ELECTION RESULTS.

Overwhelming victories in the important doubtful states carried with them the control of the house of representatives in the Sixty-second congress by a majority that may range anywhere from 45 to 60. Figures show enough Democratic gains throughout the country to leave no doubt of the power of the present minority to organize the next house with a big margin to spare.

The general dissatisfaction over the tariff law did not serve materially to reduce the customary Republican plurality in Wisconsin. F. E. McGovern was elected governor by a plurality of about 30,000.

Among the United States senators who were re-elected by the recent election are John Kern of New Jersey, Chauncey M. Depew of New York, Albert J. Beveridge of Indiana and Elmer J. Burkett of Nebraska.

The incumbents possibly retired in favor of Democrats are Henry Cabot Lodge of Massachusetts and Charles Dick of Ohio.

John A. Dix, Democrat, was elected governor of New York by a plurality of about 68,000. Henry L. Stimson, for whom Col. Roosevelt stumped the state, was knifed in the upstate districts.

Congressman Eugene N. Foss was elected Governor of Massachusetts by a plurality over Gov. Draper of about 28,000.

Gov. Harmon, candidate for re-election, carried Ohio by close to 100,000. Michigan elected Chase S. Osborn of Sault Ste. Marie governor by about 50,000 plurality. The remainder of the state had even more comfortable margins.

Indiana went Democratic by a decisive majority, and not only was the entire state ticket elected, but the legislature will be Democratic by a decisive vote on joint ballot.

DEMOCRATIC LANDSLIDE IS GENERAL

DIX ELECTED IN NEW YORK BY OVER ONE HUNDRED THOUSAND.—WILSON IN NEW JERSEY BY 36,000.

BEVERIDGE DEFEATED BY JOHN W. KERN

Gray Makes Poor Showing Against Eberhart, Which Day Attributes to Anti-Olden Sentiment.—Foss Defeated Gov. of Massachusetts.—Harmon Wins in Ohio.

New York, N. Y. — John Dix, a business man, and the first Democratic nominee elected in 16 years, will be the next governor of New York. He was chosen by the people over Henry L. Stimson, Republican, for whom Theodore Roosevelt stumped the state, by a plurality of 68,000. New York city gave him a plurality of more than

JOHN A. DIX, Democratic Candidate for Governor of New York.

100,000, while Stimson came down to the Bronx with about 40,000, leaving a substantial lead for the Democratic nominee.

The normal Republican majority upstate has greatly tended to cut down the rural vote and Stimson's estimated plurality to the borders of New York city, about 40,000, is less by 20,000 than the upstate vote polled by Hughes in 1908.

Final returns today only emphasize the completeness of the Democratic victory in New York. For the first time since 1894 Democrats in all the states replaced a Republican joint majority of 60 in the state legislature by a Democratic majority of 25, and have made a clear gain of 10 congressmen.

The change in the legislature will insure a Democratic senator to succeed Senator Chauncey M. Depew. The new congressional delegation will have 22 Democrats and 15 Republicans, as against 25 Republicans and 12 Democrats in the present congress.

Aside from Dix, the entire Democratic ticket was elected by pluralities of about 50,000.

William W. Cocks, Roosevelt's home congressman, was defeated by Martin W. Littleton. Dix also carried Roosevelt's district.

Sereno Burne, father of the tariff bill, was re-elected, but his home town, Auburn, went for Dix, and Vice President Sherman's candidate for congress was defeated by a Democrat. Representative Hamilton Fish, Republican, gave ground to Richard E. Connell, a Democrat. Not only did Colonel Roosevelt lose on the state ticket, and his candidate for congress in Nassau county, but his home town went for Dix and the Democrats jubilantly shouted that they had "beat him to a frazzle."

Elections held throughout the country resulted in a political convulsion of far-reaching extent similar to the famous tidal wave of 1892, and even more widespread in its effects.

