

IN GOES the AX

CUT PRICES ON MEN'S GOOD CLOTHES

When we sock the axe into prices, we put it into the real prices on real clothes. Our reductions may not appear as great as others, but when we sell you, say, a \$20 suit for \$15, you save \$5 of real, sure-enough money. Our twenty dollar suits are worth twenty dollars the year around. We put on the lower price to quickly move out of our store what is left of the season's stock. Come in; we can fit you now, but our reduced prices will soon sell us out of clothes.

All Our Men's Light-weight SUMMER SUITS

Formerly sold at \$20, \$22 and \$24, are now reduced to \$15. They are all standard makes, including "Kuppenheimers." Strictly all wool and this season's make.
