

ARCTANDER-ARROWS

Arctander, Oct. 18.—While feeding the hogs last Sunday, Andrew O. Henjum met with an unexpected and quite serious accident, which resulted in the fracturing of the collarbone. Andrew was alone at the time so nothing can be stated regarding the details of the accident, but what he remembers was, that he slipped and fell to the ground just as he was going through the door in the hog-house, his shoulder striking against a stone causing the above stated painful accident.

Dr. Johnson, who was immediately summoned, dressed the wound and reset the broken bone. The patient is doing as well as can be expected, considering the circumstances, so we hope for a speedy recovery.

Olof Negard had his wooden towered windmill taken down last week. He will have it replaced by a sixty foot steel tower.

Mr. and Mrs. Ole Jelle and daughters, Edna and Amy, left last Wednesday for a few days' visit with the Gosson family at Tracy.

Oliver Skindelen returned last Monday from Aneta, N. D. where he has been working during the threshing season.

John Foshaug attended the District court session in Willmar last week.

The Edman Bros. threshing Co. finished their threshing last Saturday.

Miss Agnes Westlund arrived here yesterday to teach a two months' term of school in district 54.

Mike Nyseth has rented the C. K. Lund farm and is now busy turning the sod.

August Rugtved, who has been enjoying a three years' stay in his native country, Norway, returned to America about a month ago, and arrived at Ytterboe's place last Friday. He was accompanied by Miss Mary Hegna from Telemarken, Norway.

A song festival will be given in the east Norway Lake church next Sunday, Oct. 21, at 1 o'clock by a male octette from the United Lutheran Seminary.

Why Not Save Half
on your boy's overcoat by getting one that will be twice as serviceable?
Ordinary clothes look ordinary, quickly show wear, get out of shape, go to pieces while they're still badly needed.
XTRAGOOD clothes have double the wear of ordinary clothes because they represent double the value in materials and twice the work in making.
If it isn't worth while buying a good boy's overcoat it isn't worth while buying one at all.
But if you're going to pay the price of a durable, stylish coat, get **XTRAGOOD**. It'll last twice as long, really cost you half as much.
