Court House Briefs.

The contract to dig county ditch No. 26 was on the 15th inst. let to the Ajax Dredge Co. of Glencoe for the sum of \$13,874. One bid from Jerry Sherwood amounted to \$13,895 and a bid from J. T. Tompkins of Fairfax amounted to \$15,306.06.

Being that settlement time is again coming around, the county treasurer is preparing to meet the rush. Miss Hattie Carlson has been added to the force of clerks.

C. R. Smead, salesman for Geo. D. Barnard Co. of St. Louis, Mo., presented himself to the different county officers last Tuesday, soliciting orders for his house.

Melvin Johnson has been engaged as clerk in the office of the register of deeds as the chief deputy, Miss Inga Olson, must necessarily stay at home to care for her mother, who is ill.

Hon. A. F. Nordin went down to Harrison and made a speech Oct. 17. Several Willmarites accompanied him.

About a week ago the county auditor received the report of changes made by the State Board of Equalization and by the Minnesota Tax Commission. The changes are as follows: increase—real estate, 10 per cent; and 12 year old horses, 10 per cent; 1 year old cattle, 25 and 2 year olds, 15 per cent; carriages, 25 per cent; watches and clocks, 60 per cent; threshing machines and engines, 10 per cent; gold and silver plate and plated ware, 50 per cent; diamonds and jewelry, 25 per cent; wholesale merchants, and retail merchants, 15 per cent; logs, lumber, lath and shingles in hands of manufacturer or retailer, 15 per cent; wheat and flour in hands of manufacturer or retailer, 15 per cent; all other manufacturers materials and manufactured articles, 15 per cent. Decrease—sheep of all ages, 25 per cent. According to law, this is the last year in which the State Board of Equalization takes part. After this all tax matters are left in the hands of the Minnesota Tax Commission.

Danors and deputies are now busy making the above mentioned changes and extending the same on the assessment books.

An Important County Office.

The county commissionership is one of the most important offices in the gift of the people. It is important that the county commissioner be a man of tried business capacity and a man of a positive moral character. Besides making the appropriations, levying the taxes and conducting the business matters of the county, the commissioners are called upon to fill vacancies that may occur among the county officials, to select the jury list and even to pass on applications for saloon licenses if by any chance any township should vote in favor of the same. There are usually two kinds of men found serving on the county board, viz., the kind that has no mind of his own and does what other interested people tell him to do; then the kind who weighs everything carefully in his own mind, figures out what is right and then goes ahead without fear or favor. This county has, as a rule, been fortunate in the standard of its county board in the past and we do not believe that the people of the districts involved in the elections will have any difficulty to choose the best man for the position.

On Friday, Nov. 20, the Christian Endeavor society of the Presbyterian church will have a sale of fancy articles and candy at Bonde Hall, at which time the Ladies Social Union will serve supper.

HAD BIG MEETING.

William Haywood Proved a Drawing Card Saturday Night.

William Haywood, the noted socialist, drew a packed house last Saturday night. He was introduced by M. C. Tollefson of the local organization. Mr. Haywood denounced existing conditions in the freest of language. The Republican, Democratic and Prohibition parties were scored. The following extracts from his speech serve to show his style of expression:

"It was a heart breaking sight to see one million laboring men praying for political crumbs from the Republican party. The Republican party told them to go to hell, and they went to Colorado. A man has a right to steal and borrow but he has no right to starve. I quote this from the good book from the passage which tells of Christ going through the cornfields with his disciples. They asked if it would be all right to eat the corn, and Christ replied 'Pluck the corn and eat thy fill but carry none away.' If a mule down the street saw a load of cabbage in a wagon he would reach for it, and no one would blame the hungry mule, and I think you all have as much sense as a mule. A man has a right to beg, borrow and steal but he has no right to starve, because starvation is suicide, and suicide is against the laws of God and man.

"Preachers who don't know what they are preaching about, editors who don't know what they are writing about, and politicians who would not tell the truth on a bet—tell you that the Socialists believe in dividing up. No, we have been dividing up too long, we propose to keep it all. We would turn the country from a political junk shop into an industrial workshop. We don't want charity, we want justice, and we are going to have justice."

Mr. Haywood went to Fargo from Willmar.

An Interesting Reunion.

The confirmation alumni of the Lutheran Synod church had their annual meeting at the church parlors Monday evening. A most toothsome lunch, prepared by the girls and paid for by the boys, was the first thing on the program, after which Rev. Anderson made a speech of welcome. The remainder of the program was as follows: Piano Duet, Minnie Nelson and Marie Boeten.

Class History, '04; written by Hazel Lien and read by Helen Sather. Class History, '05; written by Norman Tallakson and read by Ida Egge.

Vocal Solo, Helen Sather. Class History, '06, Alma Hansen. Class History, '07, Bertha Tallakson.

Piano Solo, Minnie Nelson. Address by Rev. Anderson. Greetings from Marie and Sigurd Berg, who are attending the Sioux Falls Normal.

The meeting voted to send a letter of sympathy to Minnie Ostensoe, '07, who is very sick with drowsy at the home of Mr. and Mrs. John Skoelheim, and they also decided to send her some flowers.

At the business session which followed the program the alumni adopted blue and white as their colors and decided to have a banner to be awarded annually to the class having the largest representation at the reunion. The following officers were elected: President, Helen Sather; vice president, Ida Egge; secretary, Agnes Dalen; treasurer, Oswald Grangaard.

