Sensible Savings Talks.

IT ISN'T BY SAVING MUCH AT A TIME

That people accumulate large sums. While gathering small sums to make large deposits, money is apt to dribble away. The best way is to deposit the trifles, (any amount from a dollar up) right into the bank, and give them a chance to earn money for you.

Insurance Statistics.

The people of Minnesota paid during the year 1909, in fire premiums the sum of \$8,658,171.52, practically \$4.00 for every inhabitant, and the losses paid during that year average \$2.00 per capita.

It is safe to say that the losses paid do not cover over two-thirds of the value of the property destroyed, so that the actual loss in this state last year was \$3.00 per capita. The average loss per capita in Europe per year is about 33 cents. On this basis our fire loss last year would have been about \$7,000,000, a saving of approximately three and one-half millions of dollars.

The per capita loss in Italy is about 12 cents a year while for 1909 the average loss per capita in this country was \$2.14, and in 1907 it was \$2.51.

As we permit fire to destroy such an immense amount of property we are necessarily under a high expense to put out these fires and prevent general conflagrations. The cost of fire protection in such cities as St. Paul and Minneapolis, is annually about \$2.00 per capita while the cost per capita in the large European cities varies from 8 cents to 30 cents.—Insurance Bulletin.

THE FOLLOWING AMENDMENT TO SECTION 95 OF THE CHARTER OF THE CITY OF WILLMAR, MINNESOTA, HAS BEEN PROPOSED AND PRESENTED TO THE BOARD OF FREEHOLDERS OF THE SAID CITY BY THE BOARD OF FREEHOLDERS OF THE SAID CITY AND WILL BE SUBMITTED TO THE VOTERS OF SAID CITY FOR RATIFICATION AT A SPECIAL ELECTION OF SAID CITY TO BE HELD ON TUESDAY, THE 2ND DAY OF AUGUST, A. D. 1910.

MANS GUNDERSON, City Clerk.

Proposed Amendment.

We propose that section ninety-five of the said Charter of the said City be amended to read as follows:—

—POWER TO BORROW MONEY OR INCUR DEBT.—

"Sec. 95. The City of Willmar may issue Bonds by ordinance as follows: For the purpose of constructing, regulating, maintaining, extending, enlarging or improving suitable water or light plants, or either of them, or for the purpose of acquiring or paying for any real estate or other property needed in connection with any such plant.

2. For the purpose of raising not to exceed fifteen thousand (\$15,000) dollars for a permanent improvement revolving fund provided for in this charter, in order to provide money for any contemplated local improvements, and such bonds shall constitute a first lien upon all such local improvements, and for the purpose of acquiring or paying for any real estate or other property needed in connection with any such plant.

3. For the purpose of paying, funding or refunding any bonded indebtedness of the City or the interest thereon, existing at the time this Charter goes into effect, or created at any time in any manner by said Charter authorized.

4. For the purpose of constructing main sewers, septic tanks, filtering plants, and other appurtenances pertaining to a sewer system. Such ordinance for the issuance of bonds may provide that the same shall be general obligations of the City of Willmar or that they shall not be general obligations, but shall be payable out of any assessments, taxes, funds, or liens held by the City, or may limit the City's liability thereon in any other manner, or shall guarantee that the City shall pay for the same, provided that the bonds so issued under subdivision two, above mentioned, shall always be general obligations of the City.

The City shall have authority to protect itself by special assessment for local improvements, and shall have authority by ordinance to assign and convey any property so acquired, and to mortgage or otherwise encumber such title have been prior to the time of the going into effect of this Charter or thereafter, and shall have the power in like manner to assign any lien or right of action or to cause the City to provide that such bonds, certificates or other evidence of indebtedness mentioned herein, may be collected out of any such property, liens or rights of action.

Whenever the Council shall pass any ordinance to issue bonds pursuant to the provisions of subdivisions one, two or four of this section, such ordinance shall provide for the submission to the legal voters of the City, at some general or special election to be called by the Council for that purpose, the proposition for issuing said bonds, to an amount deemed by said Council advisable. Such election, whether general or special, shall be conducted in the same manner and with the same formalities as such elections are conducted under the general laws of this State.

The ballot to be voted at such election shall be substantially as follows:—"Shall bonds be issued by the City of Willmar under the provisions of section 95, Chapter V., of the Charter of said City to the amount of—dollars, for the purpose of—, and no such bonds shall be issued until such ordinance has been approved by a majority of the legal voters voting at such election.

The debt of the City shall not be increased by bonds or otherwise beyond eight (8) per cent of the total value of the taxable property of the City, according to the last preceding assessment for the purpose of taxation; provided that bonds may be issued as above provided, but the total amount of such bonds when added to the other indebtedness of the City shall not exceed nine (9) per cent of its taxable property as defined above; and provided, further, that bonds may be issued, as above provided, for the funding the City's bonded indebtedness whenever required; and provided further, that certificates of indebtedness against taxes levied and assessed may be issued as hereinafter provided.

Bonds, certificates and other evidences of indebtedness and obligations of the City authorized by this section shall in no event bear a greater rate of interest than six per cent per annum, and if they run for more than five years shall not bear a greater rate of interest than five per cent per annum, and shall in no event be sold for less than the par value thereof, and shall be sold in accordance with the provisions of section 785 of the Revised Laws of the State of Minnesota. Except as provided in this Charter, no warrants, bonds or other evidence of indebtedness shall be issued by the City or any one in its behalf.

The purpose of the proposed amendment is to confer upon the City of Willmar the right and authority to issue bonds to the limit of \$15,000, instead of \$5,000, as now provided by the said section, for the purpose of creating a permanent improvement revolving fund and for the further purpose of authorizing the City to issue bonds for the purpose of building and constructing main sewers, septic tanks, filtering plants, and other necessary appurtenances for the proper construction of a sewer system in the City.
