PRIZES FOR NEATNESS

Public Improvement Committee Announce Prizes.—Will Inspect Business District.

The public improvements committee of the Commercial Club held a meeting last Monday morning at which they decided on the prizes to be given for the best kept premises in the city during the months of June, July, August and September. It is decided to divide the \$50 prize money equally among the four wards of the city, \$12.50 to be awarded in each ward in three prizes; first prize \$6.00, second prize \$4.00 and third prize \$2.50. The public improvements committee will make four inspections, one each month. The first round will be made early in June. The prize will be based on five features; the lawn and trees, the boulevard, flowers and shrubs, back yard and general appearance. These contests in former years have been very successful and have contributed a great deal towards stimulating a desire to keep up the fine appearance of the city. No doubt there will be many who will appreciate the monthly visitations of the public improvement committee.

A new feature added this year will be the monthly inspection of the down town district between First Street and Seventh street and from Pacific avenue to Becker avenue. Monthly inspections will be made of these eighteen business blocks and after each inspection the block making the best showing will be designated by four shields, appropriately lettered, at each corner of the block, the block so designated to hold the honor of being the prize block of the business district until the following month when the next visitation will determine which block shall have the honor of being designated as a prize block for the next month. This prize will not be awarded on the cost or appearance of the buildings themselves, but simply for cleanliness and the best kept premises in general.

The public improvements committee hopes the people of the city will enter into the spirit of this contest and make an effort to clean up their lots and make them as tidy as possible. If each individual lot owner will do this, the general result will be a very agreeable one and will help to establish the reputation of Willmar as a city beautiful.

IMPLEMENT HOUSE BURNS

S. E. Stansberry's Implement House Entirely Gullied By Flames Saturday Night.

A hot and destructive fire gutted the S. E. Stansberry implement house last Saturday night, rendering within a few minutes the ware house and its stock of farm implements practically valueless. How the fire originated is a mystery. Mr. Stansberry had been in the shop just a few minutes before the fire was discovered, in company with Mr. J. D. Parnell and Mr. Sutcliff, the latter gentleman having some business to transact between themselves. Mr. Sutcliff wanted a bunch of hose and this was taken out of the front part of the warehouse. From the warehouse Mr. Stansberry and Mr. Parnell went to the Stansberry residence and were

Memorial Day Tomorrow.

Memorial Day will be observed tomorrow in the usual manner by the Col. Heg Post of the G. A. R. of Willmar, who will assemble at 10 o'clock a. m. to proceed to the three cemeteries of Willmar, Fairview, Catholic and the Lutheran Synod, to decorate the graves of former comrades. The memorial sermon was preached by Rev. Father McDevitt at the Catholic church last Sunday morning. The G. A. R. comrades marching to the church in a body from their headquarters.

The local post last week presented two interesting relics to the Willmar Public Library, one from the Civil war and one from the Spanish war. The presentation was made in the form of the following letter received by President G. Peterson of the library board:

Willmar, Minn., May 22, 1912.
Headquarters Col. Heg Post.
Rev. G. Peterson,
President Willmar Public Library:
We have the pleasure to present herewith to the Library a broken shell which is a relic from the battleship "Maine," procured by Capt. C. A. Rice of Camaguey, Cuba.

Also a six-inch solid cannon ball taken from the battlefield of Pickett's Mills, Georgia. This is presented to A. E. Rice when on a visit to the field in 1906, by Mr. Wadell, the owner of the land on which the battle was fought on May 27th, 1864.

M. D. MANNING, ADJ.

High School is Victorious.

In a game featured by many errors on the part of Benson and heavy hitting by the High School, the latter won by the score of 23 to 3. The game was played last Tuesday on the grounds behind the Seminary. Willmar started in the first inning to score and scored almost every inning after that. In the sixth inning the High School scored 8 runs. Simons started in to pitch for Benson but was soon replaced by Coy, who was hit at any and all the time. It was one big wasteful for the High School. Benson seemed to be extremely nervous for they dropped little pop-ups and muffed up slow grounders.

Request for Closing on Decoration Day.

Thursday, May 30th, being the day set aside for the observance of the National Memorial Day for the Heroes and Patriots of the Civil War I respectfully request that all business houses be closed at twelve o'clock noon on said day, as far as is practicable and that the afternoon be observed in a fitting manner.

Given under my hand and seal at Willmar this 22nd day of May, A. D. 1912.

E. C. WELSH, Mayor.

CHURCHMEN FROM NORWAY

Norw. Luth. District Synod Convenes Tomorrow Morning at Park Auditorium.