The national house of representatives has been carried by the Democrats, who will control that branch of congress by a safe working majority after March 4 next, reversing the present Republican majority of 43. Rep. representative Champ Clark of Missouri has announced his candidacy for speaker to succeed Speaker Cannon.

The United States senate will have a reduced Republican majority as a result of legislative elections held in many states.

In New Jersey Woodrow Wilson, Democrat, is elected governor over Vivian M. Lewis, Republican, by

ROSENHEIMER IS ACQUITTED. Wealthy New Yorker Cleared of Charge of Criminal Negligence.

New York, N. Y.—After 39 minutes of deliberation, a jury acquitted Edward T. Rosenheimer of criminal negligence causing the death of Miss Grace Hough by running down in his automobile a buggy in which she was riding August 18.

Dr. John J. de Prasin, a Nicaraguan of St. Louis, was seriously injured when his aeroplane fell from a height of 60 feet at East St. Louis, Ill.

Jacob M. Dickinson, secretary of war, has returned to Washington from his tour around the world, his journey extending over more than three months.

Miss Genevieve Cowles of Farmington, Conn., an artist and a relative of Theodore Roosevelt, has begun the work of decorating the walls of the state prison chapel at Wethersfield with paintings depicting scenes in the life of Christ.

Five More Cholera Cases Found. Rome, Italy.—Five cases of cholera and two deaths are reported during the last 24 hours.

\$6,800, reversing the Republican plurality of 8,000 in 1907. The legislature of New Jersey is Democratic and will elect a Democratic United States senator to succeed John A. Kern.

In Massachusetts Foss, Democrat, defeated Governor Eben S. Draper, Republican, for re-election by about 32,000 plurality, reversing Governor Draper's former plurality of 8,000.

In Connecticut Judge Simeon E. Baldwin is elected governor over Charles A. Goodwin, Republican, by about 2,600 plurality, reversing the previous Republican plurality of 16,000.

In Ohio Governor Judson Harmon, Democrat, candidate for re-election, is elected by an estimated plurality of 40,000.

In New Hampshire Robert P. Bass, Republican candidate for governor, is elected by about 5,000 plurality.

In Pennsylvania the election of John K. Tener, Republican candidate for governor, is claimed, but the later returns indicate a largely reduced plurality.

In Rhode Island Governor Pothier, Republican candidate for re-election, is elected governor by a reduction of about 900 in the previous plurality.

In Tennessee the fusion candidate, W. Hooper, is elected by 5,000 plurality.

In Michigan, Chase S. Osborn, Republican, is elected governor by a plurality estimated at 50,000.

In Wisconsin, Francis E. McGovern, Republican, is elected by a reduced majority of 60,000 and the return of Senator La Follette is assured.

Democratic governors were elected in Alabama, South Carolina, Georgia, and the entire Democratic state ticket, has been elected by at least 20,000 majority, according to incomplete returns. It appears the Democrats will control the legislature.

Bird S. McGuire (rep.), in the first district, claims his election over N. E. McNeil (dem.). In the second district both E. L. Fulton (dem.) and Dick T. Morgan (rep.) are claiming the election. Late returns confirm the defeat of the constitutional amendment to substitute local option for statewide prohibition. The amendment to grant women the right of suffrage is in doubt.

Republican United States senators are assured from Delaware, Massachusetts, Michigan, Rhode Island and Wisconsin, and Democratic senators from New Jersey and probably Tennessee, in addition to those already elected.

Representatives Cannon of Illinois and Payne of New York, author of the tariff bill, are among the prominent Republicans re-elected to congress.

The Minnesota Results. Governor Eberhart's election will be by a majority of about 30,000. It was a landslide for the Republican candidate for governor.

The entire Republican state ticket is elected with Governor Eberhart.

Before leaving headquarters, where he has returned, Governor Eberhart said: "This has been a peculiar campaign. I have endeavored to present the issues of the campaign frankly to the people. I have told them where I stood and they have endorsed my position. I am elected and natural."

