Albert's many friends here will be glad to hear that he is happy in his new field of endeavor. Council Doings. At the council meeting last Monday evening a letter from the Commercial club was read in which the club urged the council to ascertain without further delay the rights of the city to dam Foot Lake. City Attorney Porter stated that the case of J. S. Robbins et. al. vs. the city, which raises just this question, will soon be heard before Judge Powers, and that the course of action to be followed will depend upon the decision given by the judge at that time. The Commercial club also called attention to the fact that the shed on the south end of the Kelly & Sanderson livery barn is a public nuisance, being both injurious to the public health as well as dangerous in case of fire, and the club requested that the council take some action to have this nuisance abated. The matter was referred to the board of health, with instruction to have the case investigated, and to take proper steps to have the shed removed if the points raised against it by the club were found to be true. Given Poison by Mistake. Miss Barbara Williams, the daughter of Mr. and Mrs. John Williams, was the victim last Wednesday of an accident which easily might have had serious consequences. Her mother was preparing a dose of epsom salts for her, but by mistake got hold of the wrong bag, giving her crystals of oxalic acid instead. Fortunately Miss Barbara discovered the mistake at once, and a few moments later she took the proper antidote, soda. Physicians were summoned at once, and the proper treatment administered, and at the present time the patient is again able to be about, though she is yet somewhat weak. Miss Barbara's many friends will be glad to hear that she is well and not suffering any permanent injurious results from her experience. Lecture Recital. ONLY ONE CONVICTION FOUND

Most Persons Accused By Grand Jury of Selling Liquor Illegally Escaped Last Week.

District court reconvened last Wednesday to consider six blinding cases on the calendar. In the Owen Ward case the statures witness, L. W. Carson, claimed he bought a pint of whiskey from the accused, but Ward expressly denied the sale, saying he only acted as an agent, securing the stuff from Matt Thom, of Clara City. The jury returned a verdict of not guilty, after having been out seven hours. The next case was that against A. E. Mossberg, with Charles S. Johnson as complaining witness. Johnson said he bought a 1/2 pint of brandy from Mossberg on September 24 and the sale was not denied by Mossberg. Another interesting feature about the case was the plea to the jury by Daly of Renville. He succeeded admirably in getting away from the facts in the case, and gave the jurors a most interesting talk about friendship and neighborliness. Regarding the prohibition sheriff he pointed out the fact that he was perhaps to diligent in enforcing the law. Bonde had a remarkable power over Johnson, the witness, he said. He believed that if he, Bonde, should tell him, Johnson, to jump off a bridge, that Johnson would do it. Regarding transgressions of law, Daly thought he ought to be prosecuted if he went out and disturbed a church meeting by riveting a boiler, but it would be a breach of friendship or at least etiquette if he should go fishing on Sunday with a friend and have that friend arrest him for violating the law. He urged the jury to consider the matter with regard to the general welfare of the community, and he didn't think that the community would gain anything by the convictions of the accused. The jury deliberated on the matter for about 24 hours, finally reporting that they were unable to agree. The case was then continued until next term of court, as was also a second case against the same party. Nels Haramoen of New London swore, he had not sold any beer to a party of street workers at New London on July 17. He just went and got it "for the boys" and he received no remuneration of any kind. He was partly corroborated by Norstedt, Bergeson, Ihlung, Olson, and Harris, none of whom had paid Haramoen anything for the refreshments furnished. Conrad Swenson was the only one who said he had paid something, but the jury evidently placed more reliance upon the testimony of the other witnesses, as it returned a verdict of "not guilty" after a short deliberation. The case against Charles D. Davis was somewhat similar in that Frank Covell said he had paid \$2.50 for 12 bottles of beer, and Davis said he had received no money. The case grew out of a late visit on the part of Covell and Norman Nelson to the residence of Davis, at which time Davis insisted that Covell helped himself to the beer. The jury returned a verdict of not guilty. The case against John Roisum was dismissed on the motion of the county attorney, Albert Larson, who was the only one convicted, and he received a fine of \$50 and 30 days. Mrs. Qvale Entertains. Clusters of spicy carnations brightened the attractive rooms at the S. B. Qvale home on Tuesday afternoon, when Mrs. Qvale charmingly entertained a large company of ladies from three until six o'clock. A celebrity contest was an amusing feature of the affair and at five o'clock an elaborate menu was served. Assisting Mrs. Qvale were Mesdames Hans Peterson, W. J. Pinney, P. C. Tonnung, Anna C. Dickey. Mrs. Qvale will be hostess to another group of ladies on Friday afternoon. Bijou Changes Hands. Peter Freeberg has sold the Bijou theatre to the Hohenthaner, Stark and Newman Amusement company. The new concern will open up tomorrow night with a fine line of moving pictures. A new Power Kinematograph has been installed by the new company. The theatre will be managed by Mr. Hohenthaner, who also has a moving picture theatre at Granite Falls. The librarian, Miss Edith Frost, has received from the state library commission 40 sketches of Venice, one half in color and one half in black and white by F. Hopkinson Smith. They will be on exhibit this week at the library, and will no doubt receive a great deal of attention.