No less than 60 persons were present, including the 20 who were confirmed last Sunday, and who were present as guests of honor.

Young People's Meeting.

The Synod church was filled with interested spectators Sunday morning, when the annual confirmation services were held. Rev. Anderson, in his impressive sermon to the confirmands, called upon them to realize what their pledge meant, and emphasized strongly the need of being constant in the faith. The following is a complete list of the confirmands:

PENNOCKITIS.

Mr. and Mrs. Emil Paulson and Mrs. Hans Paulson arrived here from Petersburg, N. D., yesterday for a visit with friends and relatives.

Albert Hoglund, a son of Mrs. Amanda Mickelson, had a runaway late Sunday night. He was leaving the home of Fred Fredrickson when in some way his team became frightened and ran away. Hoglund was thrown out between the stores in Pennock, and was found badly bruised and cut up. He is at present being cared for at the home of Pete Lind. The buggy, a brand new one, was smashed, pieces being found scattered all about the prairie. It is not known whether the team has been caught yet or not.

Oie Stanghelle returned home yesterday from a two years stay at Fessenjen.

James L. Jarrett has gone Bryan one better, and now has a fine team of mules, which he purchased in Minneapolis. He also bought a pony team for his son James.

Arrangements are being made for a bulletin service to report the results of the election at the Republican headquarters.

K. T. RYKKEN,
Candidate for Clerk of Court.

Kittel T. Rykken was born in Norway in 1866, and has been a resident of Kandiyohi County for 28 years. He has operated the farm he now lives on during most of this time. Mr. Rykken has always taken an active interest in public affairs. He has served the town of Dovre as town clerk since 1886, twenty-two years, and as school treasurer 24 years. He is the secretary of the Dovre & Mamre Insurance company, a mutual farmers' company that does business throughout the county. He is a good speaker, and his voice has frequently been heard, both as a layman preacher and for the cause of temperance and for the betterment of the interests of the farming community. He is well qualified to run the office. Here is an opportunity to bestow a county office upon a deserving and well-qualified representative of the country people, which we believe the people of the county should not fail to take advantage of.

SJOBERG-RUBLE.

Prominent Former Willmar Boy Takes Into Himself a Wife.

Yesterday afternoon at 5 o'clock occurred the marriage of Miss Edith Sjoberg and E. C. Ruble, son of Mr. and Mrs. O. E. Ruble of this city. The happy event occurred at the bride's home in Minneapolis, 761, 3d St. E., and was witnessed only by intimate friends and immediate relatives. After a honeymoon, Mr. and Mrs. Ruble will go to Driscoll, N. D., where a fine residence has already been built for them, and where Mr. Ruble is in the law and real estate business. The Tribune joins the many Willmar friends of the contracting parties in extending to them wishes for a long and happy married life.

Among those from here who attended the wedding were Mr. and Mrs. O. E. Ruble, Mrs. Ludvig Wold and Mrs. Andrew Larson.

Genessee, Oct. 20.—Just at the close of day last Friday another of our old residents closed her eyes to awaken at that brighter shore. This time it was Mrs. Karin Johnson, whose home was on the west shore of Lake Carrie. She had been in fairly good health up to a week ago. On that day she expressed a wish to go and stay at the home of her stepdaughter, Mrs. Ernest Wilson, residing north of Atwater. Her wish was complied with, and she died at that place. The cause of death was mainly old age. Mrs. Johnson was born in Norway, Oct. 30, 1830, being at the time of her death nearly 78 years of age. She left her old home in Norway and came to this country in 1866, and was married on Dec. 16, 1881, to Mr. Bolette Johnson, who died several years ago. He was one of the pioneer settlers of Genessee. Mrs. Johnson had no children, but is mourned by four stepchildren, namely, Frank Johnson of Minneapolis, John Johnson of Atwater, Mrs. Ernest Wilson, at whose home she died, and Alfred Johnson, residing on the old homestead and with whom she has made her home. She also leaves an aged brother at Grove City. She was a woman of a kind and loving disposition and a true Christian, and will be greatly missed from her old home. The funeral was held last Sunday afternoon at three o'clock from the Swedish Methodist church of Atwater, and the remains were laid to rest in the Union cemetery south of town. The surviving relatives have the sympathy of the entire community.

Mr. and Mrs. Erick Engvall spent Sunday a week ago at the home of J. E. Barker.

John Johnson left for his home at Waverly last Thursday.

Mrs. Danielson and daughter, Mrs. C. D. Nelson, left for Benson last Wednesday for a week's visit at the home of Mr. Lee of that place.

Mrs. Selma Burquist returned from her visit with relatives and friends in Minneapolis last Friday.

The coffee social of the southwest route will be held at O. S. Rasmusson's place next Thursday afternoon, Oct. 22.

N. W. Nelson left last Saturday for the twin cities.

The Mission meetings will be held at the Svea church on Tuesday and Wednesday of next week, Oct. 27 and 28. Everybody should try to attend all these meetings.

The county board of health and a number of city officials made a trip to the slaughter house north of the lake yesterday, and found the same to be in unsanitary condition. They have made a number of suggestions for improvement, which it is expected will be complied with at once. This is a matter of vital importance to the city as practically all the meat sold in the city is dressed there.

The Minneapolis Restaurant is no more. It died some time last week. The cause of its passing away is not definitely known, but it is rumored that it was due to old age and a complication of diseases resulting from it.

Mrs. Syvert Hanson returned to Spicer Wednesday after a visit here with Mr. and Mrs. Hugh Campbell.
