

OHSBERG, SELVIG & CO. HARDWARE AMERICAN FENCE

Was there ever; will there ever be a better time to buy the fence you need than right now? We think not. We have carloads of American Fence to sell. It is low in price, it is away up in quality. We handle American Fence because of its quality. The hard, stiff, tough steel found in American Fence can't be duplicated elsewhere. In American Fence you get much value for your money. There is no fence on the market like American; none so good, none so durable. American fence is made in all weights and sizes of wire. Styles to meet all requirements.

Possibly not the cheapest per rod, but the cheapest per pound, and by far the cheapest, quality and durability considered.

We want your order now because we have the fence, bought on the present market, and our prices are made on this basis. We feel that now is the right time for you to buy fence. Don't neglect present opportunities.

WILLMAR TRIBUNE

Established Feb. 19, 1895.

The license advocates on the council have never taken cognizance of the violations of law by the saloons. The council has the duty of strict regulation of the licensed saloons have thus far proven to be unbecome of the thinnest kind. Probably they have been encouraged to believe that they could saddle the responsibility onto the minority, whose passive attitude during the past few months is referred to on every available occasion as unanimity. The minority has probably felt that the saloons were none of their making, and have left the regulation part to those responsible for them. The people of the city would like to see a test vote on the revocation of the licenses of those saloons where a hearing would prove the violation of the terms of the license.

The taxes levied now are for use during the coming year. Up to this time the council has used the taxes levied last year. When the figures for last year become available, they will perhaps show that the economy has been inaugurated to warrant a less tax rate for this year.

The city election takes place April 2. Nominations of candidates may be filed until Saturday, Mar. 23.

I. T. Cramer of First ward has been circulating petitions for the nominations of C. B. Carlson for mayor, Hans Gunderson for city clerk, C. W. Odell for treasurer and G. C. Haines for assessor. This is evidently the administration ticket, as all but the first named are present incumbents. No public caucus was held here, but the committee has to learn. No less than six aldermen will be elected this spring, owing to the resignations of Aldermen Holmberg and Johnson. No call for the citizens' temperance caucus has appeared as yet.

GIVE AWAY TAKE.

The Tribune charges D. N. Tallman with being responsible more than any other person, for the present administrative policy of the city of Willmar. Tallman is a man of force and strong opinion, who is not afraid to stand up for any proposition and takes hold with a will to carry out a proposition to a finish, he undoubtedly wields a powerful influence in the city.

As for instance when he defeated Prof. Hillebo for alderman in order that the First ward should vote for saloons on the city council.

The Tribune might also add that Mr. Tallman is largely responsible for the defeat of Mr. Lawson at the city election. Tallman is a man who has helped to defeat his schemes.—Gazette.

And indeed, that accounts for the kiddish joke with which the result became known. It is very kind of Mr. T. to thus stretch out his powerful hand and save the ward from the base designs of his own citizens—particularly one who was running on a dry ticket in a wet ward.

—and his subsequent attempt, with the aid of Democratic money, to get a seat in the State Senate.—Gazette.

Too bad you did not call attention to who was stacking the cards at the time.

—and that paper was departing from the truth if it admitted that the real cause of its violent and continual attacks on Mr. Tallman is the bitter hatred of its editor for the man who has helped to defeat his schemes.—Gazette.

We have made absolutely no criticism of Tallman since either of the elections referred to except to refer to him as largely responsible for the saloon regime. It is only his politics as a public official that interest us at all. Committed as he stands to the corporation and liquor interests, his active support is a positive detriment to anyone asking the suffrages of the people of the county. Had we any disposition to become resentful against anyone for any position assumed in the election, which we can honestly say that we have not, Tallman certainly is exempt. But enough of this. We are not an issue. Harping at the motives of the TRIBUNE is one way of begging the real issues.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder, and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and efficient effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root, including many of the thousands of testimonials received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root. Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Poultry Lice and Mites Destroyed, 35 cents a quart can. ELSPETH & Co.

Over thirty boys and girls were sojourning at the Kammetts home on Monday evening, the occasion being a birthday surprise for Harold Kammetts, who was just 13 years old.

Northern Minnesota Teachers.

The eleventh annual meeting of the Northern Minnesota Teachers' Association will be held at St. Cloud March 15 and 16. A program of more than usual interest has been arranged. Supt. Heister of St. Paul will discuss Arithmetic; President Maxwell of Winona, Grammar; Supt. Merrill of Hutchinson, History; Principal Mayne of the Agricultural College, Agriculture. Ample time will be given for general discussion. Miss Lawrence of St. Cloud will favor the association with one of her bright, encouraging talks.

There will be Round Tables as follows: High School—Supt. Dyer of Alexandria, Leader.

