

THE PROHIBITIONISTS

Expect to Enlarge Their Program in the County For the Coming Campaign.

W. G. Calderwood of the State Prohibition Committee, who is directing the state campaign, delivered an address at the Bond Hall last Friday evening. The crowd was not a very large one, but what it lacked in number it made up in the interest with which the talk was received by those present.

There were a few present from various parts of the county. There was some disappointment that the conference relating to the placing of a county ticket in the field was again postponed. There seems to be some difference of opinion as to the extent to which efforts should be made in securing candidates to the county offices, but the prevailing idea seems to be the re-election of Sheriff Bonde, with possibly the addition of candidates for county attorney and county commissioners, the duties of these officers being closely allied with the sheriff's office in the enforcement of the laws.

The prohibitionists have some hope of being able to induce Mr. R. W. Stanford to file on their ticket and make the race for county attorney; also that John Wicklund will file in the Fifth district and Nels B. Johnson in the Third district for county commissioners. It appears to be definitely decided that there will be no attempt made to run a candidate against C. E. Johnson for representative. His many prohibition friends feel that if the prohibitionists should come anywhere near succeeding in the big undertaking of organizing the next house, Johnson would place his principles above mere party expediency and assist them.

There is some talk of contests for other offices, but the parties so far have not determined what they will do. There is nothing to prevent anyone who aspires for office from filing for the primaries.

Penock, Aug. 4.—The Young People's Society of the St. Johns church will give an ice cream social on Saturday evening, Aug. 8, at Mr. Johnson's place at Penock. The Penock band will play through the evening. Everybody welcome.

Engine 603, pulling freight No. 420 on the Sioux Falls division, left the tracks in the local yard last Wednesday about noon, and toppled over on her right side. There were five people in the cab, all of whom escaped without any injuries except Conductor Ferd Danielson, whose shoulder was somewhat bruised, and Conductor W. J. Griffin, who had his leg somewhat injured. Two of the others jumped from the cab when the engine jumped the tracks—S. W. Kreider, fireman, and Roy Otos, call boy. Engineer G. B. Rothwell remained in the cab. Fortunately, the train was going at a slow speed. The engine was considerably damaged and had to be taken to the shops for repairs. Some difficulty was experienced in getting the engine back on the tracks and it was not till Friday morning that everything was cleared.

CHURCH IS STRUCK

Lightning Strikes the Steeple of the Presbyterian Church.

The tower of the Presbyterian church was struck by lightning Wednesday evening about 7 o'clock. The charge struck the point and divided, part of it going down each side, tearing off shingles and scattering them all about the church. Some studdings were also broken and two of the brackets removed. The damage is estimated at between \$150 and \$200. The church is insured for \$3500, carried by The Connecticut and Springfield (Mass.) Insurance Companies.

This is not the first time the elements have played havoc with the tower. About nine years ago the upper part of it was blown off by a heavy windstorm, causing a heavy damage, and also cracking the bell which was never replaced.

The Fahlun-Whitefield threshing company threshed about 50 loads of barley for their customers last Saturday afternoon. The yield was about 40 bushels to the acre, and the barley was good.

The boat on Big Kandiyohi lake is doing a tremendous business these days. Kandiyohi lake is one of the most beautiful lakes in the state.

The Fahlun ball team played their last game this season last Sunday against the Thorpe team. The game was to be played between Fahlun and Lake Lillian, and our boys, expecting an easy victory, did not take their whole team along. Unexpectedly, the Thorpe team turned up and demanded a game, which after a while was granted. Unfortunately our pitcher was called away, and the result was a score of 8 to 16 in favor of Thorpe.

Joint Meeting Next Week. The Ladies Society of the Synod church held a business meeting Monday evening in the basement of the church. It was decided to hold a joint meeting on Thursday, Aug. 13. A Promising Country. A. L. Norling returned to his home in Svea Saturday from his timber lands east of Mille Laes lake. The Norlings have about 500 acres of land there, and during the past season they have cut and sawed up 84,000 feet of lumber. Mr. Norling likes the country very much and thinks that as soon as the new Soo road between Broten and Duluth is finished the great resources of the region will make it one of the most attractive regions in the state.

On a Trip to the East. Miss Florence Porter and Dr. H. F. Porter left yesterday for a month's trip in the east. Y., on Aug. 12, they will attend the annual reunion of relatives of their mother, and after a few days visit there they intend to go to Boston and New York City. Before returning home they will also visit Niagara Falls and spend some time in Chicago.

Switch engine 54, in charge of Andy Patchell, left the tracks in the east end of the yard Monday morning about 6:30. The spreading of a rail was the cause. No serious damage was done and in a couple of hours the engine was again on the tracks.

Kemp, Buick, \$1250; Lars Halvorson, Home Made, \$300; Herman Halvorson, Cadillac, \$500; C. N. Johnson, Queen, \$900. Another addition is O. V. Armstrong's four-cylinder Ford, \$900. Hub Hotel Changes Hands. C. B. Ludvig, formerly G. N. brakeman, has bought the stock and fixtures and leased the building of the Hub Hotel and Cafe from K. Samuelson. Mr. Ludvig took possession yesterday and he is already busy putting everything in first class shape.