The Minnesota district of the Norwegian Lutheran Synod church of America will begin its annual meeting at Willmar tomorrow morning at 10 o'clock at the Willmar Assembly Park auditorium. The opening sermon will be preached by Rev. R. J. Vaaler of Twin Valley, Minn. At the close of this service it is expected that K. Sjorgo of Redwing who is the president of the district synod, will appoint a committee on credentials. This committee will report at the opening of the afternoon session, after which the convention will listen to the annual report of the presidents and various committees will be appointed. The meeting will then decide on the length and time of sessions and upon the order of business for the entire meeting.

Some of the evening there will be a grand concert for the benefit of the Synod church pipe organ fund at the Synod church. There will be some eminent musicians present and no one should miss this musical treat.

Two eminent church men of Norway are expected to attend this meeting of the district synod as special representatives of the state church of Norway. These are Bishop Bockman of the diocese of Trondheim and Hans Nilson Hauge of Skien, Norway. Hauge is a grandson of the noted man of the same name for whom the Hauge synod, an important Lutheran church body of this country, was named. This is the first time that the church of Norway has officially recognized the Norwegian Lutheran church bodies of America and the convention at Willmar will be the first place where these distinguished gentlemen will appear in their official capacity in this country. Dr. Swerthoff, who was here from Norway two or three years ago, and is the editor of one of the leading religious papers of Norway, has been agitating the question that the Lutheran church of Norway should come into closer affiliation with the Hauge synod in this country. This agitation no doubt led to the result of these official representatives being appointed. They are expected to visit as many as possible of the churches of the Hauge synod during their stay here. Hans Nilson Hauge, who is pastor of a parish, was chosen as one of the representatives in order that he be present in an official capacity at the unveiling of the monument to his illustrious grandfather at Fargo next week. The Norwegian church men landed at New York Monday and it is expected that they will arrive at Willmar on Friday or Saturday, just what is not definitely known. Dr. H. G. Stub of St. Paul has been in telegraphic communication with these parties since their landing at New York, but Dr. Stub will not arrive at the depot until tomorrow and so nothing definite is known. It is expected that Bishop Bockman will preach some time on Sunday and Rev. Hauge on Monday. As was stated, this is not definitely settled.

The Tribune expects to issue a special edition on Saturday which will give further details regarding the convention and its work.

A Musical Success.

The musical given by Miss Reed's pupils at the Presbyterian church last night was a grand success, especially so from an artistic standpoint. All the participants in the lengthy program acquitted themselves with credit. The little tots went thru their difficult parts without a single failure. The progress made during the year by some of these pupils in learning something quite remarkable by such as are in a position to know.

While all the performers were good, the work of Miss Ethel Carlson was especially fine and received the unequalled admiration of all who attended the concert. There is no question but that she has a musical career if she follows it up.

The crowning number of the program was the closing overture which was played on two pianos with eight hands by the Misses Ethel Carlson, Esther Wolberg, Cora Oumundson and Ethel Reed. Thru an unfortunate misunderstanding with the proprietor of the hall, the place for the recital was changed yesterday afternoon to the Presbyterian church. The concert will net the Willmar Anti-Tuberculosis society about \$35.00.

The Great Northern depot is being treated to a thorough overhauling. The officials of the company were testing a sand blast method of removing the smoke and dirt from the exterior of the building last Monday. It did good work as the water on the northeast corner of the depot testifies.

Rev. and Mrs. Larsgaard and children of Milaca, who have been guests at the L. O. Thorpe home, departed yesterday for Gerretson, S. D., where Rev. Larsgaard has accepted a call to be pastor of the Synod church there. They were accompanied by Mrs. Larsgaard's sister, Miss Anna Estrem.

The menu consisted of: first course, cocktail; second course, meat loaf, scalloped potatoes, beans, radishes and banana salad; third course, sherbet, angel food and coffee.

Last evening at the Carlson hall, the members of the Royal Neighbors pleasantly surprised Mrs. J. W. Kent. Several tables of cards were played throughout the evening, and at 10 o'clock elaborate refreshments were served. The drill team, of which Mrs. Kent is the captain, and the officers of the order presented Mrs. Kent with a beautiful gold band, which was an appreciation of her work done in the lodge.

The members of the Y. P. S. and choir of the Swedish Mission church planned a very delightful surprise party in honor of Mrs. Ruth Hanson at the residence of P. Hognland last evening. The occasion was a faraway party. Miss Hanson leaves for her home at Russell, Minn., Thursday after attending school here. Games and music and delicious refreshments were the features of the evening. At the close of the pleasant gathering Miss Hanson was presented with a beautiful gift as a token of esteem of her young friends.

THE S. E. STANSBERRY IMPLEMENT HOUSE Which Burned Saturday Night With a Ten Thousand Dollar Stock.

about to partake of a lunch, Mr. Parnell also being there, when the fire whistle blew. When told by phone that the fire was in his warehouse, Mr. Stansberry was slow to believe it as he had left it apparently safe not more than ten minutes before.