Willmar is soon to have a candy store and factory. The new enterprise will be launched in about two weeks by Peter Chakires, a Greek, who for a number of years has been in the candy-making business in this country. He will be assisted by two nephews, Ernest and Enjos Berbes. The location will be the building formerly occupied by the Teistad grocery store on Fifth street. Mr. Chakires is in the Twin Cities this week buying the necessary store fixtures and the equipment for his candy kitchen. If Mr. Chakires finds the place and the business to his liking he will not only manufacture sweets for home consumption but will also put a man on the road in an attempt to get a share of the business east and west of Willmar. Will Erect Mausoleum. Mr. John M. Spicer has ordered through the firm of Shipstead & Johnson Bros. a very handsome vault to be placed on the family lot in Spicer, Minn. It will be made of the best Vermont granite with an interior finish of Italian marble and Mosaic tile and space for twelve catacombs. The measurements are 12 feet wide, 19 feet long and about 14 feet high, total weight 240,000 pounds or four car loads of marble and granite. Monday Afternoon Club. Eighteen members of the club reported to roll call at the home of Mrs. Alton Crosby Monday afternoon, Oct. 18. Discussions of the current news items given made this part of the program of special interest. After the books were located and exchanged the hostess, assisted by Misses Olive Crosby and Gertrude Palm, served a tempting luncheon. Following this pleasant half hour the work of the afternoon was resumed, and Mrs. Henry Meyer, as magazine reporter, reviewed an article by Edgar Allen Forbes, in the October "World's Work" "Can the Black Man Stand Alone?" The writer takes a most optimistic view of the subject, looking to the Liberian Republic, with which the article dealt entirely, for the answer to the question. Mrs. Handy will entertain the club November 1 and Mrs. Moore will give the magazine report. The club members were happy to have with them on Monday, Mesdames A. Palm, L. M. Crosby, E. W. Lewis and J. H. Brown. In the street fair premium list published last week the name of Harold Hennings for a prize on chickens was omitted. He was awarded a second prize for Plymouth Rock, barred.

REV. BUELL TO LEAVE WILLMAR

Pastor of Presbyterian Church to Go to California—A Brief Summary of the Progress of the Local Church.

Rev. H. C. Buell, who for the past six and a half years has served as pastor of the Presbyterian church, has resigned, and will remove to Santa Paula, California, to become pastor of the Presbyterian church at that place. The change was made necessary by the delicate health of Mrs. Buell and his daughter Margaret, both of whom have been troubled with bronchial diseases for some time. The sudden changes in temperature in Minnesota did not agree with them, and it is hoped that the mild climate of California will again restore them to perfect health. The announcement of Rev. Buell's departure will be received with deep regrets not only by his large congregation, but by all others who had the privilege of coming in contact with him and his estimable wife. But under the circumstances

REV. H. C. BUELL.

