## LAST WEEK'S COOKING SCHOOL A SUCCESS

The Cooking Class conducted by Miss Macdonald of the State Agricultural school proved to be a very successful venture for the Housekeepers' Club, and the President and the members are highly gratified at the educational and financial results. The attendance was fairly good considering the warmth of the weather, and the basement of the Synod church proved to be an ideal convenient place in which to hold the demonstration. The club wishes to thank the trustees of the church for their kindness in giving its use for the purpose. Thanks are also due to the New London Milling Co., to Messrs. Peterson & Wellin, and the Eddy Dairy farm for courtesies and donations. Also to Mr. Andrew Peterson for the use of the Vac-jac Fireless cooker during the demonstration. The receipts from sale of tickets and admission were \$98.50 and as it was decided at the June meeting of the club that the net proceeds be donated to the Willmar Red Cross society to assist in its work for the relief and cure of those afflicted with tuberculosis, the amount of \$71.48 has been turned over to Mrs. Rice, treasurer of that society.

## THE SIMONS STUDIO

is equipped with good apparatus and the fastest lenses that money can buy, and with the latest in back-grounds and scenery. Their experience is back of every picture they make and that means good results whether it be wedding, children, family or single pictures. They also make enlargements and take views of residences and farms.

In their portraits they don't make the faces too dark on one side, and you will find their work clear both in focus and highlights, with detail preserved in white dresses—something you have seen lost in the photographing of many a pretty dress. The finish is rich looking whether in brown or in black and white; so you see, the finished picture will be one to your entire satisfaction and a boost to the makers. Give them a call and inspect their work.

United Scandinavian Singing Societies to Give Concert July 14th.

The greatest musical event of the season for this part of the state will take place at the Park Assembly auditorium at Willmar on the evening of Thursday, July 14, when the Scandinavian Singing Societies of the Twin Cities will give a concert, the singers having accepted an invitation from the Park Assembly to stop there on their way to Sioux Falls where the annual Sangerfest of the United Scandinavian Singers of the Northwest occurs July 15 and 16. The Great Northern will provide a special train for the singers from the Twin cities and other eastern points, and the societies from Fargo, Crookston, Duluth, Superior and a number of other places will meet them at Willmar. ## WEDDING IN RINGVILLE

And Other News from Our Correspondent There.

Ringville, June 21—On last Saturday at the home of Mr. and Mrs. John Stenerson occurred one of the prettiest weddings of the season, when their daughter, Selma Andria, was united in marriage to Peter Olof Sonstegard.

The ceremony took place at Crow River church, which was beautifully decorated for the occasion, at one o'clock sharp. To the strains of Lohengrin's wedding march the bridal party entered the church and were awaited at the altar by Rev. Tolo, who read the service and made some appropriate remarks both in English and Norwegian. Little Raymond and Stella Johnson carried smiles wreathed baskets filled with pansies. The bride was attended by Amanda Sonstegard as maid of honor and the groom by A. H. Stenerson as best man. Hilda Stenerson and Alberta Johnson acted as bridesmaids and Carl Graverson and Pote Halvorson as groomsmen. The bride was attired in a handsome gown of silvery green with drapery in the same color and trimmed with gold. She wore a veil and carried bride's roses and ferns. The maid of honor wore pale blue saine silk and carried pink carnations. The bridesmaids were attired in pale blue silk and carried carnations.

The happy couple received the congratulations under a canopy of green vines and streamers at the home of the bride, to which the wedding party had repaired from the church. The parlor was in green and white, the dining room in purple and white with pansies. A splendid wedding dinner was served to about 150 guests in a large tent on the lawn. The young people were the recipients of a large number of handsome and valuable presents, and will make their home with the groom's mother. We all join in wishing them much joy and happiness. The guests from a distance were Mr. and Mrs. Ben Sonstegard from Sisseton, Olaus Sonstegard from Brocton, and Emma Somerville from Willmar.

Ina Iverson returned home from North Dakota last Saturday to remain at home for a time.

Ben Sonstegard returned to Sisseton last week, while his wife will remain for a visit with friends and relatives.

Remember that the "Minerva" will hold the last debate of the season Saturday night when the question will be "Resolved, That the Combination of wealth is a Benefit to the People." The speakers on the affirmative are C. Patchin, Olof Sonstegard and Hilda Amundson. Negative: Edw. Sonstegard, Dan Schulz and Carl Graverson. All should attend and make the last meeting a good one.

The County Commissioners will meet in special session at the court house Wednesday, June 29. The business to be transacted is the adoption of the final resolutions in the negotiation of a loan upon the county drainage bonds sold to the Union Investment Co.

## EARLY WILLMAR RESIDENT DEAD

And. B. Robbins, Formerly of this Place, Answers Final Summons at Robbinsdale.

Andrew B. Robbins, in early days a prominent business man of Willmar and later of Minneapolis, died on Thursday, June 16, at his home in Robbinsdale, with the development of which place he had much to do. Mr. Robbins was widely known in business and political circles of the Northwest. He was ticket agent of the first depot in Minneapolis of the St. Paul & Pacific railway, and later chief accountant, ticket agent and telegraph operator.

Mr. Robbins brought the first regular train to Willmar when the road was extended to this place. In Willmar he became identified with the lumber, farm machinery and grain business.

The Bank of Willmar was established by him in 1879. One of the organizers of the First Presbyterian church, he was for many years Sunday School superintendent. Among the many pleasant memories of him is none pleasanter than that he was a friend of children and was dearly loved by them. In his busy life there was always time to work for the betterment of mankind.

He was the youngest member of the Senate, representing Kandiyohi county in that body when but 30 years of age.

From Willmar Mr. Robbins, having become very actively engaged in the grain business, moved to Merrimark Park and organized and became manager of the Northwestern Elevator Company. In 1869 he was married to Adelaide Walker of Minneapolis, who still survives.