Graded School—Miss T. Randolph Moulton of Brainerd, Leader.

Elementary and Rural Schools—County Supt. Mrs. Kate W. Jones of Litchfield, Leader.

Judge Orr of Minneapolis will give the evening address. Music will be furnished by the students of the high school and the Normal. The usual railroad rates on the certificate plan will be given. Supt. W. J. Marquis of Two Harbors is president of the Association and Mr. I. T. Johnson of St. Cloud, secretary and treasurer. Every teacher in this vicinity should plan to attend this important meeting.

Re-organization of Band.

The Citizens' Band has been re-organized and the following are the officers: P. J. Govig, president; I. G. Jorstad, secretary; W. T. Hiest, treasurer, and E. Harvey, director. Mr. Harvey comes to this city highly recommended as an efficient musician, having served several years as U. S. Army Bandmaster. He is at present located at Marshall and arrangements have been made for him to visit Willmar every Monday to give the band instruction. The members are hopeful that enough money can be raised among our citizens to guarantee the expenses of the leader and a very nominal sum will be required from each business man. There are at present 25 members in the band and it is up to our citizens whether or not the organization should receive hearty support. Give the members all the encouragement possible by contributing liberally when the committee calls on you for a donation. Willmar certainly ought to have a good band and now is an opportunity to secure one.

Will Meet Saturday. The Housekeepers' Club will meet next Saturday afternoon for its regular meeting, at the usual time and place. The following program will be given:

Piano Solo, Miss Ida Sanderson. Recitation, Mrs. E. Smith. Vocal Solo, Miss Ethel Smith. Paper, "Culture of Sweet Peas," Mrs. H. J. Kammetts.

In addition to the above program various ways of cooking meats will be discussed by members of the Club.

ILLUSTRATED HISTORY OF KANDIYOHI COUNTY COVERING FIRST FIFTY YEARS' DEVELOPMENT.

PUBLISHERS' ANNOUNCEMENT. UNDER the terms of the dissolution of partnership the task of clearing up the book business and the disposition of the remaining volumes of the County History has been assumed by the present publisher of the TRIBUNE.

To the loyal Kandiyohian, the possession of one of these books will ALWAYS be a source of pride, pleasure and profit, whether he lives in this day and generation or whether he lives in distant years to come. Interest in the origin of our home institutions will never cease among the people who will inhabit the county. Every family should possess and preserve a copy of this work. The supply, however, is so limited that not one family in four would have one if all were sold. Copies are constantly being taken out of the county by former residents, some are finding their way to public libraries throughout the land and the time will come when well preserved copies will be hard to get.

The price for single copies of the work will never be less than that fixed before the book was printed. The terms of payment, however, will be made to suit the means and convenience of the purchaser, so as to bring the possession of the work within the reach of practically any family in the county.

There are good opportunities for live agents in several localities of the county. For terms, information, circulars, etc., address or call upon, WILLMAR TRIBUNE, Willmar, Minn.

ROYAL BAKING POWDER

Made from Pure Grape Cream of Tartar

The only excuse for buying anything but a Pure Grape Cream of Tartar Baking Powder is to save a few cents in price.

ROYAL costs you a few cents more per can than Alum or Phosphate of Lime powders, but it is worth far more than the difference to keep your biscuits, cakes and pastry free from the injurious effects of these cheapening substitutes.

Continued use of Alum means permanent injury to health.

Avoid Alum Ailments—Say plainly ROYAL BAKING POWDER

Lutheran Free Church. Midweek services Thursday evening at 7:30. Rev. E. Tou, a former missionary at Madagascar, will preach. Services next Sunday at 10:30 a. m. and 7:30 p. m. Sunday school and Bible class at 3 p. m. You are cordially invited to attend these services.

The Bethany Young People's society held their monthly meeting last Friday evening at the church parlors. Mrs. G. O. Sand and Miss Mabel Strand served refreshments. The net cash receipts amounted to \$18.00. It was decided by the members of the society to give a "Norwegian Luncheon" March 15, at the church parlors. A committee consisting of the following members was appointed to make arrangements for the supper: Misses Thora Peterson, Alpha Berg, Hilda Ledell, Emma Walberg, Nora Johnson and Mrs. L. A. Jorstad.

A Correction. An item in last week's issue regarding the establishment of a new department in connection with J. J. Ekander's tailoring establishment made it appear that it would be a lodges' tailoring department. The item should have read "ladies" instead of "lodges."

Mr. Ekander is having built an addition to his tailor shop for the proper handling of the new department. That he is to add a ladies' tailoring department will be welcome news to the ladies of the city, who need not worry now as to where to get their garments made for the coming spring.
