Political Announcements

For Representative.

In the spirit of Lincoln Republicanism and on my past record in the Legislature as a standing for progressive reforms, embodying the several issues such as: Extending the primary law to State officers; Election of U. S. Senators by popular vote; The County Option law, and the Initiative and Referendum as well as believing that the adoption of these policies into law is the only solution to the problem of quelling the power of monopoly over our law-making bodies and giving to the people the right of popular government, at the request of my friends, I hereby respectfully announce my candidacy for re-nomination of Representative on the Republican ticket at the coming Primary election. With the greatest appreciation to the voters of this district for past honors conferred upon me, I pledge my best efforts in behalf of the people should I be called upon to fill this position again.

Sincerely,
C. E. JOHNSON.

Hotel Radisson Minneapolis

Reservations of Rooms in Advance will Assure the Guest what He Wants.

Prices of room at Hotel Radisson, Nicollet avenue and 7th street, Minneapolis, are so arranged as to give the guest the choice of rooms with or without toilet and bath. All rooms have a stationary wash-stand and circulating artisan ice-water. The Radisson has:

40 rooms at \$1.50 single, \$2.50 double; 70 rooms at \$2.00 single, \$3.00 double; 50 rooms at \$2.00 single, \$4.00 double; 50 rooms at \$3.00 single, \$5.00 double; 35 rooms at \$4.00 single, \$5.00 double; 30 rooms at \$4.50 single, \$6.00 double; 30 rooms at \$5.00 single, \$6.50 double; 10 rooms with twin beds, \$6.00.

Rooms at \$1.50 have privilege of bath and toilet on same floor without extra charge. Rooms at \$2.00 have the privilege of bath and also have private toilet, and all rooms at \$2.50 and upwards include private bath and toilet. One hundred sample rooms are of unusual size.

The Radisson, since its opening, has as a rule been filled to capacity, sometimes being over-stayed, and for this reason occasionally is not able to supply guests with the class of room desired immediately. To avoid getting on the waiting list for rooms, if practicable, write, making reservations, stating class of room desired and probable time of arrival, three days in advance.

The management makes this suggestion as it particularly desires to accommodate its Northwestern visitors and to give them what they want at the prices they wish to pay. An addition shortly to be completed will give the Radisson one hundred more rooms.

The hotel is conducted on the European plan with half portion service in its restaurants of superior quality and at prices same as charged in other first class restaurants in the Twin Cities.

Absolutely fire proof. 16 4
