You will know how much All-ways means when you see the range. It means the most beautiful looking range, that it will do the best work with the smallest amount of fuel, and that it will last longer than any other range made. I know this to be a fact, but I want you to find it out for yourself.

During this exhibit, if you buy a South Bend Malleable, I will make you a present of a set of high-grade cooking ware, including four large pieces of pure aluminum, also a set of cooking bags and show you how to use them. All visitors will receive a useful souvenir. I want you to come. Remember the date.
