FLORSHEIM SHOES for the man who cares

IT'S the good in a man---not his looks---that counts. Your "goodness" may be hidden beneath a poorly made suit of clothes. Better look as good as you are.

We have the largest stock of Clothing you can make your selection from west of Minneapolis. The styles are exactly the same as those which will be worn in all the notable fashion centers of the country

The standard of tailoring being the highest, there are no better. Every garment is made in accordance with scientific principles which insure perfect fit.

The fabrics are the handsomest creations of the best textile mills. Even with the hardest kind of wear, they will long retain the fresh and pleasing appearance of new cloth.

And remember this, we guarantee that any Suit or Overcoat, top coat or raincoat of the Hirsch, Wickwire Co., Kuhn, Nathan & Fisher Co. or the Kirschbaum make will give complete satisfaction.

Of course our Furnishing Goods Department keeps pace with the clothing, and gives opportunity for selection of the new bright colors that harmonize or contrast, as the case may be, with the new spring suit.