they can do nothing but wish them happiness and health and success in their new field of labor. Mrs. Buell and daughters Margaret and Charlotte will leave the first part of November for a visit with friends and relatives in Chicago and Topeka, Kansas, and at the latter place they will be joined by Mr. Buell and son Raymond. After a short visit there Mr. Buell and son will go to Santa Paula to put everything in order for the arrival of the rest of the family. According to the present plan Rev. Buell will preach his farewell sermon on Sunday, November 21. During the pastorate of Rev. Buell the Presbyterian church has enjoyed a remarkable growth. The membership has increased from 156 in May 1903, to 297 this year, and during the same period the number of scholars in the Sunday School has increased from 145 to 312. Another sure sign of progress is the fact that the amount of benevolences has increased from \$190 to \$695. During the past year the congregation expended more than \$4000, including \$750 for a new pipe organ (the other \$750 having been donated by Andrew Carnegie, and \$700 for a new heating plant, city water and sewer. The entire church property is estimated to be worth \$25,000 at the present time. The auxiliary societies of the church also show a healthy growth. The Ladies' Social Union, of which Mrs. P. C. Tonnung is president, has a membership of more than 80. It has been very helpful to the work of the church, both socially and financially. The Woman's Home and Foreign Missionary Society, Mrs. W. M. Chase, president, last year alone gave \$111 to Foreign and \$115 to Home missions. This society now has a membership of 30. The other two organizations, the C. E. society with Miss Alice Smith as president, and the Men's League, organized about three years ago, with Mr. P. C. Tonnung as president, have both done good work and they are both in a most prosperous condition. A good deal of the credit for this splendid showing on the part of the various organizations is due to the energy and faithfulness displayed by Rev. Buell, and his presence and enthusiasm will be greatly missed. Santa Paula, where the reverend and his family are going, is known as the "Glen City" of southern California. It is located in the center of large groves of orange, lemon, apricot and English walnut groves, and fruit raising and oil wells are the chief sources of wealth. The climate is delightful and the scenery superb. It has a high school with an attendance of 130, more than a dozen lodges and eight churches. The population is about 2500. No steps have been taken so far

WILLMAR WON OVER LITCHFIELD

Willmar High School Wins The Second Game 17 to 8. A Spectacular Game.

In one of the most spectacular games ever seen on the local gridiron Willmar last Saturday defeated Litchfield by a score of 17 to 8. Both teams were on edge for the contest, Litchfield to duplicate her feat of two weeks ago when she walloped Willmar 17 to 0 and Willmar to regain her lost laurels. For a while it looked as if Litchfield would carry home the victory, but a great rally during the last 12 minutes of play turned the tide and Willmar won. During the first half both teams played straight foot ball, and the only score made was by Litchfield, a kick from placement on the 20 yard line. The fight was in the Willmar territory nearly all the time up till the last 12 minutes of play. Willmar's light line being unable to do much with their heavier opponents. During the second half the Willmar boys showed a fighting spirit, the likes of which is seldom seen on any field. Three times Litchfield worked the ball down to Willmar's two yard line, and three times they were held for downs. A little later Willmar opened her box of tricks, and resorting almost wholly to the open style play she carried the ball over for the first touchdown. Hornbeck kicked a difficult goal. The second touch down came when Carlson got the ball on his own 50 yard line and ran 65 yards for a touchdown. The splendid interference of Hanscom made the run possible, Hanscom bowling over no less than three men, leaving Carlson with an open field. Hornbeck again kicked goal, making the score 12 to 8. From now on the ball se-sawed back and forth, until one of the time keepers called time. But Tonnung, the other time keeper, insisted that there was 1 1/2 minutes of play left, and the players were called back. Within 40 seconds the ball was carried over for the third and final touchdown, making the final score 17 to 8. All the boys deserve credit for the splendid showing the team made. Carlson proved a heady general, and a dead sure tackler, and Smith and Adams were towers of strength on defense. The boys used the forward pass to excellent advantage, also losing one or two. Litchfield tried the open style foot ball, but in most instances Willmar succeeded in breaking up the plays. Coach Udell and assistant Coach Crosby are now busy putting the team in shape for Montevideo, which comes next Saturday. This will no doubt prove a battle royal, as both teams are well versed in the open style play. It is to be hoped that there will be a large turn out to help in the rooting. Sandbo Again Buys Delmonico. A deal was completed last Wednesday whereby E. T. Sandbo again became the proprietor of the Delmonico cafe, Walter Hognlund retiring after having been in charge since January. This was the fourth time Mr. Sandbo bought back the Delmonico, but he thinks he has bought it for keeps this time. Mr. Sandbo will run the restaurant without any change at present, and, as he already is looking after the welfare of the Saratoga eating house which he bought from Dr. Mantor in July, he will no doubt be a very busy man from now on. Mr. Hognlund has not quite decided what he will do, but it is probable that he will go to Minneapolis to work in the meat department of Yerxa Bros. store. Philip Gates is home from Milwaukee for a 10 days visit at his home here. Mr. Gates is at present studying with Dr. Daniel Protheroe, choir master for Dr. Gunn-saulo, Chicago, and one of the leading vocal teachers at the Chicago conservatory of music. Mr. Gates is making rapid progress in his vocal studies, and in a few months will go to Chicago to continue his work at the conservatory there. He will sing at both the morning and evening services at the Episcopal church next Sunday and his many friends will no doubt be glad to have an opportunity to hear him. Ole Johnson is now running the Eagle confectionery, formerly the property of his deceased brother, Nels M. Johnson, whose death was mentioned in the Tribune a couple of weeks ago. Mr. Johnson was appointed special administrator of his brother's estate, and he will have charge of the store pending the final settlement of the estate.