Indiana, Ind.—The Democratic state ticket is elected, including both of the U. S. senators. Albert J. Beveridge will be succeeded in the Senate by John W. Kern. The Democrats made a clean sweep of Marion county (Indianapolis), electing the entire legislative ticket. Vanderburg county (Evansville), is also carried by the Democrats, where they gained three members of the legislature.

Of the 13 Indiana members in the national house of representatives, 12 will be Democrats, Edgar Dean Crumacker, of the tenth district, being the only Republican elected.

Democrats Control House. Complete Democratic control of the next house of representatives is certain.

In order to secure control of the house it was necessary for the Democrats to secure 24 new members. With a net increase of 43 they appear to have gained 19 members in excess of the number necessary to control. At the same time the Republican strength has been reduced by the election of a Socialist in Wisconsin district normally Republican.

The greatest gain in any one state was in New York, where the present delegation of 12 Democrats was increased by 10, making the division as to New York in the next house 22 Democrats, 15 Republicans. The representatives from New York in the sixty-first congress is 25 Republicans, 12 Democrats.

The next largest increase was in Illinois, where the Democrats on the face of the returns made six gains.

In Pennsylvania the Democratic gains were 5, New Jersey 5, Ohio 4, North Carolina 2, West Virginia 2, Vermont 2, Maryland 2, Maine 2, previously elected, and one each in Connecticut, Indiana, Iowa, Kentucky, Massachusetts, Oklahoma and Rhode Island.

NEGROES SEIZE POLLING BOOTH. Muskogee, Oklahoma.—A telephone message to the Times-Democrat from Coweta, Okla., states that negroes took possession of a voting booth in a schoolhouse in a negro settlement four miles from Coweta. The white election officers were thrown out of the polling place, the negroes declaring they would vote. Despite the "grandfather clause" a messenger was sent to Coweta asking for help and two automobiles with fifteen white men armed with shotguns left for the scene.

RAILWAY FINANCE IS DISCUSSED. New York, N. Y.—Financial circles are manifesting a lively interest in a series of questions which have just been put to all the great railway systems of the country in a circular issued on account of the proposed advance in freight rates. ROGUE ENIGMAN IS SLAYER. Upper Michigan Man Shoots His Son-in-Law to Death.

Ironwood, Michigan.—Charles Anderson of Jesseville location, a part of Ironwood, was shot and instantly killed by his father-in-law, Thomas Pierson, aged 83 years. Pierson is said to have been drinking and to have snapped the revolver three times in Mrs. Anderson's face. It failed to explode. He will have his hearing on Thursday on a murder charge.

POPE'S EYES IN GOOD CONDITION. Rome, Italy.—The pope's eyes were examined by his optician, P. H. Cahill of Dublin, and the tests indicate the pontiff's sight has changed very little since the last examination in 1908.

straightforward campaign. I meant every word I said and I would rather be defeated on my platform than as my opponent stood on. This campaign is simply a power skirmish in Minnesota. The cause of Democracy is bound to win in Minnesota as it has won in the East."

Minnesota Congressmen. Minnesota will send its usual delegation to congress with the one exception of Sydney Anderson of the First district.

Probably one of the most notable fights was that of the First district where Sydney Anderson, the man who defeated James A. Tawney, was pitted against H. L. Buck, the Democratic candidate. Anderson appears to have won by a majority ranging from 3,500 to 5,000. In the second district, where a strenuous fight was on between Congressman W. S. Hammond and F. P. Elsworth, Hammond seems to have won by a small majority, but the result is in doubt and will remain so until the final results are obtained.

In Ramsey County. In Ramsey county, Congressman F. C. Stevens has won over the barber candidate, F. L. Gieske, by a comfortable majority. It was estimated at 7,000.

In the Fifth or Hennepin district, Congressman Frank M. Nye has won. With two precincts to hear from, he had received a majority of 1,710. This is not the best possible showing for the Minneapolis congressman and in his appeal for support, has struck a responsive chord.

In the eighth district, Congressman Clarence B. Miller, the Republican congressman from Duluth, has won by a good majority over Alfred Jacques, his Democratic opponent.

