicer, \$230; Kandiyohi, \$240; Peacock, \$230. Rural Schools—First Class—De Smet, \$1,174; 22, \$227; 10, \$109; 30, \$92; 33, \$97; 41, \$92; 45, \$22; 53, \$5; 55, \$92; 56, \$92; 64, \$97; 65, \$114; 70, \$5; 77, \$114; 79, \$97; 81, \$5; 85, \$22; 86, \$22; 87, \$92; 88, \$114; 89, \$114; 90, \$114; 96, \$97; 99, \$97; 102, \$97; 103, \$92. Rural Schools, Second Class—Dist. No. 10, \$37; 33, \$37.

The small amount received by a few of the districts indicates that they have not applied for aid for this year, but are merely receiving deficiencies for past years.

The total amount received as special state aid for this county is \$6,859.

The deficiency for this year is unusually large because the legislature for special aid to rural schools employing second grade teachers, and made no appropriation for this purpose, so the money had to be taken from the appropriation for rural schools of the first class.

Caught in a Thresher Belt.

Wesley Price, a member of the Pempel threshing crew, was quite seriously injured last Thursday by being caught in the main drive belt. Mr. Parker was engaged as separator man and endeavored to pass his arm under the belt while in motion, for the purpose of oiling a bearing on the separator. His clothing caught in the belt and his arm was wound up between the belt and the wheel, the result being that one bone of the forearm was broken and the other bone badly crushed. His body was also badly bruised and bruised in various places. Mr. Price will be laid up for some time. The accident happened on the farm of J. A. Roach. Mr. Price was brought to this village for medical treatment.—Paynesville Press.

Will Open Grocery Store.

A deal was closed yesterday whereby K. Samuelson disposed of his grocery stock and fixtures to A. E. Hanscom, who will go into business in the Odd Fellows Block. Mr. Hanscom has leased the corner part of the building, formerly occupied by P. H. Roise & Co., and expects to open a grocery and feed establishment about the first of November.

Mr. Samuelson will continue to occupy his place of business on Third street, and will launch into the real estate business. This will be the Willmar branch of the Revillo Land Co., Revillo, S. D., in which his brother, H. Samuelson, is also interested. K. Samuelson is the president of the company.

Interested in Mining.

F. W. Merritt, a director in the Duluth Mesaba Iron Co., accompanied by Andrew Borgstrom, a former Willmarite, spent last week in Willmar and during their stay in the city exhibited specimens of ore taken from the mines of the company that are located on their property near Duluth. In addition to their mining interests at that place they are also interested in mining in Norway located south of Christiansia. Both of these gentlemen expect to leave in the near future for that foreign country and will spend some time there looking after their interests.

WELCOMED THEIR PASTOR

The Swedish Lutheran Church of New London Give Reception to Their Pastor, Rev. Seastrand.

The Swedish Lutheran Lebanon church of New London and vicinity gave their new pastor, A. F. Seastrand, and wife, a warm reception. The first service was held Oct. 15, the pastor taking his theme from the 85th Psalm. On Wednesday evening of last week the pastor was given a surprise, when he was taken to the church to attend a meeting which he had not announced. Rev. Peterson of Willmar was there to state the purpose of the meeting. The participants left a substantial token of good-will in the shape of a purse containing a sum exceeding \$100. At the parsonage were left about four-score cans of preserved fruit, the same having grown in the parsonage garden during the past season. The Ladies Mission Society of this church meets at the home of Henning Olander next Friday afternoon, to which all are invited.

Senator Thorpe's Name Suggested.

Senator L. O. Thorpe of Willmar is another gubernatorial possibility. His name has frequently been mentioned in connection with the nomination for lieutenant governor, but a genuine gubernatorial boom has been started by Edna B. Anderson of Madison, Wis., editor of "America." In an editorial Mr. Anderson says he has traveled over Minnesota from end to end, and that he has heard a strong demand for Thorpe's nomination coming from the people. The Willmar senator has always been recognized as "right" on railroad and other public questions, and his record in the senate will bear close inspection.—C. B. Cheney in Minneapolis Journal.

Have You a Full Dress or Tuxedo Suit?

They are valuable additions to your wardrobe. On such occasions as Weddings, Evening Parties, and Dances, you will need one or the other of these garments.

A sack or frock suit is very much out of place at any formal or semi-formal gathering after six o'clock. The man who observes and carries out these small, but necessary, social distinctions, is remembered gratefully by his host or hostess.

Let us show you our line of Full Dress and Tuxedo Suits; you'll like the garments—you'll like the prices.

Presbyterian Services.

Next Sunday at 10:30 a. m. the morning service will be held. The pastor expects to speak on the subject: "Why More People are not Brought to Christ." In the evening at 7:30 the subject to be discussed is: "The 'If' of Impossibility." If the righteous scarcely be saved, where shall the ungodly and sinners appear?" Sunday School at 12 noon. Intermediate C. E. at 3:30, and Y. P. S. C. E. at 6:30. A cordial invitation to all these services is extended to those who have no other church home in the town.

High School Notes

The hope of the students that there would be no school Friday afternoon failed them, as only Miss Miller and Prof. Tomlin left for the teachers' convention at Granite Falls.

The crowded condition of the High school this year shows the great necessity of new and more adequate buildings. The attendance has now reached 130.

Mr. Robert Cranston visited school Friday morning, while waiting for the noon train en route to Granite Falls.

The first literary society will give a program Friday, Nov. 3. A harvest festival program has been prepared. Papers on different agricultural subjects will be read by Wallace Martin, Russell Peterson and Robert Oram.

The debaters are now busy at work upon this year's question and from the interest shown this year, it is evident a good preliminary debate will be given before the contests with other schools commencing.

The High school boys are going to Litchfield Saturday to play the football team of Hutchinson. The teams are equally matched and the people of Litchfield will see a good game if they turn out.