Mr. Robbins leaves besides his wife, five daughters, two sisters and one brother, John S. Robbins, of this city.

### Home from Colorado on a Visit.

Albert N. Gilbertson, who during the past year has been an instructor in the state university at Boulder, Colorado, arrived in Willmar Thursday for a few weeks' stay at his home in this city. He enjoyed his work in Colorado very much, and cannot say too much in praise of the scenery and people of that region.

Mr. Gilbertson leaves about the middle of next month for Europe. He will go by the Canadian route, via Montreal and Quebec. After a brief visit in England, principally in London and Rugby, he will proceed to Norway, where he will visit relatives and friends in and about Christiania, his ancestral home. Mr. Gilbertson was born in America.

### Epworth League Holds Interesting Meeting at Kandiyohi

Sw. M. E. Church.

The Minneapolis District Epworth League held its annual convention at the Swedish M. E. church of Kandiyohi June 15 to 19. All of the meetings were well attended and decidedly interesting. Among the places represented were Minneapolis, St. Paul, Atwater, Rosendale, Belgrade, Colfax, Farwell, Lindstrom, Red Wing, Litchfield, Stillwater, Trade Lake, Vasa and Willmar. The first evening was devoted to a reception to the delegates at which Rev. Wm. Lundin of Minneapolis gave an interesting and inspiring talk on "En Vattendroppes Vandringar." Thursday morning was given to electing officers and appointing committees. The result of the election proved as follows: President, Rev. C. H. Sundstrom, of Minneapolis; First V. P., Rev. Wm. Lundin of Minneapolis; Second V. P., Miss Christine Peterson of Minneapolis; Third V. P., Rev. Ludvig Pehrson, Vasa, Minn.; Fourth V. P., Miss Ebba M. Norman, Minneapolis; Secretary, Rev. A. F. Peterson, Stillwater; Junior League President, Miss Ella Carlson, of St. Paul; Committees on worship, on traveling expenses, on constitution and on resolutions were also appointed.

On Thursday afternoon Rev. Ludvig Pehrson read a very instructive paper on the subject, "The Christian Life the Best Protection of the Young People," and Miss Ebba Norman, of "Young People's Bible Classes."

Rev. A. G. Hultgren gave a talk on "My First Experience as a Methodist Preacher," depicting the hardships and trials, but also the rich blessings in connection with the early career of the Swedish Methodist church in Michigan.

Prof. David Nyvall from Minneapolis delivered an enjoyable lecture on "The Solution of the Young People's Problem," in which in his usual clear and forcible manner and with his excellent comparisons he pictured pride as the cause of all evil, and in which he advocated more humbleness among the young people of today.

Rev. C. H. Sundstrom from Minneapolis also delivered an excellent lecture "America and the Bible." In this lecture he very impressively portrayed the sad neglect of the study of the Bible in America and the inevitable awful result which must follow unless something is done in this exceedingly important problem.

Miss Rosine Widefelt of the Scandinavian Home of Shelter of Minneapolis, gave an interesting talk on the "Dangers of the Large City," a subject with which the young people of the country ought to be more acquainted.

The convention closed with the Friday evening service, after which the Young People's Society tendered a farewell reception to the visiting delegates and ministers.

Saturday morning at 10:30 the mission meetings convened and continued over Sunday. These meetings were inspiring and were well attended.

ca and this is his first trip to "the old country." In the early autumn he may take a trip on the continent and see the Passion Play at Oberammergau, South Germany. If he finds conditions favorable, he intends to spend a year or more abroad studying at European Universities. He is a graduate of the Willmar High School and the Minnesota university.

### Fell Off the Roof.

Nick Hagen, a farmer living in Colfax township, sustained serious injuries in a fall last Saturday. He was shingling the roof of his house when he slipped and fell to the ground. It was first thought that he had broken his back, but it was found that the injuries were not as serious as that, and he is now on the road to recovery.

Miss Barbara Williams was elected president of the Willmar District C. E. Society at the meeting in Ortonville last week.

## A GOLDEN WEDDING IN TOWN OF MAMRE

Mr. and Mrs. John P. Carlson, who live north of Pennock in Mamre township, celebrated the golden anniversary of their wedding day yesterday, in the presence of nearly all their children and descendants and a large number of neighbors and friends Monday afternoon.

Mr. Carlson was presented with a gold headed cane with suitable inscription by the children, and Mrs. Carlson was given a gold ring, which the bridegroom of fifty years ago placed on the finger of his life companion in commemoration of the ceremony which occurred in the Adelof parsonage in Småland, June 20, 1860. The happy principals of this celebration were also the recipients of a number of other valuable presents, among which were \$25 in gold coins. Very nearly the entire Mamrelund congregation, of which the Carlsons have been members since coming to Mamre in 1884 and a number of other neighbors and friends were guests on this occasion. Rev. G. Peterson made an appropriate address and a splendid dinner was served.

Johan Petter Carlson and Christine Johansdotter were married at the place and time aforesaid, and came to America 1883. Their union has been blessed with ten children, five of whom are living. Their descendants include also 31 grandchildren and four great grandchildren.

Rev. D. B. Spencer went to River Falls Tuesday, to attend Commencement exercises at the Normal school, where his son and daughter are members of the class of 1910. Mrs. Spencer will spend the summer in Northern Wisconsin and will not come to Willmar until the new manse is completed.

A unique and pretty affair was the shower given by Miss Lillie Forsberg and Chancey Frye for Miss Myrtle Frye and George Jonicks at the C. N. Frye home last week. This time the groom to be came in for his share of the favors. Red and white hearts, streamers and bells decorated the rooms and an elaborate lunch was served.