Events at Synod Church. Preparations are being made for the reunion of the confirmation alumni of the Synod church. The annual meeting will be held at the church basement next Monday evening, beginning at 6 o'clock. The alumni now has a membership of 106, the number confirmed by the present pastor, Rev. J. N. Anderson. The program committee has been busy preparing a suitable program for the occasion and banners have been made for the different classes. The members are endeavoring to have as many as possible attend the meeting as a special banner will be awarded to the class having the largest attendance. The Y. P. S. of the Synod church will meet on Friday evening of this week and will be entertained by Edith, Jane and Bertha Thorpe. The following program will be given. Piano duet, Agnes Dalen and Marie Botnen. Reading, Lillian Boyd. Song, Helen Sather. Address, Hou. L. O. Thorpe. Mr. Thorpe will speak on his recent trip to the Alaska-Yukon expedition. To Hold Mission Meetings. A mission meeting takes place at the Swedish Lutheran Bethel church next Monday and Tuesday, to be continued on Wednesday at Mamre. The opening mission sermon will be delivered by Rev. Lundberg on Monday afternoon at three o'clock. Monday evening there will be a discussion using 2 Cor. 4, 3, as the subject, the opening address to be made by Rev. B. E. Walters. Tuesday morning Rev. Schoberg will preach, with Psalms 26:6-8 as his text. At two o'clock Tuesday the discussion will be continued. In the evening Rev. Norsen will preach, text Hebrews 4:11-13. At Mamre there will be a sermon Tuesday evening by Rev. Schoberg. Wednesday forenoon Rev. Lundberg will deliver a harvest festival address. A discussion takes place in the afternoon and the evening service is conducted by Rev. Walters. Rev. Norsen preaches at Penock in the evening. Novel Contest at Sand's. A novel contest has been started at the Clothing store of the Gilbert O. Sand company. For every one dollar purchased the customer is given a slip giving a certain time of the day. A big clock hung up in the store holds similar slips. Every Wednesday afternoon at 3 o'clock the clock is opened and the man holding the time nearest to that indicated by the slip in the clock will receive a \$5 bill. In case the winner is not present at the time of the drawing, the \$5 bill will be given to the one holding the next nearest time slip. The first drawing will come off next Wednesday afternoon, and the contest will continue for 12 consecutive weeks. Lecture at Seminary Hall. A lecture of unusual interest will be given tomorrow evening in the Seminary chapel by Ola Johann Saervoid, B. A. author, journalist and traveler. His subject will be "Norway, the Land of the Midnight Sun", and as Mr. Saervoid has devoted himself exclusively to this one topic for a number of years, he has succeeded in working up a lecture which is sure to please, interesting and instructive. Mr. Saervoid spends every summer, and some parts of the winter, traveling and studying, photographing and kinematographing scenery and cities, life and conditions of that country. Enjoying California's Climate. Carl Anderson is in receipt of a letter from Gustaf Nord, who left for California a short time ago. Mr. Nord is now nicely settled at the home of his son, Prof. William Nord, at Chino. He says he spends but very little time in the house, but everything is in bloom, and the birds are singing in the trees. Mr. Nord enclosed in his letter a clipping from the Los Angeles Herald giving an account of the first blizzard of the year at Duluth—to emphasize the climatic difference between hardy old Minnesota and sunny California, and incidentally to show that he knew enough to get out in time. A Joint Social. A joint social will be held in the Presbyterian church on Tuesday Oct. 26, given by the three different societies in the church, the Young People's society, the Men's League and the Ladies' Social Union. The following program will be rendered. Piano Solo, Miss Palmer; recitation, Miss Helen Hanson; duet, Messrs. Udell and Seybold; impersonations, Mr. L. S. Dale; reading, Atty. R. W. Stanford.