The fire was discovered at about 10:10 by John Dale and the alarm was turned in from the Osmundson garage. It seemed that almost instantly after the fire was discovered the smoke and fire belched out in an immense black cloud over the building. The fire had evidently at once communicated with the oil, and the stock of wagons and buggies and other dry varnished vehicles at once

at the beginning of what promised to be a very good season. A carload of machinery, which had been delayed in unloading, was saved from the fire by that circumstance, and with new stock arriving all the time he is in a bad position now for a store house for the same. Mr. Stansberry has already made plans for re-building. He expects to put up a brick building to take the place of the burned structure, but is yet undecided as to its exact proportions.

John H. Martin, who has been associated with S. E. Stansberry for a number of years back, had very recently disposed of his interest in the latter, so that he escaped any loss from this fire.

OBITUARY

MRS. L. L. THORPE.

Another well known and respected pioneer woman has passed into the great beyond. Mrs. L. L. Thorpe, wife of Mr. L. L. Thorpe, died at their home in Town of Dove, last Friday, the 24th of May, at an age of nearly sixty-nine years.

Mrs. Guro (Berge) Thorpe was born in Vik, O. Hanger, Norway, September 14th, 1843. She was married to the husband who survives her in the spring of 1862. They came to America in 1884 and located on the old homestead of L. O. Thorpe in Section Eight of Dove. Thirteen children were born to them. Six of these have passed before, but seven live to mourn the death of their mother. They are Sjur and Lawrence, both at home on the farm; Britna, now Mrs. Ole Aachus who resides in Swift County; Isaac Holland, C. Birkeland, Frank Hanson, G. C. Alvig, Ole Soldahl and Ole Alvig.

The funeral was held yesterday. Brief services were conducted at the home at 11 o'clock and there the sad cortege filed its way to the Lutheran Free church at Willmar, where the funeral services were held, Rev. M. B. OBITUARY

Kandiyohi County for Wilson.

The democratic mass convention for Kandiyohi county met this afternoon at 1:30 o'clock and by a vote of eleven to two instructed the delegation to Duluth to vote as a unit for delegates favoring the nomination of Wilson for president. There was a decided Bryan sentiment in the convention and the understanding is that Bryan would be their first choice if he were a candidate for nomination.

Anton Peterson of Penock was elected chairman of the convention and G. A. Erickson was elected secretary. The convention proceeded at once to business and elected the following delegates to attend the state convention at Duluth to be held Thursday, June 6th: G. P. Karwan of Willmar, Patrick Lawler of Kandiyohi, J. L. Jarrett of Penock, August Magnuson of Penock, O. T. Holmgren of Mamre, Anton Peterson of Penock, S. E. Stansberry of Willmar, Gustaf Peterson of Willmar, G. C. Haug of Penock, William Olson of Spicer, August O. Forsberg of Willmar.

As soon as the delegates were elected Mr. August Forsberg moved to instruct the delegation to vote as a unit for Woodrow Wilson. J. L. Jarrett objected to this as he said he was a Champ Clark man. A rising vote was asked for and resulted in 11 to 2 favor of Forsberg's motion to instruct.

The convention then proceeded to elect a county committee. J. L. Jarrett was elected from the first district; William Olson of Spicer, fourth district; Andrew S. Reigstad of Arcander, second district; E. Wermelin of Irving for the third district; Patrick Lawler of Kandiyohi for the fifth district; G. A. Erickson and S. E. Stansberry were elected members at large of the county committee. The delegation to Duluth was authorized to recommend some one for the position of state committee-man from this county, if occasion should arise for the appointment of such a body at Duluth. The matter of placing a full county ticket in the third district, Patrick Lawler was favored by quite a few in the convention. It was finally agreed that the chairman and secretary of the convention be asked to call a mass meeting at a later date to take up this matter. It was suggested in the meeting that Old Settlers' Day would furnish a suitable time and there would then perhaps be a chance to secure a speech from the Honorable Dan Lawler who will be in Willmar on that day.

OBITUARY

Seminary Wins.

In a game which was fast and interesting the Willmar Seminary beat Atwater last Saturday by the score of 4 to 1. Johnson of the Seminary pitched a no-hit game. Atwater's run was gotten on an error. Atwater would get men on bases and then Johnson would lighten up and fan out the next men up. He pulled himself out of several holes in this manner. The game was an interesting one to watch. This makes the second time the Seminary has beaten Atwater, winning over them before in a ten inning game at Atwater.

She was attended by the Misses Anna and Emma Monson and Nettie Johnson. The groom was attended by Messrs. Arthur Larson, Carl Nelson and Sigfred Johnson. The wedding march was played by Mr. William Hegstrom of Svea. A wedding dinner was served at five o'clock. The newly-weds will leave for Minneapolis tomorrow, where they expect to reside.
