**Cure Your Dandruff**  
Why? Because it is annoying, untidy. And mostly, because it almost invariably leads to baldness. Cure it, and save your hair. Get more, too, at the same time. All easily done with Ayer's Hair Vigor, new improved formula. Stop this formation of dandruff! Does not change the color of the hair. Formulas with weak bottles. Show it to your doctor. Ask him about it, then do as he says. The new Ayer's Hair Vigor will certainly do this work, because, first of all, it destroys the germs which are the original cause of dandruff. Having given this aid, nature completes the cure. The scalp is restored to a perfectly healthy condition. Made by the J. C. Ayer Co., Lowell, Mass.

# ATWATER ITEMS.

The marriage of Miss Georgia Frida Busch to Mr. Reuben Broman last Wednesday afternoon was one of the happy events of the week. The Rosendale M. E. church was the scene of the wedding, which was solemnized at two o'clock in the presence of a large number of invited relatives and friends. Rev. A. G. Hultgren of Atwater performed the ceremony. Following the ceremony at the church nearly one hundred guests assembled at the bride's home in the town of Danielson, where Mr. and Mrs. J. B. Anderson gave a reception for the bridal pair. They will go to housekeeping on the August Broman farm, as the groom will have charge of his father's place. His parents will remove to Atwater.

This evening at 8:30 the residence of Mr. and Mrs. Henry W. Jones will be the scene of a quiet wedding, when their niece, Miss Florence M. C. Nelson, will be united in marriage to Archie D. Lacy. The ceremony will be performed by Rev. E. W. Akers in the presence of only a few relatives and intimate friends. The bride and groom are both wellknown Atwater young people and a host of friends will extend hearty congratulations.

The High school football team was defeated at Litchfield last Friday afternoon by the team of that place to the tune of 47 to 0. In this as in the Granite Falls game Willmar's chief weakness was lack of practice. Scarcely any practice had been done during the week preceding the game, and it is almost a wonder that the score was not larger than it was. Willmar was also slow in lining up, and to this Litchfield's first touchdown was due. In the second scrimmage of the game Litchfield had their play started before Willmar had lined up and by the time the Willmar line was awake the ball was down the field. After that it was a procession for Litchfield. There were times, however, when Willmar made good gains thru the Litchfield line, Oswald Graangard being the chief ground gainer. On Litchfield's 20-yard line Willmar attempted a drop kick but the line failed to hold and the kick was blocked. During the last part of the first half George Engh was injured and his place at left tackle was taken by Gustaf Thunstedt. Owing to darkness, only ten minutes of the last half was played. Willmar's line-up was as follows: right end, Warren Oram; right tackle, Edwin Stetten; right guard, William Lynn; center, Edgar Sather; left guard, Floyd Polifka; left tackle, George Engh, Gustaf Thunstedt; left end, Fred Smith; fullback, Oswald Graangard; left half, Rudge Sharpe; right half, Victor Selvig; quarter, Walter Minton; substitute, Roy Cramer.