In the other districts, where the Republican congressmen had no opposition, there was, of course, no particular interest, and they have been accorded nothing but a regular vote.

Probably the greatest interest centered in the First district, where a fight was on between Mr. Buck and the progressive candidate for congress. The Tawney men were out in revolt and threatened to get the scalp of the progressive candidate.

Republican preliminary returns from all except one precinct Mayor Haynes is leading W. E. Satterlee, his nearest competitor, by 24 votes.

Until the revised figures from the Fifth precinct of the Sixth ward came in to City Clerk Knott's office at 9:30 o'clock, only six votes separated the mayor and Mr. Satterlee.

The change, however, gave the net gain of 18 votes in the precinct, thereby adding to his slender plurality.

The change in the figures from that precinct increased Satterlee's vote from 27 to 52 and Van Lear from 81 to 160, but it also increased the Haynes vote from 25 to 68, showing the net gain for the mayor over Satterlee of 18 in that precinct.

The chances for errors in the making of the returns are so small, that it is almost certain the defeated candidates will demand a recount and it may be a long contest will develop that will terminate in the courts.

Mr. Van Lear already has announced his intention of demanding a recount. He claims he has been elected.

Beveridge Is Defeated. Indianapolis, Ind.—The Democratic state ticket is elected, including both of the U. S. senators. Albert J. Beveridge will be succeeded in the Senate by John W. Kern. The Democrats made a clean sweep of Marion county (Indianapolis), electing the entire legislative ticket. Vanderburg county (Evansville), is also carried by the Democrats, where they gained three members of the legislature.

The Republican gains were one each in Iowa, Massachusetts, Missouri, New York and Pennsylvania.

The 85 New Congressmen. The crop of "lame ducks" is the greatest in the recent history of congress. According to the officials at the Republican congressional headquarters here, there will not be less than 85 new faces, both Democratic and Republican, in the 62nd congress.

Lloyd's Statement. James T. Lloyd, chairman of the Democratic national congressional committee, issued the following statement:

"Present indications are that congress will be Democratic by about 25 majority. Thus far the returns indicate that our pre-election estimates were about correct.

"The causes which have led to the results of today are well known. It is a serious rebuke to the Republican party for its failure to reduce the tariff as the people believed the party had promised. The high cost of protected, manufactured articles which has resulted in greatly increased cost of living has had very much to do with producing this result. There is general dissatisfaction with existing political conditions and with the Republican administration. This has led to its reputation as far as could be done at the polls.

"The Democratic party has won a victory because the only hope of the people is in its supremacy.

"The Republican party has shown by its course that it will not enact legislation in the interest of the masses when such legislation would be to the detriment of the classes."

Barnes' Statement. J. Mahlon Barnes, national secretary of the Socialist party, issued the following statement:

"The Socialist party comes out of the campaign with flying colors and has made the gain expected—that is, one hundred per cent throughout the nation.

"The vote in 1908 was 424,000. This will be doubled. About 35 members of state legislatures are now assured in the states of Ohio, Wisconsin, Illinois, Minnesota and Massachusetts. Three congressmen are assured, Berger and Gaylord of Milwaukee, and Bachman of the Twelfth Ohio district.

California is expected to later returns to quadruple the vote of two years ago."

Carroll Is Re-elected. The Republicans have elected nine congressmen and the entire state ticket headed by Gov. Carroll. The latter's plurality probably will reach 15,000.

The Republican state ticket is elected, for Carroll was cut back by the progressives. The legislature will be Republican and probably the progressive wing will control. Yet this does not insure the election of progressive Republicans to succeed the late J. P. Dolliver, for the best estimates show the stand-patters to have a balance of power and in a bitter fight they might go the Democrats and elect a Democratic senator.

T. R.'s Man Beaten. In the first district, Kennedy, Rep., has won by 1,600 over Pollard, Dem., for congress. In the second district I. S. Pepper, Dem., has defeated Chas. Grik, the man Roosevelt came here to
