# The Clothes Young Men Want

There's something within every Young Man that makes him want the best the world can give—education, opportunity, success, friends, pleasure and—smart clothes. He may be excused if he doesn't secure all the good things in life; but not if he fails to have good clothes.

Young Men's clothes are a different proposition here than elsewhere. They're Young Men's clothes from Young Men's makers.

That means more than you think.

The patterns are different than would be selected for Men. The clothes are cut and tailored on different lines. The style is distinctive.

It takes men with a knowledge of the Young Man's figure to make your clothes. In fact it requires specialists. That makes the clothes different. That's what you want.

The makers of these clothes, Ederheimer, Stein & Co., have a wide reputation as experts on Young Men's clothes. We sell their styles for this reason.

When ready for the Fall overcoat, get it here.