Mr. Ludwig came here from Tip-ton, Indiana, about a year ago and worked as brakeman for the Great Northern. On the last of December, while switching at Pipestone, he fell between two cars and had two fingers removed from his left hand, and he has not been working since then. In February he married Miss Bertha Olander of New London and later they both went to Indiana, where they remained until May, when they returned to New London. For the past two months they have been in Willmar and they are now located in the newly acquired hotel.

The Hub hotel and cafe was started by K. Samuelson a little over a year ago. It has been a headquarters for railroad employes, from whom it has enjoyed a good patronage. Mr. Ludwig is well known and popular among the railroad boys and he will no doubt make a success of his new venture.

Mr. Samuelson will devote his time to the real estate business, in which he was interested before becoming proprietor of the "Hub."

A JOLLY GOOD TIME

Youngsters of the Synod Summer School Enjoy an Outing.

It was a large and happy crowd that gathered at the Synod church last Friday morning to enjoy the outing given for the children of the summer parochial school. Under the supervision of their teachers, Rev. J. Andersen and Miss Anna Berg, they marched to the Frost grove on Foot lake, the procession being headed by Luella Graangard and Esther Anderson, who carried the school banner.

Every member of the school was provided with a badge marked "Synod Church Summer School." Upon arriving at their destination, they partook of a noonday lunch, after which various games were played and races run.

The winners: clothsline race for girls—classes A and B, Edna Kiland, C and D, Bertha Flateboe, English class, Edna Johnson; grand prize, Edna Kiland. Sack race for boys—classes A and B, Andrew Birkeland; C and D, Sigurd Hilleboe; English catechism, Arthur Lund; grand prize, Sigurd Hilleboe.

In the running races Mabel Edwardson won for the girls and Clifford Hanson for the boys. That the sports proved most interesting no one will doubt, and that they caused a great deal of thirst was proven by the fact that the twenty gallons of lemonade which was furnished by the teachers did not succeed in quite quenching it and more had to be made.

The picnics returned home before supper, tired but happy, and duly grateful to their teachers for their good time.

O. Strand of New London is playing second man at Svvert Reigstad's place.

A. E. Amundson of St. Paul, a university student, is now busy assisting A. W. How in putting "Ready Money" on the market in this city. Judging from their reports, they are finding the market in a most receptive mood—and it usually is for "Ready Money."

WIDOWS AND WIDOWERS.

"The Jolly Grass Widowers" entertained "the Merry Grass Widows" Monday evening at a luncheon given on the shores of Eagle Lake. The table was set amidst a profusion of mullein, burdock, brassica alba, and other tropical plants, and held a most bountiful supply of the season's offerings, such as various kinds of three-story sandwiches, which the widows experienced some difficulty in "overcoming." The company of course handed each other lemons, but only after they (the lemons) had been thoroughly squeezed out in aqua pura and properly seasoned. Compressed and baled snow and "Skal-du-ha" wafers were indulged in as dessert. When the remaining "rubber tired" sandwiches, the silverware and the cut glass had been all packed together and the big brown flask securely corked, the party adjourned to an improvised roof garden, where the widows looked down on everything while the widowers played leap-frog. Then, altogether, they played a most novel game, invented for the occasion by the members of the committee on "Publicity and How to Attain it." It was called "Last Couple Out," and was hugely enjoyed until everybody was all in. Then they returned to the Eagle Lake Garage, where Dan and his big touring car were patiently awaiting them. After a brief delay the caravan started over the sands and soon they were all safely at home, conscious of having had a most enjoyable time.

IRVING BOY DROWNED

Sinius Thorson Loses Life While Bathing in Lake Koronis.

Irving, Aug. 3.—Yesterday while a party of picknickers were at Lake Koronis, Sinius Thorson, aged 18, eldest son of O. B. Thorson, went in swimming with a party of other boys, and became so completely exhausted that he could not move and he sank without a cry. He rose to the surface once and then cried for help, but it was too late, and he sank again, never to rise. This sudden death naturally came as a hard blow to the family, as the deceased was the third member of that family to die within a year.

Irving, Aug. 3.—A very sad accident happened here Sunday, when Sinius, the nineteen year old son of Mr. and Mrs. Oscar Thorson, was drowned in Lake Koronis. He had gone to the lake together with some others to spend the day. Being a very good swimmer, he swam twice across from the Little Sandy point to the opposite shore. Then they rowed to the first island to have their dinner. While dinner was being prepared, Sinius went out for another swim. He got out but a little ways when he was seized with cramps and went down before aid could be brought. He leaves to mourn his departure his parents, six sisters and five brothers, together with a host of relatives and friends. The sympathy of the entire community goes out to the bereaved family in their great affliction.

Alfred Olson spent Sunday with friends and relatives at Willmar. Anne Peterson returned from Willmar Saturday for a brief visit with her folks.

Benine Johnson came up from Minneapolis last week for a visit with her parents.
