WEDNESDAY, NOV. 24, 1909.

Again the day for special thank-
 giving is near, and tomorrow all
 over the land people will meet to-
 gether in worship to give thanks
 unto the Giver of all things. Let
 us all join heartily in thus thank-
 ing God for His goodness and
 mercy. As a community we have
 reasons to be thankful. God sent
 favorable seasons, and the toil of
 the farmer who sowed the seed was
 rewarded in an abundant harvest,
 and life and health have been given
 us that we might enjoy the things
 which the earth gave forth. Surely
 it is meet that we should be thank-
 ful.

And let us remember also to be
 thankful for the sorrows and trials
 which have come as our portion.
 Let us remember that problems are
 sent, not to perplex us, but that by
 the solving of them we might live
 better, more complete lives. And
 thru it all let us keep the faith,
 ever trusting that He knoweth best,
 and ever thankfully accepting what-
 ever He in His Infinite Wisdom
 shall send us. L. S. D.

Why it Pays To use CALUMET BAKING POWDER

Big Can Small Biscuit. Big Biscuit "Full Value" Can.

The Cheap and Big Can Kind

In this can you get more substance but not more baking powder. It is great in quantity only—not in satisfaction.

THE CHEAP AND BIG CAN KIND

Instead of cheap and big can baking powder

You simply cannot get as good results from the cheap and big can kind—the baking cannot be as evenly raised—it cannot be as delicious—it cannot be as pure and wholesome—because the quality is not there. And it is not to be any more economical. Calumet is medium in price—the standard 1½ size can costs 25c. Less of it is required and the baking is certain to be better. Try one can—if not satisfactory your money will be returned.

Calumet Received Highest Award—World's Pure Food Exposition—FREE—large handsome recipe book. Send 4c and slip found in pound can.

A Successful Convention.
 The young people of the Willmar conference of the Lutheran Free Church closed the most enthusiastic convention they have ever held last Sunday evening. More than 300 delegates came, and they entered into the various discussions with a good deal of spirit. The singing was the feature of the convention, both the church choir as well as the union choir furnishing some excellent music. Among the many good things on the program may be mentioned Rev. Nordberg's lecture on "Timothy", Prof. Nelson's lecture on "Paul" and two original papers, one by Miss Mary Olen of Benson on "Live and Let Live" and another by Miss Ethel Govig on the 9th verse from the 119th Psalm, "Wherewithal shall a young man cleanse his way." The latter paper was in the Norwegian language, and was a most excellent contribution.

On Sunday morning \$100 was collected for foreign missions and in the evening a similar amount was given to the Bethesda Home. The next convention will most likely be held in Cyrus in June, and a committee has already been appointed to prepare the program for that time.

For Johnson Fund.
 The following additional contributions to the Johnson Memorial Fund have been received by A. E. Rice: School District No. 86, 85 cents; Dist. 63, 50 cents; Dist. 25, \$2.10; East school, Dist. 14, \$1.20; and John G. Flann, 50 cents. The Tribune has received \$1.00 from Carl J. Johnson, of Lake Andrew, and 50 cents from Jonas Monson, of Kandiyohi.

Yesterday N. O. Nelson, custodian of the funds sent in the amounts accounted for above, \$6.65, making a total of \$285.42 remitted to the Memorial Commission by Mr. Nelson. Other amounts have been contributed direct to the Commission from parties in this county so that the aggregate from this county will bring up the sum somewhat higher.

Victims of Surprise.
 A number of lady friends made a surprise call on Rev. and Mrs. M. B. Michaelson Monday afternoon to remind them of the fact that the day marked their 10th or 11th anniversary. The callers left a fine water set and some tin-ware as tokens of esteem.
 A short time ago Rev. Michaelson was made the victim of a surprise by the members of the St. Johns congregation, who presented him with a purse of \$60 as an indication of their appreciation of his faithful work for the church.

Thumb Amputated.
 Mrs. Herman Edman returned to Norway Lake Thursday after having been at a local hospital for about a week. About four months ago a bone felon set in on the thumb of her left hand. It did not yield to treatment but steadily grew worse, and at last the physician in charge found it necessary to amputate the affected member. This was done, and the patient is now recovering very nicely. Mrs. Edman was accompanied to her home by Miss Alma Nelson.

Mrs. Gunder Hegness entertained the members of the Birthday club and a number of their friends Monday afternoon. The occasion was Mrs. Hegness' birthday, and she was presented with a beautiful set of sherbet glasses. At six o'clock a most delicious supper was served, covers being laid for 20. Mrs. Hegness was assisted in serving by Mesdames J. H. Olson and Jacob Peterson.

The proceeds from the refreshments and the sale of fancy goods at the Synod church basement Monday evening amounted to \$38.50. The money has been added to the pipe organ fund of the church.

Michigan Athletic Director Here.
 Mr. and Mrs. W. M. Chase are enjoying a visit from Mr. Chase's brother-in-law and sister, Mr. and Mrs. P. G. Bartleme, of Ann Arbor, Mich. Mr. Bartleme is director of athletics at the Michigan university, and he is on his way home from Minneapolis where last Saturday he had the joy of seeing his Alma Mater humble the Gophers in their first gridiron meeting since the memorable day in 1903 when they battled to a tie. Naturally he was very much pleased with the outcome, especially since Minnesota had already this year stowed away the conference championship by defeating Chicago and Wisconsin, and was looked upon as more than equal to take the Wolverines into camp. But he was still more pleased with the fact that the battle was clean and sportsmanlike, and that the game marked the resumption of athletic relations between the two universities. He said the team had been treated royally all thru its stay at Minneapolis, and that they would be at their wits end to return the courtesies when Minnesota comes to Ann Arbor next year.

Mr. Bartleme graduated from the Ann Arbor institution in 1899, and he began his work as athletic director only a short time ago. He is well versed in sports, but is also at home in the various academic branches, and he is with a most pleasing and interesting gentleman to meet.

The proceeds for the supper served by the men of the Presbyterian church last Friday were \$67. The sale of fancy and useful articles netted the ladies \$61.10, making a grand total of \$127.10.

The Doctor's First Question
 "How are your bowels?" This is generally the first question the doctor asks. He knows what a sluggish liver means. He knows what a long list of distressing complaints result from constipation. He knows that headaches, bilious attacks, indigestion, impure blood, and general debility are often promptly relieved by a good liver pill. We wish you would talk with your own doctor about this subject. Ask him at the same time if he approves of Ayer's Pills. Do as he says. J.C. Ayer Co., Lowell, Mass.

OBITUARY

MRS. CHRISTINE BROBERG.
 Mrs. Christine Broberg, wife of Peter Broberg of New London, died at her home last Saturday evening, death being caused by a complication of diseases. The deceased had been ailing for nearly two years. Just before her last fatal illness the family had planned to go to California for the winter in the hope that the milder winter there would help Mrs. Broberg. All the arrangements for going had been made and the very day that the summons of death came was the day that had been set for their departure.

The funeral will be held this afternoon, services being conducted by Rev. Erick Hedin assisted by Rev. Horatio Gates at the residence at three o'clock and at the Swedish Lutheran Lebanon church at 3:30. Interment will be made in the church cemetery.

Christine Larson Broberg was born at Waupaca, Wis., March 16, 1855. She was the youngest daughter of Mr. and Mrs. Peter Larson who came to Waupaca from Sweden in 1852. In the summer of 1859 she came with her parents to this county, where they settled on the shore of Nest Lake. She became the wife of Peter Broberg on Dec. 31, 1878, Mr. Broberg is also one of the survivors of the first Swedish families to arrive in the county and is a very successful business man at New London where they have continuously resided. Besides the bereaved husband she leaves to mourn the loss of a fond mother four children, Mrs. John Anderson of Waseca, and Martha, Eunice and Elmer, all the latter of whom are at home. She leaves four brothers to mourn her death, Messrs. Louis, Nels and Oliver Larson of this county and Peter Larson of Foreston, all well-known as old settlers of this county, and a large number of other relatives. The news of her death will cause much grief and regret in a large circle of friends who esteemed her highly for her noble traits of Christian womanhood.

Willmarites Are Safe.
 Following the news of the mining disaster at Cherry, Ill., when more than 200 men were entrapped, it was rumored that W. H. Ferris, who for sometime had charge of the Glarum farm, and Arnold Johnson, a son of Mr. and Mrs. Henry Johnson, were among the victims. The telegraph companies would receive no telegrams for Cherry, and on Monday J. T. Johnson, a brother of Arnold, left for that place. He wired home today that both Ferris and Arnold are safe.

Horticulturist Will Meet.
 The annual meeting of the Kandiyohi County Horticultural Society will be held at the court house on Saturday, Nov. 27, commencing at 10 o'clock a. m. All persons interested in horticulture are invited to attend this meeting.
